Introduction

Our modern society is a glass house built upon a three legged stool of Capitalism, Democracy and Christianity. While it would only take one of these legs to collapse and destroy our society, all three are disintegrating at once resulting in the chaos before us.

The “great reset” has begun and people could be forgiven for thinking that this is the end of the world. It’s not, but it is the end of the world as we know it. The Bible speaks of the three coming world wars, when they will occur, what the repercussions will be and how you can avoid the plagues.

Capitalism has destroyed the planet, democracy is a moral race to the bottom and Christianity attempts to legitimize these narcissistic American ideals. These churches blatantly ignore the Bible to steal your money.

Our current events and our future have been documented in the Bible for thousands of years. God is so angry at America for her sins that He is going to completely destroy her before another president can be elected.

God is angry because America has killed the saints and swapped out true faith in Christ for this materialistic religion that worships money while calling themselves “Christians”.

America has also killed at least 95 million unborn children and have promoted their “alternate lifestyles”, that are an abomination to the Lord, all over the world.

If you read the Bible you’ll see that the last time the people made God this angry He told Noah to build a boat. History repeats.

According to Revelation 17 & 18, America the Harlot will be completely destroyed by fire before the next President takes office. The coming nuclear war, famines and plagues will also kill 1/4 of the earth’s population.

It is the most grave of mistakes to falsely assume that God does not exist when in fact He has just been giving people either “more rope” or the chance to repent. America has been openly displaying all her sins to the world.

God is giving the world the most intimate display of the wretched underbelly of American life. This is the real America that the world has lusted after for years. This nation truly is the worst nation to have ever existed on the planet and the evidence of her sins is broadcast worldwide daily. The world may lament the destruction of America, but we will all know why God destroyed her and how much she deserves to be destroyed.

The reason that all churches are unaware of their impending destruction is because they follow the god of mammon. This capitalism is the god of mammon which has taken over modern churches. (Rev. 13:7 *It was granted to him to make war with the saints and to overcome them.*) The saints have been overcome by the capitalism which has penetrated every aspect of our lives.

Capitalism, Democracy and Christianity have brought the world to the brink of destruction in 100 years. We are now living in the end times which is a transition period between our modern age and the coming Millennial Reign of Christ. This transition period will only last about 20 years.

All throughout the Bible God has used one man to effect change. It's no different this time. These Biblical examples were all normal people that loved the Lord and obeyed Him.

God used Joseph to save His people in Egypt.

God used Moses to lead the people to the promised land.

God used David to lay the building blocks for the temple.

God used Paul to reach the Gentiles.

God used John to show us the road to the end of the age in Revelation.

The Lord is using me to call His people out from the Harlot and to prepare for the coming millennial reign of Christ. Everything about our modern lives will be gone in about 2 years.

Don't kid yourself, I was as skeptical of this as you are now. I have been testing what God has told me against scripture since this adventure began for me five years ago. God expects you to test what I say as well. I'll make it as easy as possible by including the relevant scriptures and news articles as evidence.

Do you know that the main point of the movie “Life of Brian” was to get people to think for themselves instead of blindly following false leaders?

The Bible says to “test all things and hold fast what is good”¹. God understands that you are going to need to see evidence before you believe this incredible story and that’s fine because I needed evidence too.

The best example in scripture to prove that God has chosen me for this task is in Revelation 17:9. The Bible says that the person who is correctly able to interpret this passage has “the mind which has wisdom”.

The explanation of the passage must make sense with no mental gymnastics or trying to make things “fit”. I will explain both Revelation 17 and 18 in detail with supporting evidence from current world events. This explanation proves that God has given me the “mind which has wisdom”.

God has also given me experiences that lend credibility and verify that the knowledge comes from Him for His purposes. The Lord has shown me how we are to live and it doesn’t involve money anymore. The catch is that we must finally obey God in everything at all times.

1 Corinthians 6:9 Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites, 10 nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God. 11 And such were some of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God.

If you follow Jesus, you will hear what I have to say. You may then have to pray to the Father and ask Him to affirm these things in your heart by the Holy Spirit.

Luke 10:16 He who hears you hears Me, he who rejects you rejects Me, and he who rejects Me rejects Him who sent Me.”

If you reject me, you really are rejecting God and this is what happens to those people.

2 Thess. 2:9 The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, 10 and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved.

11 And for this reason God will send them strong delusion, that they should believe the lie, 12 that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.

So if a person rejects God and His offer of salvation through Christ, God will send that person a strong delusion and they will believe all manner of falsehoods. This is exactly how a guy like Trump can get so many followers and how these ridiculous churches can attract converts.

God is the only one that can judge a man's heart and that's what God cares about. God alone knows when or if a person will come to Him through Christ. People who reject God won't believe these events that I describe because God doesn't want them to contaminate the society with their bad hearts.

These people will either die in about two years or they will probably wish that they were dead when they see the destruction of the world that they love so much. This is not going to be pretty when people in the world realize that everything they have believed has been a lie and in vain.

Joshua 24:15 And if it seems evil to you to serve the Lord, choose for yourselves this day whom you will serve, whether the gods which your fathers served that were on the other side of the River, or the gods of the Amorites, in whose land you dwell. But as for me and my house, we will serve the Lord."

People who wish to survive will have to renounce mammon and prove it with their actions. I won't ask you to do anything that God hasn't already required of me.

God told me to abandon my home in Alberta that had \$250K in equity. He then told me to move 5000 kms away to a place where I didn't know anyone. God requires us to have the faith to depend on Him for everything. God has never failed me. Jesus wants us to live in total freedom and we can't do that if we're slaves to debt and mortgages or sin either.

Matthew 6:24 “No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon.

If you love money more than God, you’ll have about two years left to spend it if you don’t find yourself a safe place to ride out what’s coming.

Luke 12:16 And he told them this parable: “The ground of a certain rich man yielded an abundant harvest. 17 He thought to himself, ‘What shall I do? I have no place to store my crops.’

18 “Then he said, ‘This is what I’ll do. I will tear down my barns and build bigger ones, and there I will store my surplus grain. 19 And I’ll say to myself, “You have plenty of grain laid up for many years. Take life easy; eat, drink and be merry.”’

20 “But God said to him, ‘You fool! This very night your life will be demanded from you. Then who will get what you have prepared for yourself?’

21 “This is how it will be with whoever stores up things for themselves but is not rich toward God.”

If you seek life, pray that the Father gives you the faith and opens your eyes to the Truth of who Jesus is. The truth is that God loves each and every one of us exactly the same regardless of our behavior.

God desires to spend time with us just as any good father wants to spend time with his kids but God can’t exist near sin; that’s why Jesus died for us. Christ died as payment for our sins so that we could hang out with God. We don’t have to understand it to believe it.

Jesus does give us the Way to live in the Bible but the churches and governments have been deceiving all of us in order to make us slaves to consumerism and their corporate overlords.

They have lied about everything and now is the time to end all these lies so that you can see the truth and save yourselves.

Capitalism is not the way.

The industrial revolution promised to change our lives. It was supposed to *improve* our lives.

The first thing that industrialization did for America was to give her unprecedented production capability and therefore power on the world stage. America simply out produced all of their rivals and by the end of the second world war America was sitting on 3/4 of the world's supply of gold.

America was stinking rich but instead of using their wealth to help the world they built the largest war machine the planet had seen and began their imperialism. Truman discovered that supplying countries with war machines was very profitable. This was the beginning of the Military Industrial Complex.

Once the factories figured out how to mass produce products to reduce the costs, companies could make luxuries available to the common man. As demand for these luxuries grew America created consumerism and the lust for stuff as the foundation of our new world. The promise after the war was two cars in every driveway and a chicken in every pot.

The automobile was to be the “god” of this nation. Car were worshipped by the rich for their ability to enslave men into this world of indentured servitude. The rich discovered that debt was the way to control the population and what better way to bring people into the bondage of debt than the illusion of freedom that a car was to provide?

Cars were sold on the “freedom” they gave the drivers and became the perfect vehicle (*pun intended*) to build this new nation upon.

Cars were expensive and complicated to make. The assembly line created by Henry Ford made building these vehicles possible in two ways.

Instead of having skilled tradesmen to build the cars, all that was required was basic skills because the jobs were broken down to their simplest tasks and repeated ad nauseam.

Mass production also greatly reduced the cost of the cars parts, lowering the prices to make them affordable to the average worker but the jobs were

mindless and soul crushing.²

I worked in the engineering department of an auto parts manufacturer in the 80's. We made recliner mechanisms for car seats. The prototypes would cost around \$25K each but by the time they were manufactured, the price would drop to about \$6.

I asked my boss at the time and he told me that a brand new car from scratch costs a billion dollars to produce the first one. The power of manufacturing reduces that cost to about \$20k for the consumer.

It takes a lot of people to make cars. For example, my company at the time made only 3 or 4 recliner products for three different companies. We had over 600 employees and we only made one small part on the car.

When I was in high school they told us that 1 in 7 jobs in southern Ontario was directly due to the car industry and the Auto Pact.

Cars are expensive to operate. The cheap part is the gas and maintenance. The expensive part is the roads. Roads are very expensive to build and maintain and we need a lot of them.

The entire continent of North America is built to require people to own cars. The land mass is massive. It takes days to drive across it. We could have built trains but there was way more money to be made if everyone had to own their own vehicle and lived in suburbia.

Cars allowed everyone to be independent. You could live wherever you wanted, you didn't need to be close to work. States and provinces covered the continent in freeways. The further you lived from the cities, the cheaper the houses became.

This new freedom gave birth to subdivisions and all the rich people left the cities and became commuters. The further away from your job and longer commute reduced the house prices. You could make those "big city wages" and then own a larger house in a cheaper community.

Bedroom communities sprang up everywhere as these local governments

2 <https://www.npr.org/2014/01/27/267145552/the-middle-class-took-off-100-years-ago-thanks-to-henry-ford>

wanted all that big city money to be spent in their towns.

More cars and more things to do in those cars fuelled all kinds of industries related to cars. Strip malls, fast food restaurants, auto repair shops and entertainment options were all available to the owners of a car.

Cars were everything and people were all pretty happy until about 1973 and the oil embargo. The oil shortages exposed just how dependent our new world was on oil.

I don't think people fully grasp the amount of energy that is stored in oil and how hard that energy is to replace. This explains why we are so hopelessly dependent on oil in this society.

Have you ever had to push a car? They're pretty hard to move by yourself. You could pull a car with horses or people but there's no way you'd get close to 60 miles an hour.

This illustrates how much energy it takes to move 3000 lbs of steel (your car) down the highway. Now imagine getting the car up to 60 miles an hour. Less than a gallon of gas will allow you to do this for miles.

We then decided to move all of our goods around this continent on semi-trucks that run on diesel. This is not proving to be a wise decision after two years of pandemic.

Farm machinery and fertilizer fuelled by oil helped to increase food production which then allowed more people to be alive on the planet. Many nations depend on the food production from a few countries.

Back to cars. Things were decent in the 70's as far as cars go. Our domestic makers were making huge vehicles that required very large engines and lots of gas. Driving these cars was like touring the country in your living room. I had a 1972 Meteor and the car had a 6 foot long hood!

The 70's oil issues was North America's first wake up call. People couldn't afford to drive anymore so they turned to these new Japanese imports. It also didn't help the North American market to have Pintos exploding on contact and the run of really bad steel in 1973. These issues pushed more and more people to imports.

Since Japan is a small country and the Japanese are typically small people, they made small cars. These small cars had very small fuel tanks and a very small cost to operate. The people that understood math bought these imported cars as fast as they could. This scared the crap out of the big three because they had nothing like these cars to offer in competition. They were caught flat footed by the oil crisis, bad steel and these new imports of tiny cars and they needed time to adapt.

Capitalism wasn't looking like a good idea when other countries applied it to America.

The decision in the states then became to limit the imports from other countries. It sure seemed like a good idea at the time but the unintended consequences of this decision would drastically change the automotive landscape forever.

Since the Americans limited the number of cars into their country, the Japanese auto makers decided to make the most money they could from the cars that they could send. The cars that did come over had all the bells and whistles; cruise control, am/fm stereos that sounded very good, air conditioning and very good gas mileage. These new additions made these cars very easy to sell even at the increased prices because North American cars in the 70's were very basic. You might get a crappy am radio but forget air conditioning or cruise control.

Within 10 years the Japanese Auto makers went from "Made in Japan means junk" to some very good cars that had all kinds of options that North American cars didn't have. North America companies would not be able to coast selling basic cars like the K-car anymore. The Honda Civic started it all. It wouldn't be long before the Japanese were building car plants in Canada.

The Japanese car companies were really good at logistics and since Japan is such a small country with limited and expensive space, they devised an ingenious method of reducing warehouse space. This new method of production would be called "Just-In-Time" manufacturing.

These companies ran like a well oiled machine. They knew exactly how many parts they needed to have on hand each day so they adjusted everything in their production cycle to accommodate this idea.

There was no need to pay for warehouses anymore as they would use the trucks trailers instead. This move dramatically slashed their costs and gave them another competitive advantage over North American car companies.

American companies would have no choice but to accept this new way of doing business and switch to “just-in-time” themselves to stay competitive.

The sheer size of the American market and the constant propaganda regarding the “American Dream” only enticed more people to compete in their automotive market. To many people around the world America was the pot of gold at the end of the rainbow.

America, through Hollywood movies, woke the rest of the world up to their standard of living. Now everybody wanted a car and a cell phone and the trappings of capitalism. They wanted to be rich too and where better to make that money than from the largest pool of rich consumers in the world; America?

This fierce competition played out in both retail and manufacturing. Walmart and their race to the bottom with prices forced many domestic companies from the marketplace.

Retailers couldn't compete with Walmart's purchasing power and companies couldn't afford to pay North American costs and deliver products at the prices Walmart wanted. The retailers closed and the manufacturers went overseas. North America lost a vast number of manufacturing jobs in the futile fantasy that the service economy would keep everything going. It can't.

The service industry just moves money around, it doesn't create any wealth on its own. If I fix your computer, that money is gone, you have nothing tangible to show for it.

Manufacturing on the other hand takes labour and materials and creates a lasting product with more value than the original components. If I build you something, say a picnic table. Once you pay for it you have a physical object that has value. You can resell it later if you want.

Since the product has a value on its own that is more than the sum of the

parts, we have really created wealth and we expand the economy each time we build something. That wealth exists as long as the product exists so this also emphasizes the reasons for building quality products and why it was such a mistake to off-shore manufacturing in the first place.

Capitalism doesn't want quality though, it wants shareholder profits. Capitalism wants you to have to buy products forever; a revenue stream. In capitalism's mind you are only here to purchase stuff and create wealth for shareholders. You are a consumer above all else. North America has shot itself in the foot here because of this greed and short-sightedness.

Capitalism is a race to the bottom. How cheap can you make a product to compete with your competition? These "cheap" products flood our markets and consumers are forced to purchase what is available. Companies are encouraged to incorporate built in obsolescence in their products in order to repeat sales and increase shareholder profits.

Our societies have degraded to the point that we only seem to build communities of plywood and vinyl siding homes for commuters. There's no profit in building low rental housing. Why have governments allowed people to profit on low cost rental housing anyway? This is capitalism at its worst. Shouldn't the governments be looking after the poorest of society?

Our governments aren't wise enough to provide the services we require with the resources available. Instead of building sustainable communities capitalism demands that everyone makes a profit from un-sustainable growth. Everyone along the line makes their cut and governments inability to work within their budget means that they raise taxes on the people to compensate for politicians poor choices.

The ever increasing tax burden forces the consumers to reduce spending or become more thrifty. The stores trying to keep their customers, force the manufacturers to lower their prices until the manufacturing company eventually dissolves taking jobs with them. Production and all that created wealth is then sent overseas to poor countries. Wash, rinse, repeat.

Now the entire North American continent is dependent on cargo ships from around the world to keep their economies going. Thanks to this way of thinking and 2 years of pandemic, the world is in a very precarious position.

Everything moves by truck in North America and when diesel increases, costs increase. Diesel is the Achilles heel of modern capitalism. Putin knows exactly what he's doing contrary to the pundits. Rising oil costs has the potential to cause runaway inflation and destroy the economies of the richest nations without firing a shot. Putin doesn't care how much oil costs, he sells oil for enormous profit and has plenty of resources to continue his wars thanks to India and China.³

Capitalism will lie to you, then abuse you and then discard you when you are of no value anymore. Capitalism has no conscience or heart.

The lie of the American Dream is that someday if you work hard enough, you can be just as rich as the wealthy people you see on TV. You can't. The rich don't share and that's why we have lotteries. The only hope the poor has is to win the lottery. None of those people in those lottery lines are happy. The common theme of capitalism is greed and exploitation.

The world's 2,153 billionaires have more wealth than 4.6 billion people.⁴ How can this be considered just by any stretch of the imagination? I don't think a society based on one of the seven deadly sins was ever a good idea.

The Covid-19 pandemic forced everyone to re-evaluate their lives at the same time for the first time since the last pandemic 100 years ago. Many people became disillusioned with "the system" with good reason.

The Canadian Government shut the country down March 2020. It was of the utmost importance to stop the spread of this virus so people were ordered into lock down. Since the government initiated this measure and made it impossible for people to work, they had to provide income to those of us in this lock down. The Government gave us all \$2000 a month. This was more money than most people make in a month here.

All of a sudden the people at the bottom became "Essential workers" because if they didn't go to work, the rich would starve. These people at the bottom of our society who make minimum wage became "heroes" as long as they were putting their lives on the line by continuing to go to work.

3 <https://globalnews.ca/news/8916152/russia-oil-exports-india-china-ukraine-war/>

4 <https://www.oxfam.org/en/press-releases/worlds-billionaires-have-more-wealth-46-billion-people>

Protective screen were installed for safety and everyone got a raise as added enticements to keep working.

These people didn't receive anything from the Government though . They were still working their same lousy jobs at minimum wage while everyone else was sitting at home smoking dope and playing video games.

Once the pandemic was over, these people at the bottom once again became expendable. The added wage gains were rolled back to their previous levels. Far too many people finally figured out that they were getting screwed here.

Normally these people were so poor and over worked that they didn't have any time to even worry about how lousy their lives had become. It's very difficult to ponder the complexities of life when you're scrambling for your own survival.

The pandemic gave people the time and the government provided the income. For many people this was the first time in their lives that they didn't have to worry about anything. Most of these people had a much better income with the pandemic benefits than when they were working and \$2k a month is not a lot of money in today's economy.

Sitting at home with no worries about income and lots of free time on their hands gave all these people at the bottom a chance to finally think about how their lives were going. It's as if we all realized at the same time that we were part of a pyramid scheme and we were all at the bottom. We discovered that everything we were told our whole lives about capitalism was utter bullshit.

The greed displayed by the people at the top proved to the people at the bottom that they system is rigged toward the rich and that the poor have been unwitting participants in this orgy of greed we call capitalism. The workers were tired of being abused and refused to go back to those same crap jobs. There's no "labor shortage", people are tired of being abused.

When talk came around to Universal Basic Income, the rich lost their minds. The right of the political spectrum couldn't fathom not having a virtual slave labour pool anymore. The workers stopped taking the third job because they discovered that life is more than wasting away making

some rich asshole more money. People are very angry that they have been lied to all these years. Now these workers were going to make do on less money and start enjoying their lives a bit. Capitalism has failed them.

Supply line disruptions became the norm during the pandemic and our society realized how dependent we had become on imports to keep our economies going. Capitalism failed to keep the shelves stocked.

Canada also recently suffered a massive internet bank failure. Rogers went down for the second time in 16 months but this time they did it good. This Rogers outage, caused by a failed software update, took out the entire digital economy. Canada lives with bank machines and e-transfers and neither of these were available for 24 hours.

The company that processes transfers, Interac failed to make provisions for a back up internet provider. This was a colossal failure on their part but they got away with it because of the pent up hate towards Rogers.

Capitalism failed in its most important duty; processing transactions. The problem was similar to a Facebook outage but instead of just the DNS records being screwed up Rogers apparently fell off the BGP routers. There was no location address given for Rogers network on the global routers so the entire network was down.

There are five massive BGP routers that control the flow all of the Internet traffic. This outage showed what happens when one company has issues. The world now knows that if they take out those 5 locations, the internet will cease to function. This appears to be another one of Capitalism's spectacular failures. There are no BGP router backups.

In America they created the Federal Reserve. This act allowed this new private entity to control the money of the country. Woodrow Wilson lamented the fact that he signed this into law because he knew what was going to happen.⁵

President Wilson later came to regret signing the bill: "I am a most unhappy man. I have unwittingly ruined my country. A great industrial

5 https://en.wikipedia.org/wiki/Talk%3AFederal_Reserve_Act#:~:text=President%20Wilson%20later%20came%20to,system%20of%20credit%20is%20concentrated.

nation is controlled by its system of credit. Our system of credit is concentrated. The growth of the nation, therefore, and all our activities are in the hands of a few men. We have come to be one of the worst ruled, one of the most completely controlled and dominated Governments in the civilized world no longer a Government by free opinion, no longer a Government by conviction and the vote of the majority, but a Government by the opinion and duress of a small group of dominant men.”

This “small group of dominant men” worked tirelessly to remove the American dollar from the gold standard. With no limitations now on the amount of money that they could print, the Fed used debt to enslave the nation. America pays an enormous amount of interest on their 30 Trillion debt to this “small group of dominant men” for no good reason.

Globalization tied other countries economies to America and capitalism as the bankers went on to conquer these developing nations and make them as much a slave to debt as Americans. Countries tied to America through their banking system have no options but to comply with American wishes if they want American trade or protection.

This passage in Ezekiel speaks about the king of Tyre who is the devil. It is very interesting that this passage also perfectly describes America and her coming destruction for exactly the same reasons.

**Ezekiel 28:16 “By the abundance of your trading
You became filled with violence within,
And you sinned;
Therefore I cast you as a profane thing
Out of the mountain of God;
And I destroyed you, O covering cherub,
From the midst of the fiery stones.**

**17 “Your heart was lifted up because of your beauty;
You corrupted your wisdom for the sake of your splendor;
I cast you to the ground,
I laid you before kings,
That they might gaze at you.**

**18 “You defiled your sanctuaries
By the multitude of your iniquities,**

**By the iniquity of your trading;
Therefore I brought fire from your midst;
It devoured you,
And I turned you to ashes upon the earth
In the sight of all who saw you.**

**19 All who knew you among the peoples are astonished at you;
You have become a horror,
And shall be no more forever.” ’ ”**

Capitalism is a system of commerce designed to enslave men to debt in order to profit from their labors. It is exactly opposite of how Christ taught us to live in every single aspect and it needs to be destroyed to free men from the bondage of debt.

The people who serve this god of mammon are not happy.

Revelation 3:17 Because you say, ‘I am rich, have become wealthy, and have need of nothing’—and do not know that you are wretched, miserable, poor, blind, and naked—

Why are we the only animal on the planet who is born into debt?

Capitalism has lied to us and betrayed us at every turn. It has almost destroyed the planet in 100 years. The god of mammon cannot ever satisfy our soul.

Democracy is not the way.

Democracy is basically mob rule by incompetent people in a race to the moral bottom. People are led to believe that they have some voice or control over the government of their lives, but they really don't.

The entire concept of "freewill" is the lie that is required to keep this pyramid scheme of capitalism running. Society speaks of this "freewill" as if it's some kind of super power that will magically grant all your wishes.

Try as I might I can never seem to "will myself" to win the lottery.

It's far easier to control people if they willingly entertain the notion that they have free will.

God says to choose this day whom you will serve. That doesn't sound like "freewill" to me.

Joshua 14:15 And if it seems evil to you to serve the Lord, choose for yourselves this day whom you will serve, whether the gods which your fathers served that were on the other side of the River, or the gods of the Amorites, in whose land you dwell. But as for me and my house, we will serve the Lord."

Jesus talked about this too when He confronted the people regarding money.

You Cannot Serve God and Riches

Matthew 6:24 "No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon.

If people refuse to believe in God and to serve and obey Him, they are required by the world then to serve mammon or riches. Capitalism and democracy both require the illusion of control in order to function. How could you ever expect to become rich if you didn't really have control of your life? Doesn't everything in life depend on how hard you work?

The basis of democracy is governments giving people control and choices

of things they really have no experience or knowledge in deciding.

How is Joe-Bob in nowhereville even remotely qualified to govern? Voting for who will lead them really means that the people at the bottom are governing and they're not capable by any stretch and this is assuming a fair playing field.

Allow me to illustrate.

I was the administrator in a small village in Alberta. I was responsible for pretty much everything because the place had so few residents. Everyone knew everyone and there were some "characters" in town.

One of these characters was the dump lady Angie. Rest in peace Ang. The dump was situated between two small villages and Angie's job as manager was to make sure people put their garbage in the proper piles at the site.

Garbage went in the transfer station building but lumber and iron were put outside "down below" where other people could scavenge and take what they needed. This was a really cool idea. I loved Angie because she had a huge heart but she was a member of the Dunning-Kruger⁶ club and that over confidence would soon cause problems.

Saturday mornings gave Angie her soapbox and she was a very entertaining and animated storyteller. Everybody needed to go to the dump and there was Ang ready to complain about what was wrong with the world that week and how she would fix it. This began before my time as Administrator but I would certainly hear the stories on Saturday like everyone else.

As I mentioned, this was a very small village. The residents had heard enough and decided to call Angie's bluff. Many encouraged her to run for council since she was "so smart". They thought they were being funny and that it would be hilarious to have Angie on council. Angie got elected. A year later I got hired and the fun began for me.

So first it was bad enough that they voted her in on a lark. Angie did not understand that Council was always supposed to be united when dealing with the public. Yes, she could disagree with a decision of Council and vote against things she didn't like, but she was supposed to present the

6 <https://www.britannica.com/science/Dunning-Kruger-effect>

decision as Council's decision to the residents and not be divisive.

Ya, good luck with that.

The Saturday mornings became a gong show. Angie would pontificate to all who would listen about how she didn't vote for this and something else wasn't her fault. All she did was stir up trouble and strife. When one of her buddies on Council would come to the dump, it would get even worse. I suggested to Council that we make all of our future votes "recorded votes" which would show everyone how each council member voted in the meeting minutes. We also made the meeting minutes available in the local store the day after the Council meeting. Now everyone knew exactly what Angie voted for and the gossip ended.

The village was upgrading their water plant at the time so there was a lot going on. One of the issues was water licenses.

Our village had an old water license that I had discovered during research for this new plant. This was worth something to the county that bordered our village. The Reeve had offered me \$35,000 for the license that we were not using. Once our water plant was completed, this license would revert back to Alberta Environment and we would get nothing for it. We could sure use the \$35k though. Our yearly budget was about \$75K at the time.

There were five people on this Council. Bill was the mayor and an ex-teacher. He was a very smart man. Peter would later become Mayor and he was a former police officer and also a very smart man. Rob was a mechanic and represented the average working man. Carol was an elderly real estate agent who wasn't really paying attention a lot of the time. And lastly we had Angie.

I asked the Council members if they wanted to sell this *soon to be worthless* water license to the County and put \$35k in the Village bank. Just as you would expect, these council members did not agree or vote to sell the license. We lost 3-2.

I could not fathom the stupidity and selfishness of these people who voted against themselves and their own residents. I wondered how people could be so short-sighted. This was democracy failing at the smallest scale.

Well surely democracy should work better on a larger scale right?

America, the model of our modern democracies, after 200 years or so have devolved into the society portrayed in the movie Idiocracy⁷. The people at the top wanted it this way.

George Carlin described the situation perfectly; they, your owners, want you smart enough to run the machines to keep the economy going and make them more money, but not smart enough to know you're getting screwed!⁸

Canada released a study that showed a link between women who had been given fluoride in their water and the lower I. Q. of the boys that they had given birth to.⁹ America was very quick to denounce this report. Seventy million Trump supporters would seem to contradict that denouncement.

Democracy has been portrayed as the savior of the world. Americans are taught that they have their rights and all the excesses that they enjoy from their extravagant lifestyles due to their democracy. Americans should be willing to die for their flag since it gave them everything they are told.

Americans worship that piece of cloth as they travel the world forcing their flawed system of government on developing nations in exchange for aid and debt. The American people are not free by any stretch but rather slaves to the corporations and shareholders through debt.

American "democracy" was sold to the highest bidder years ago. Political Action Committees became legalized bribery so that minorities could decide laws instead of the majority as "democracy" preaches.

The NRA bought enough politicians to advance their agendas and make themselves all rich by selling guns that are tearing the country apart. This is the will of the people? To be scared to go to church or for groceries or even to a parade because they fear for their lives now? Democracy certainly isn't keeping the people safe on the streets.

Then you have a guy like Joe Manchin. The earth is on fire but since old Joe has been bought off by the energy sector,¹⁰ he will do nothing to save the planet that would hurt his bottom line.¹¹

Democracy brought the sexual revolution and the beginnings of the downfall of American civilization and the western world. The people continually accept lower and lower moral standards that are passed off as freedoms. These freedoms then devolve to the point where the entire nation becomes an abomination to God and must be destroyed.

It's blatantly obvious that the people in positions of power in our governments have never opened a Bible. If the Canadian Charter of Rights recognizes the Sovereignty of God why do our politicians make laws that directly contradict the Bible? God does not allow "alternative lifestyles".

Romans 1:24 Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves, 25 who exchanged the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen.

26 For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature. 27 Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due.

If these "alternate lifestyles" are a natural and normal occurrence, why do we have HIV, AIDS and now monkeypox that all began as stds in the gay population?

28 And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; 29 being filled with all unrighteousness, sexual immorality, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit, evil-mindedness; they are whisperers, 30 backbiters, haters of God, violent, proud, boasters, inventors of evil things, disobedient

to parents, 31 undiscerning, untrustworthy, unloving, unforgiving, unmerciful; 32 who, knowing the righteous judgment of God, that those who practice such things are deserving of death, not only do the same but also approve of those who practice them.

You see, this verse is particularly troublesome for many of the modern churches, especially the last line.

The United Church of Canada caused a split in their denomination when they decided to accept the LGBT crowd with open arms. I think some of the congregation actually read their Bibles and figured out that they should leave for their own good.

There is no democracy in the Bible because it doesn't work. People buy themselves off with their own money and become corrupt with lust, power and wealth.

Democracy is the worst system of government ever invented and has become a race to the bottom in every aspect of life.

“Power tends to corrupt; absolute power corrupts absolutely”¹²

Democracy has lied to us and betrayed us with our very own sin nature.

Democracy demands that we race to the bottom in every aspect of life in a futile effort to satisfy the lust of the flesh, the lust of the eyes and the pride of life.

Christianity is not the Way

Am I the only one who's disturbed that Christianity is supposedly the world's largest religion? How can the world be in such a mess if 2 billion people are following the teachings of Christ? Well, there can only be two possible answers.

Either God is a liar and the Bible is false, or the so called "Christians" are disobedient to God's Word. Spoiler alert: it's the latter.

The truth comes straight from the Bible. God doesn't want your money, He wants your heart and your local church can't show you the Way to God because they don't know themselves. These "churches" have been lying to you for your money since the modern churches began with Peter around 42 AD. That original church became the Catholic Church and devolved into a cult that gave birth to the protestant movement.

Modern Christianity has become a religion that distorts the Bible in order to deceive their followers into serving the god of mammon. It doesn't matter what name is on the building either, just bring cash. This explains why "Christians" are so disillusioned with their churches and why they don't believe that God cares about them anymore.

To discover who God really is, all we need to do is read His Bible. To start with, God is the creator of the universe and He owns everything.

**Psalm 24 The earth is the Lord's, and all its fullness,
The world and those who dwell therein.**

Everything was made by God for God's own purposes. Our modern society relies on people ignoring God and directing their own lives for their own interests instead.

16 For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him.

God created man (and woman) in God's image.

Genesis 1:26 Then God said, “Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth.” **27** So God created man in His own image; in the image of God He created him; male and female He created them.

Since God *is love*, He needed a way to show that love. If God was only a single entity, that self love would be called narcissism. Jesus is the recipient of the outpouring of the Father’s love to another being and the Holy Spirit is God’s witness of that love to the world.

John 3:16 For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. **17** For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.

Jesus did not come to condemn us, but to save us. God the Father gave us the family structure to perfectly represent the heart of God. It’s exactly the same relationship, or it should be.

Just as God loves us, I love my own kids as any father does. We do anything for our kids and try our best to keep them from harm by giving them wise rules. We provide for them and teach them. We encourage them to try new things and experience the joys of life. God is no different with us.

1 Timothy 6:17 Command those who are rich in this present age not to be haughty, nor to trust in uncertain riches but in the living God, who gives us richly all things to enjoy.

God gave us a book of instructions on how we should live. The religious leaders claim to know God and have made a living from preaching and entertaining groups of people every Sunday using this book we call the Bible. I wish they would read it and obey it.

The devil is a liar and the father of lies. His sole purpose is to keep people from discovering the truth about God the Father. Satan doesn’t want to be alone in hell for eternity so he devours all he can while he is on the earth. One of his greatest tricks has been convincing people that the battle is between good and evil. It’s not. It’s pretty difficult to win if you’re fighting

the wrong enemy.

Matthew 6:24 “No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon.

The battle is between trusting God to supply all of your needs according to His Word or trusting in your own strength and talents to do everything on your own. (mammon or money)

James 2:5 Listen, my beloved brethren: Has God not chosen the poor of this world to be rich in faith and heirs of the kingdom which He promised to those who love Him?

Poor people must trust in the Lord because they have no other choice. It's very sad that it seems many of us need to hit our “rock bottom” before we finally reach out to God. Once we finally do trust God, the Spirit changes our entire lives for the better! If your life doesn't change after meeting Jesus, you haven't met Him yet.

Matthew 19:24 And again I say to you, it is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God.”

Rich people have no need of God if they can buy anything they desire. This is not the Way that Jesus taught us to live.

Failures of the Modern Church

Many years before I knew anything about the Lord, He gave me this word in grade 7: antidisestablishmentarianism.¹³ This was the longest word in the English language at the time and Merriam-Webster currently thinks that it is not relevant anymore.

This word describes the movement against the separation of the state and the religious powers. These people don't want anything to change. They love the current system. This describes most of our modern denominations. We see how the Apostle Paul made a statement in Acts that perfectly differentiates between true followers of Christ and religious looking

imposters.

Paul said that he followed “the Way”. He then went on to explain that these followers believed and obeyed the Law and the Prophets. That was the Bible at the time.

True believers, believe and follow the Bible. ALL OF IT!

“Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father in heaven. 22 Many will say to Me in that day, ‘Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’ 23 And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness!’

Do you believe that the Bible is the Word of God and that everything in it is true?

Do you have a name of a denomination on your building that you call a “church”?

What makes your denomination different from anyone else?

1 Corinthians 3:1 And I, brethren, could not speak to you as to spiritual people but as to carnal, as to babes in Christ. 2 I fed you with milk and not with solid food; for until now you were not able to receive it, and even now you are still not able; 3 for you are still carnal. For where there are envy, strife, and divisions among you, are you not carnal and behaving like mere men? 4 For when one says, “I am of Paul,” and another, “I am of Apollos,” are you not carnal?

Sectarianism Is Sin

1 Corinthians 1:10 Now I plead with you, brethren, by the name of our Lord Jesus Christ, that you all speak the same thing, and that there be no divisions among you, but that you be perfectly joined together in the same mind and in the same judgment. 11 For it has been declared to me concerning you, my brethren, by those of Chloe’s household, that there are contentions among you. 12 Now I say this, that each of you says, “I am of Paul,” or “I am of Apollos,” or “I am

of Cephas,” or “I am of Christ.” 13 Is Christ divided? Was Paul crucified for you? Or were you baptized in the name of Paul?

Churches are not allowed to have denominations. Denominations are heretical by definition and every modern church is part of one.

The true church is the body of Christ and this particular group met in Chloe’s house. There are no buildings or head Pastor, or worship leader in the church of Christ. No tithes either.

Each denomination has its own rules that they pretend are found in the Bible. They are all liars leading the sheep into bondage.

Colossians 2:8 Beware lest anyone cheat you through philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not according to Christ. 9 For in Him dwells all the fullness of the Godhead bodily; 10 and you are complete in Him, who is the head of all principality and power.

Paul is telling you here not to listen to these false teachers and their man made rules anymore. Our governments disobey God by making these rules of consumption in the first place.

Colossians 2:20 Therefore, if you died with Christ from the basic principles of the world, why, as though living in the world, do you subject yourselves to regulations— 21 “Do not touch, do not taste, do not handle,” 22 which all concern things which perish with the using—according to the commandments and doctrines of men? 23 These things indeed have an appearance of wisdom in self-imposed religion, false humility, and neglect of the body, but are of no value against the indulgence of the flesh.

Man made rules cheat the sheep from the joy of the Lord and the freedom that we have in Christ. These rules have the “appearance of wisdom” but are useless against the indulgence of the flesh. How did that Catholic Priest marriage ban work out? Did these rules curtail the sin of the priests?

All churches teach their rules as doctrine. Priests can’t marry, Pentecostals love the “tongues” thing, Baptists don’t dance, some only use certain translations.. all are carnal and ignored by God!

Matthew 15:7 Hypocrites! Well did Isaiah prophesy about you, saying:

**8 ‘These people draw near to Me with their mouth,
And honor Me with their lips,
But their heart is far from Me.**

**9 And in vain they worship Me,
Teaching as doctrines the commandments of men.’ ”**

The modern churches have all brought men under the bondage of the world’s system in order to ignore the Word of God and profit from it! That is the essence of mammon and why the people in these so called churches feel so empty.

**Psalms 24 The earth is the LORD’s, and all its fullness,
The world and those who dwell therein.**

Generosity to the Poor

Deuteronomy 15:7 “If there is among you a poor man of your brethren, within any of the gates in your land which the LORD your God is giving you, you shall not harden your heart nor shut your hand from your poor brother, 8 but you shall open your hand wide to him and willingly lend him sufficient for his need, whatever he needs.

Denominations are certainly not supposed to be building cathedrals to themselves with these riches. They are supposed to be distributing the wealth of the church to the members who actually ARE the church!

2 Chronicles 2:6 But who is able to build Him a temple, since heaven and the heaven of heavens cannot contain Him? Who am I then, that I should build Him a temple, except to burn sacrifice before Him?

Modern churches don’t burn sacrifices or run a temple. So what do they do with and for all that cash? What is their reason for being? To take your money and create wealth for the denomination. Why do these organizations enjoy tax exempt status? They are just social clubs.

The Corporate Church

The reason that so many people are leaving “the church” is because the church has nothing to offer them. The salt has lost its flavor. Every Sunday millions of people put on nice clothes and drag their families to some “place of worship” where they can all be bored for an hour and a half by some nerd on stage that doesn’t have a clue what he’s talking about.

Jesus was the coolest dude to ever walk the planet. He hung out in bars with the real people. Why does He always seem to be represented by rich nerds?

After the service these “Christians” pretend that everything is fine in their empty lives with a fake smile for their fair weather church friends. Then it’s off to lunch.

Believers aren’t supposed to work on the Sabbath, but I guess it’s ok to make the heathens work for you? Nice witness there. Rich white people in fancy clothes having the poorest of the country (usually immigrants) wait on them hand and foot. Where is this in the Bible?

Hurting people go to church to hopefully find God and some peace or meaning for their lives. In order to do that, they need the truth and not a corporate church program. Modern churches can be great for telling people what to do but never showing them how to get there. That’s because their entire business model is against the Word of God!

They’ve all been lying to you so they can steal your money!

The Pastor is not the CEO of the church.

The elders or bishops are not the Board of Directors and the Congregation are certainly not the shareholders.

This incorrect corporate model has been developed to make people dependent on a particular flavor of “doctrines of man” or denomination.

These doctrines and lies are preached each week always implying to the members that they are the “only true believers” or the only ones “doing it right”. The churches need to have people invested in the brand to continue

their growth and therefore profits.

These churches won't dare teach anything controversial for fear of offending church members which would then reduce their bottom line. The head office wouldn't like that. Denominational churches spend a lot of money to gain a foot hold in an area. These people all preach that their members should give 10% of their income to the "church". The Mormons made "giving" mandatory. They have little forms and everything.

These "tithes" are demanded from the church members to pay for everything from Pastors salaries to the building expenses. These modern churches are run exactly like a corporation yet somehow they never have to pay taxes. Pastor seems to be a career choice that pays very well.

1 Timothy 6:3 If anyone teaches otherwise and does not consent to wholesome words, even the words of our Lord Jesus Christ, and to the doctrine which accords with godliness, 4 he is proud, knowing nothing, but is obsessed with disputes and arguments over words, from which come envy, strife, reviling, evil suspicions, 5 useless wranglings of men of corrupt minds and destitute of the truth, who suppose that godliness is a means of gain. From such withdraw yourself.

These charlatans also love to preach that "bad things happen" when you don't tithe at church. Do they not understand that the devil is the ruler of this age and he controls the money and the flow of it? Jesus didn't even carry money.

Jesus was so disgusted at the thought of paying temple tax that He sent Peter to get a piece of money out of a fish to pay for both of them. A smelly fish with smelly money.

Peter and His Master Pay Their Taxes

Matthew 17:24 When they had come to Capernaum, those who received the temple tax came to Peter and said, "Does your Teacher not pay the temple tax?"

25 He said, "Yes."

And when he had come into the house, Jesus anticipated him, saying, "What do you think, Simon? From whom do the kings of the earth take customs or taxes, from their sons or from strangers?"

26 Peter said to Him, “From strangers.”

Jesus said to him, “Then the sons are free. 27 Nevertheless, lest we offend them, go to the sea, cast in a hook, and take the fish that comes up first. And when you have opened its mouth, you will find a piece of money; take that and give it to them for Me and you.”

The Modern Church and the capitalist system are the same system. The local governments give the churches authority to operate and the churches comply by only preaching what is acceptable to the politicians. You will never hear Romans 1:18-32 ever preached in one of these churches. It's actually illegal to read that passage in public in Canada.

Other “Christian” Mistakes

Why do “Christians” go to church on Sunday when the Bible says that Saturday is the Sabbath?

God says to keep the Sabbath Holy. I haven't found any scripture that said that believers were supposed to change the day to Sunday. The Jews still worship on Saturday and it's the same God.

Why would a church system in co-operation with governments change the day of the Sabbath from the last day of the week to the first day?

Could it be because the real Sabbath makes modern life uncomfortable? How could you go out and get drunk on Friday night if you had to go to church the next day?

It wouldn't even be a weekend anymore. We'd have to change the calendars so that Friday and Saturday were the weekend. That will never happen because Saturday is shopping day or the day dedicated to stuff or mammon.

God gives us the freedom to worship any day but that does not negate the fact that Saturday is the last day of the week and the true Sabbath. God says to keep the Sabbath Holy and we turned it into “lust for stuff” day. I wonder if these “Christians” they took their lead from this scripture.

1 Corinthians 16 Now concerning the collection for the saints, as I have given orders to the churches of Galatia, so you must do also: **2 On the first day of the week let each one of you lay something aside, storing up as he may prosper, that there be no collections when I come.**

So the collection Paul took wasn't for Paul, it was for the believers that Paul was going to see on his upcoming trip to Jerusalem. Paul told them to stop the collections when he arrived because he wanted to teach them with his time instead. He certainly didn't tell them to change the day the sabbath was on and take money from everyone every week!

3 And when I come, whomever you approve by your letters I will send to bear your gift to Jerusalem. 4 But if it is fitting that I go also, they will go with me.

So Paul wasn't even going to touch the money, but he would journey with them if they wanted.

Holidays

Shouldn't we be celebrating Easter as we do Good Friday; only on that particular Sunday; Easter Sunday?

Christmas is the biggest farce of all time. There is no mention of celebrating this day in the Bible. The holiday was designed for blatant materialism just like every other Hallmark holiday.

People outright lie to their children about the existence Santa Claus and use the promise of stuff to alter the kids behaviors. Small wonder that the kids don't believe or trust their parents later. Would you trust someone who lied to you?

Many families go into debt to buy things for people that the people don't need or want strictly because of societal pressures. These lies have been told to them for their whole lives; that if you just get enough stuff or the right stuff your life will be happy.

Christmas has been designed to encourage us to worship the god of mammon. Everyone knows that this entire holiday is a lie because in January

the debt hangover comes with the regret and the cold realization that once again, stuff didn't solve your problems or make you happier.

Luke 12:15 And He said to them, "Take heed and beware of covetousness, for one's life does not consist in the abundance of the things he possesses."

The scam of modern Christianity is the unrepentant and unbridled consumerism that has somehow been passed off as spirituality. Instead of leaders teaching people about the love of Christ, they teach the love of money and this is who they've become:

Perilous Times and Perilous Men

2 Timothy 3:1 But know this, that in the last days perilous times will come: 2 For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, 3 unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, 4 traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, 5 having a form of godliness but denying its power. And from such people turn away!

6 For of this sort are those who creep into households and make captives of gullible women loaded down with sins, led away by various lusts,

7 always learning and never able to come to the knowledge of the truth. 8 Now as Jannes and Jambres resisted Moses, so do these also resist the truth: men of corrupt minds, disapproved concerning the faith; 9 but they will progress no further, for their folly will be manifest to all, as theirs also was.

These modern "Christians" and their "*form of godliness but denying its power*" means that they look like they know who God is but they really don't. We need to stay away from these people.

American evangelical Christianity is an abomination of lies concocted by men to make you slaves to a particular cult. These cults preach falsehoods and lies as they take your money every week. They are bad fruit, please stop giving them money.

Matthew 7:17 Even so, every good tree bears good fruit, but a bad tree bears bad fruit. **18** A good tree cannot bear bad fruit, nor can a bad tree bear good fruit. **19** Every tree that does not bear good fruit is cut down and thrown into the fire. **20** Therefore by their fruits you will know them.

All of these modern churches are guilty of fraudulently representing the Bible and the God our country claims to follow to the people.

These organizations should be sued and forced to remove the words “church” and “Jesus Christ” from their names because they are all liars and they do not represent Jesus proven by their own actions.

These same people and organizations should also have their tax exempt status removed immediately. They are nothing more than social clubs.

These organizations really should have all of their assets seized and distributed to the poor as the Bible commands. Since these churches obtained these “donations” by fraudulently claiming to follow the teachings of the Bible, they should be forced to return all of these ill gotten gains to the poorest just as the Bible says.

The Catholics should also be forced to pay the restitution to the natives that they owe.

Let’s call a spade a spade shall we?

Matthew 23:13 “**But woe to you, scribes and Pharisees, Catholics and Evangelicals, hypocrites! For you shut up the kingdom of heaven against men; for you neither go in yourselves, nor do you allow those who are entering to go in.**

14 **Woe to you, scribes and Pharisees, Catholics and Evangelicals, hypocrites! For you devour widows’ houses, and for a pretense make long prayers. Therefore you will receive greater condemnation.**

15 “**Woe to you, scribes and Pharisees, Catholics and Evangelicals, hypocrites! For you travel land and sea to win one proselyte, and when he is won, you make him twice as much a son of hell as yourselves.**

How are Believers really Called to Live?

In Antioch the believers were first called “Christians”. In light of the truth about how modern “Christians” behave, we believers don’t like that name anymore.

The Apostle Paul called himself a follower of the Way to differentiate himself from the religious leaders of his time. It is no different today because what I read in the Bible and practice is a stark contrast to these modern “Christian Churches”.

The first thing Jesus said about His followers would be that:

John 10:27 My sheep hear My voice, and I know them, and they follow Me.

John 14:15 “If you love Me, keep My commandments.

So the first test for a follower of Christ is: Do they obey the Lord Jesus Christ in everything?

This is not my standard. This comes directly from Jesus:

Matthew 7:21 “Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father in heaven. 22 Many will say to Me in that day, ‘Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’ 23 And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness!’

They will know you by your love.

John 13:34 A new commandment I give to you, that you love one another; as I have loved you, that you also love one another. 35 By this all will know that you are My disciples, if you have love for one another.”

What is this love according to biblical standards?

The Greatest Gift

1 Corinthians 13

Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

8 Love never fails. But whether there are prophecies, they will fail; whether there are tongues, they will cease; whether there is knowledge, it will vanish away. 9 For we know in part and we prophesy in part. 10 But when that which is perfect has come, then that which is in part will be done away.

11 When I was a child, I spoke as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things. 12 For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.

13 And now abide faith, hope, love, these three; but the greatest of these is love.

During the pandemic, many churches fought the governments to stay open and to continue having their Sunday services. How are these people showing love to one another by putting many at risk of catching a deadly disease by disobeying health regulations and laws during a pandemic?

Are these churches more concerned with getting their “tithes and offerings” than actually following what Jesus taught? That’s fine. They have a right to be as commercial and profit driven as they want to be; just please stop calling yourselves followers of Christ because you’re not.

Jesus also told his followers many times to obey the leaders. Guess who puts the leaders in power? Oh snap! How do these “Christian churches” get around this one? They can’t. They are directly disobeying a direct, specific command from God. How can this be any more clear that these people are not following Jesus?

Romans 13 Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God. 2 Therefore whoever resists the authority resists the ordinance of God, and those who resist will bring judgment on themselves.

How can you claim to be a follower of Christ and blatantly disregard this scripture to the point of going to jail? Is it really about the money or the cult following?

Everyone has a right to believe whatever they want to believe. I have no issues there at all (this is where the contend for the faith part comes in) I do though have significant issues with false teachers and charlatans who have invented their own gods in an effort to attract allegiance and to extract their cash from these innocent people in the name of Christ!

These people call themselves “Christians”. They are hypocrites identified in 2 Timothy 3.

How is your walk with God as you follow these people? Are you experiencing “joy unspeakable” and “peace beyond understanding?” Are you abiding in Christ each day, enjoying all that God has to offer?

If you’re expecting a church to lead you there I have some bad news. The modern churches can’t lead you there because they don’t know how to get there themselves.

Jesus told us how to identify false teachers:

Matthew 23

Then Jesus spoke to the multitudes and to His disciples, 2 saying: “The scribes and the Pharisees sit in Moses’ seat.

3 Therefore whatever they tell you to observe, that observe and do, but do not do according to their works; for they say, and do not do.

4 For they bind heavy burdens, hard to bear, and lay them on men's shoulders; but they themselves will not move them with one of their fingers.

5 But all their works they do to be seen by men. They make their phylacteries broad and enlarge the borders of their garments.

6 They love the best places at feasts, the best seats in the synagogues, 7 greetings in the marketplaces, and to be called by men, 'Rabbi, Rabbi.'

8 But you, do not be called 'Rabbi'; for One is your Teacher, the Christ, and you are all brethren.

9 Do not call anyone on earth your father; for One is your Father, He who is in heaven. 10 And do not be called teachers; for One is your Teacher, the Christ. 11 But he who is greatest among you shall be your servant. 12 And whoever exalts himself will be humbled, and he who humbles himself will be exalted.

13 "But woe to you, scribes and Pharisees, hypocrites! For you shut up the kingdom of heaven against men; for you neither go in yourselves, nor do you allow those who are entering to go in. 14 Woe to you, scribes and Pharisees, hypocrites! For you devour widows' houses, and for a pretense make long prayers. Therefore you will receive greater condemnation.

15 "Woe to you, scribes and Pharisees, hypocrites! For you travel land and sea to win one proselyte, and when he is won, you make him twice as much a son of hell as yourselves.

The reason that these churches don't know how to enter in is because they have lied to themselves and disobeyed God at every turn of their development. The first and most important point is that you need to believe the Bible! Even the parts that we don't understand.

How evil is it to hang a shingle saying that you know how to lead people to God and only make them dependent on your particular flavour of cult instead; in order to extract weekly "tithes" from them? All because these

churches don't believe a part of the Bible. None of these denominations are Biblical. The Bible says that those who practice such things are carnal. God is not impressed with doctrines of man either.

Matthew 15:9 And in vain they worship Me, Teaching as doctrines the commandments of men.' ”

These are the specific doctrines of the local church based on their own disbelief of a certain scripture or some rule that they just made up.

Yes, Jesus is talking about our modern church leaders here. These “leaders” do this crap all the time. Instead of teaching you how to have the best relationship with God, these preachers and teachers make you dependent on their own theology for profit.

The earth is the Lord's and the fullness thereof. God owns the cattle on a thousand hills. God doesn't need your money... but these fake churches sure do. It's all about the profit.

One of the most popular ways to keep people coming back to THEIR church is this bad theology that says:

“Jesus can come back at any time!”.. you better be worried and stay close to the church... you wouldn't want to be “left behind!”

This utter garbage theology is preached in almost every church I've been in. Here is THE proof that Jesus is not coming back for years and we'll know long before He does return:

The Great Apostasy

2 Thessalonians 2

Now, brethren, concerning the coming of our Lord Jesus Christ and our gathering together to Him, we ask you, 2 not to be soon shaken in mind or troubled, either by spirit or by word or by letter, as if from us, as though the day of Christ had come.

3 Let no one deceive you by any means; for that Day will not come unless the falling away comes first, and the man of sin is revealed, the son of perdition,

4 who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God.

Therefore, if these supposed enlightened churches cannot understand plain, basic English, how do you expect them to explain the mysteries of God to you?

Let me go through this one passage to show you how bad modern church theology is. This is black and white. There is no “interpretation” required.

In the first two verses Paul says “chill out!” He goes on to say that even if we send you a letter telling you otherwise, nothing has happened yet.

The very next verse says that BEFORE Jesus returns these things MUST happen:

1. The great falling away. (this has occurred because of these churches)
2. The Anti-Christ will be revealed to the world. (Do you know who he is yet?)
3. He will sit in the temple of God and claim to be God. (Is the temple even built yet? No.)

So any church that preaches a doctrine other than this is teaching you lies. It’s really easy to verify too. Pray. Ask God to give you wisdom and understanding.

James 1:5 If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.

Most of our modern churches all agree on the same basic theology. This allows them to form a group and become an “authority” on the Bible. What this really does is allow all of them to directly disobey God and feel good about themselves because “everybody else is doing it too!”

How can you really tell that they don’t have the way to God? You need to live as God commanded in order to “out” them. That’s exactly what I’m doing and have been for over 3 years now. God is the author and finisher of our faith. Why do we still try to work our way in?

Hebrews 12:2 looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.

Why have we been trying to do this ourselves? We go to church services and buy books and nothing seems to make our faith stronger. It doesn't work because that's not the way God wants to get close to us.

God made us to worship Him and when we do, we draw near to Him.

Luke 19:40 But He answered and said to them, "I tell you that if these should keep silent, the stones would immediately cry out."

James 4:8 Draw near to God and He will draw near to you. Cleanse your hands, you sinners; and purify your hearts, you double-minded.

Once we draw near to God, The Spirit will lead us into all truth as we work out our salvation day by day. God wants a relationship. How else can you know anyone if you don't spend any time with them or talk to them?

Modern churches are not an authority because they don't believe most of what the Bible says. They have become more social club than anything.

Here are some real life examples of some of the "pastors and church leaders" I have come in contact with to show you how bad it is:

Hank tried to get church to happen at night due to a morning snow storm. Didn't happen. The next week he complains to all of us that he didn't get paid last week. Hmm, why don't you talk to the God you're supposed to know and represent? Doesn't He supply all of your needs?

This guys' next great disaster in my life was to quench the Spirit as I was beginning to preach to a group of women in my then girlfriends apartment. God was moving at this meeting, but since I didn't "do seminary" Hank insisted that I use all of this paperwork he had for future studies. My joy and desire was totally destroyed for decades. There's no way this guy should have been a preacher. There's lots worse though.

Greg came from a missionary family and was lazy. He was entitled and had no problem calling me at any time to fix his computer problems, for

free of course. This guy couldn't be bothered to hold a meeting with a bunch of young mothers trying to get babies dedicated in church. We asked a pastor friend to perform this at our home instead. This Pastor joyfully came from 2000 miles away to perform this dedication in our home with friends present!

Scott was the king of denial. His church is so far from biblical standards I'd need pages for their issues. This church was the example God gave me of the corporate church that has taken over North America.

Nigel was deceptive and lied about the theology of his church. When pressed on it he kicked me out. This was the fourth church I'd been kicked out of.

Chris knew his Bible well and was the most in tune with worship, but his reputation in the community was shot.

None of these guys were living like the Bible said they should be living. None of their lives exhibited the peace and joy that I have come to know by following God as I have over the last 3 years. These were all different denominations too.

You will know a tree by its fruit.

It all comes down to faith and obedience to what God actually says. God is a rewarder of those who diligently seek him. We need to put in some effort; actually lots of it.

The most radical concept of life is that if you do what God asks, God will do what He says. It is that simple.

This is the greatest scripture that I have found showing God's promises to us:

The True Vine

John: 15 "I am the true vine, and My Father is the vinedresser.

2 Every branch in Me that does not bear fruit He takes away; and every branch that bears fruit He prunes, that it may bear more fruit.

3 You are already clean because of the word which I have spoken to you. 4 Abide in Me, and I in you. As the branch cannot bear fruit of itself, unless it abides in the vine, neither can you, unless you abide in

Me.

5 “I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing. 6 If anyone does not abide in Me, he is cast out as a branch and is withered; and they gather them and throw them into the fire, and they are burned.

7 If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you. 8 By this My Father is glorified, that you bear much fruit; so you will be My disciples.

There it is in verse 7; the key to life! If you do what Jesus says, God will give you what you ask and you will bear much fruit (loving others) so that it is obvious to everyone that you belong to God!

9 “As the Father loved Me, I also have loved you; abide in My love. 10 If you keep My commandments, you will abide in My love, just as I have kept My Father’s commandments and abide in His love.

11 “These things I have spoken to you, that My joy may remain in you, and that your joy may be full. 12 This is My commandment, that you love one another as I have loved you. 13 Greater love has no one than this, than to lay down one’s life for his friends. 14 You are My friends if you do whatever I command you. 15 No longer do I call you servants, for a servant does not know what his master is doing; but I have called you friends, for all things that I heard from My Father I have made known to you.

16 You did not choose Me, but I chose you and appointed you that you should go and bear fruit, and that your fruit should remain, that whatever you ask the Father in My name He may give you. 17 These things I command you, that you love one another.

If you are not experiencing this joy in your life, it’s probably because you’re not obeying God or spending enough time with God.

You only need to know and follow the Way to find the peace and joy that God promises us!

This is the Way

This “Way” was controversial. The religious leaders were complaining about the Apostle Paul and what he was doing.

Acts 24:5 For we have found this man a plague, a creator of dissension among all the Jews throughout the world, and a ringleader of the sect of the Nazarenes.

Do you want to wager a guess as to why these religious leaders called Paul a troublemaker?

This is Paul’s response:

Acts 24:12 And they neither found me in the temple disputing with anyone nor inciting the crowd, either in the synagogues or in the city. 13 Nor can they prove the things of which they now accuse me. 14 But this I confess to you, that according to the Way which they call a sect, so I worship the God of my fathers, believing all things which are written in the Law and in the Prophets.

There it is in black and white. This is the difference between “Christianity” and “the Way”. The followers of “the Way” believe everything that is written in the Bible and today’s Christians do not.

Jesus stated how we are to live very clearly when He was first tempted by the devil in the wilderness:

Satan Tempts Jesus

4 Then Jesus was led up by the Spirit into the wilderness to be tempted by the devil. 2 And when He had fasted forty days and forty nights, afterward He was hungry. 3 Now when the tempter came to Him, he said, “If You are the Son of God, command that these stones become bread.”

4 But He answered and said, “It is written, ‘Man shall not live by bread alone, but by every word that proceeds from the mouth of God.’ ”

We don’t get to pick and choose our theology like some kind of religious

smorgasbord. It's all or nothing and that's where the problems began.

There are conditions to all of the promises of God. It's the exact same thing as a family; if you want to borrow dad's car, you better do your chores and obey your parents. Why would God be any different? If you want His blessings, do what He says. It's really not that hard to do but the churches have been motivated to keep the truth from you for thousands of years.

John 14:15 “If you love Me, keep My commandments. 16 And I will pray the Father, and He will give you another Helper, that He may abide with you forever— 17 the Spirit of truth, whom the world cannot receive, because it neither sees Him nor knows Him; but you know Him, for He dwells with you and will be in you.

If we want to have the blessings of the presence of the Holy Spirit of God, we first need to do what He says and keep the commandments.

John 16:13 However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come. 14 He will glorify Me, for He will take of what is Mine and declare it to you. 15 All things that the Father has are Mine. Therefore I said that He will take of Mine and declare it to you.

So, if we obey God and the Spirit leads us into all truth... why do we need preachers to “teach us” each week in church? What happens when the Spirit shows us that our local church is preaching falsehoods? Where do you go?

Jesus taught us to love everyone so that the Father may be glorified.

Matthew 5: 16 Let your light so shine before men, that they may see your good works and glorify your Father in heaven.

Love Your Enemies

43 “You have heard that it was said, ‘You shall love your neighbor and hate your enemy.’ 44 But I say to you, love your enemies, bless those who curse you, do good to those who hate you, and pray for those who spitefully use you and persecute you, 45 that you may be

sons of your Father in heaven; for He makes His sun rise on the evil and on the good, and sends rain on the just and on the unjust. 46 For if you love those who love you, what reward have you? Do not even the tax collectors do the same? 47 And if you greet your brethren only, what do you do more than others? Do not even the tax collectors do so? 48 Therefore you shall be perfect, just as your Father in heaven is perfect.

Money is not the answer to happiness or peace.

Jesus Counsels the Rich Young Ruler

16 Now behold, one came and said to Him, “Good Teacher, what good thing shall I do that I may have eternal life?”

17 So He said to him, “Why do you call Me good? No one is good but One, that is, God. But if you want to enter into life, keep the commandments.”

18 He said to Him, “Which ones?”

Jesus said, “‘You shall not murder,’ ‘You shall not commit adultery,’ ‘You shall not steal,’ ‘You shall not bear false witness,’ 19 ‘Honor your father and your mother,’ and, ‘You shall love your neighbor as yourself.’ ”

20 The young man said to Him, “All these things I have kept from my youth. What do I still lack?”

21 Jesus said to him, “If you want to be perfect, go, sell what you have and give to the poor, and you will have treasure in heaven; and come, follow Me.”

22 But when the young man heard that saying, he went away sorrowful, for he had great possessions.

Remember that God owns everything anyway. It’s not like you can take any of this stuff with you when you die. Jesus was exposing this guys heart. If you truly love the Lord in your heart, you will have no desire for earthly riches. If you can’t trust in God, you have no other option but to trust in yourself. God said we would serve God or mammon.

So how does freewill work then if we have to serve one or the other?

Does free will only really extend to our acceptance or rejection of Christ?

The Outworking of Love

16 By this we know love, because He laid down His life for us. And we also ought to lay down our lives for the brethren. **17** But whoever has this world's goods, and sees his brother in need, and shuts up his heart from him, how does the love of God abide in him?

18 My little children, let us not love in word or in tongue, but in deed and in truth. **19** And by this we know that we are of the truth, and shall assure our hearts before Him. **20** For if our heart condemns us, God is greater than our heart, and knows all things. **21** Beloved, if our heart does not condemn us, we have confidence toward God. **22** And whatever we ask we receive from Him, because we keep His commandments and do those things that are pleasing in His sight. **23** And this is His commandment: that we should believe on the name of His Son Jesus Christ and love one another, as He gave us commandment.

So followers of the Way:

1. Believe in Jesus and everything in the Bible.
2. Live by every Word of God every day to the best of their ability and Worship the Lord their God with all their hearts, minds and strength.
3. Have forsaken their own lives and ambitions in order to fully serve God
4. Depend on God for His provision daily according to His Word.
5. Joyfully share all they have with others, even enemies.

Jesus was describing a community of believers and no-one had money anymore. Jesus told the rich guy to give his money away THEN to follow Jesus.

We must forsake our love of stuff and depend totally on the provision of God at all times.

You can't just say a prayer and go to a building every Sunday for an hour and expect God to bless that. How would you feel if your kid came home to visit and just complained about their lives and asked you for stuff for an hour, raided your fridge and then left?

John 8:31 Then Jesus said to those Jews who believed Him, "If you abide in My word, you are My disciples indeed. **32** And you shall

know the truth, and the truth shall make you free.”

This is the freedom Jesus was talking about. The truth will set you free because we now know who God is and what He requires of us. He will tell us personally!

How can we be free if we are obligated to go to a cult building and give them money every week? God told us to live together as a group of believers and to share everything. God wants to look after us and for us to be thankful about it!

How can you be free if you have to go to a crappy job so that you can pay the bills like rent and food? God says that He provides for all of our needs.

What if we actually lived like God told us to live? Imagine the freedom we could enjoy when we leave this dying society and our dependence on materialism? Surely the pandemic has shown us that worshipping all this modern stuff has not brought anyone peace, real joy or happiness.

Everyone is miserable because our entire system goes against the Word of God and the world is a “dog eat dog” world and a rat race.

The truth is that we need to obey God in everything if we want peace.

When the first believers actually did what God said, this is how they lived.

A Vital Church Grows

Acts 2:40 And with many other words he testified and exhorted them, saying, “Be saved from this perverse generation.” 41 Then those who gladly received his word were baptized; and that day about three thousand souls were added to them. 42 And they continued steadfastly in the apostles’ doctrine and fellowship, in the breaking of bread, and in prayers. 43 Then fear came upon every soul, and many wonders and signs were done through the apostles. 44 Now all who believed were together, and had all things in common, 45 and sold their possessions and goods, and divided them among all, as anyone had need. 46 So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, 47 praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.

So, if believers of today actually did what the Bible said, we would be living in communities similar to Hutterites or natives. No one would have need of money because we wouldn't have any bills to pay.

The best modern example that I can think of to represent these ideas is from Star Trek. Imagine that the Enterprise is the colony. Everyone has a place to live and a job to do but no one has any money or needs even any money because everything is provided by the colony (ship).

The people have every toy imaginable available to them to give them the chance to expand their own lives. Everyone works for the good of all.

In this type of a society there would be no need to go to "church" because believers would then finally BE the church and have continual fellowship with each other. We certainly wouldn't be paying tithes. It is really all about the money for these false teachers and churches.

Do you remember that old movie "The Gods must be Crazy"?

The premise of the movie was this primitive African society who's lives are interrupted by a discarded coke bottle. These people had never known possessions before.

This society had lived in peace for many years but the sudden emergence of this bottle changed their lives and turned the people against each other over the bottle and the control and use of it.

Money is the "coke bottle" of our society.

No wonder the modern church won't preach this stuff. What a surprise? It was the same in Paul's day too, all about the money.

Acts 19:23 And about that time there arose a great commotion about the Way. 24 For a certain man named Demetrius, a silversmith, who made silver shrines of Diana, brought no small profit to the craftsmen. 25 He called them together with the workers of similar occupation, and said: "Men, you know that we have our prosperity by this trade. 26 Moreover you see and hear that not only at Ephesus, but throughout almost all Asia, this Paul has persuaded and turned away many people, saying that they are not gods which are made with hands. 27

So not only is this trade of ours in danger of falling into disrepute, but also the temple of the great goddess Diana may be despised and her magnificence destroyed, whom all Asia and the world worship.”

So the guys making idols couldn't sell them now and they were mad. I imagine some of these false preachers are going to be upset when their meal ticket is gone and they have to get a day job. That might be hard. I don't know if there's many openings for stand up philosophers.¹⁴

Acts 28:21 Then they said to him, “We neither received letters from Judea concerning you, nor have any of the brethren who came reported or spoken any evil of you. 22 But we desire to hear from you what you think; for concerning this sect, we know that it is spoken against everywhere.”

I expect the same reactions from our modern churches when people discover how much they have been lied to over the years and abandon the churches.

Jesus Warns and Comforts His Disciples

16 “These things I have spoken to you, that you should not be made to stumble. 2 They will put you out of the synagogues; yes, the time is coming that whoever kills you will think that he offers God service. 3 And these things they will do to you because they have not known the Father nor Me. 4 But these things I have told you, that when the time comes, you may remember that I told you of them.

This passage is the essence of prophesy. Jesus warns us so that we can prepare and avoid the coming disasters.

This is exactly why we needed another name to call ourselves. Thankfully the Apostle Paul gave it to us a couple thousand years ago.

People who obey Jesus are disciples of Christ and followers of the Way.

God loves us as a father loves his own children. He wants us to willingly come to Him and worship Him for who He is!

14 <https://www.youtube.com/watch?v=t14VD8uvgec>

When we read His Word and listen to worship music daily our faith increases as the truth of God is spoken to our hearts. As our faith increases, God does the work in our hearts to transform us into the image of Christ.

As we are being transformed into the likeness of Christ by God Himself! God wants to free us of our modern societal demands and use the talents and gifts that God has given each of us for His Glory and our benefit!

Whatever you are good at and whatever you like to do is exactly what God has given you to use for the benefit of the body of believers.

Our greatest joy comes from giving freely to others. God wants us to depend on each other and to look after each other.

We need to look only to the Bible for our direction and instruction.

What we believe becomes our theology. Proper understanding of the Bible is critical and since our “churches” have failed in such spectacular fashion, I will now go through some of the main theological issues and attempt to clarify them with real world examples.

If you have any experience with modern churches you will certainly notice considerable differences between what you have been taught and what the Bible really says and means.

May God show you the truth.

Theology

The Enemy

We're going to start with a look at our adversary the devil.

We start with this great piece by Mike McKinley¹⁵

1. Nothing exists that was not made by God. God made the world out of nothing, and so all creatures in heaven, on earth, and under the earth owe their existence to God (Colossians 1 v 16). Satan is no exception.
2. God created Satan good! Everything that God created was very good (Genesis 1 v 31) and there is no sin, deception, or evil in God (1 John 1 v 5; James 1 v 13). Therefore, we can conclude that when God created Satan, he created him morally pure.
3. Some created angels rebelled against God. Seemingly at some point between Genesis 1 v 31 (where everything is very good) and Genesis 3 v 1 (the serpent in the garden), some angels turned against God and became wicked (their rebellion is spoken of in 2 Peter 2 v 4 and Jude v 6—I explore this further in Did the devil make me do it?)
4. Satan has authority in the realm of demons. At several points in the Bible, Satan is spoken of as the leader of the demonic forces (John 12 v 31 and Ephesians 2 v 2). We also see Satan taking leadership in the work of attacking and tempting God's people (Job 1 v 6; 1 Chronicles 21 v 1; Zechariah 3 v 1).
5. Satan's evil came from within himself. He was not tempted and led astray (for there was no one to tempt him) but he produced sin and deceit from within himself (John 8 v 44).

So Satan is the leader of the pack of angels who rebelled against God, and he was cast out of God's presence.

Theology - The Bible Story (severely paraphrased.)

God is the Father of the family and for this example, Satan is one of God's kids. God made Satan and gave him incredible talents. He was to be the favored child. The smartest and most talented and also the most musical. Satan was not happy with his position though.

The problems began when Satan's head started getting too big and he thought that he should be in charge. Kind of like how a parent has to deal with a rebellious teenager. There is a season in your child's life where they will challenge you and your authority. This pride of Satan's is the seed and source of that discontentment. It must be dealt with or your family will be destroyed.

God knew this and cast Satan out of Heaven for his insurrection attempts. Satan took a third of the Angels with him. This is where demons come from.

Satan is the spoiled teenager that got kicked out of the house for disobedience. God is done with his crap. There is no salvation for Satan and he knows that. Satan doesn't want to be alone in hell so he has concocted lies about God the Father in an effort to sway people's opinion of God.

I'm pretty sure that if you have a disrespectful child like this and had to remove him from your home, he would bad-mouth you to anyone who would listen.

If people can't find God, they will join Satan in eternal damnation. This point is why there are so many different religions. Satan knows that if people have too many choices they become confused. Ask any restaurant if a smaller menu is preferred by staff and customers.

When you understand the motives of the person spreading the lies it becomes easier to see the truth. The single most important truth that we need to accept is that the devil is a liar. There is no truth in him! Not only is he a liar but he is the father of lies.

The best example of what this would look like is Donald J. Trump, twice impeached ex-president who is one of the devil's most ardent followers. Everything coming out of that guys mouth is a lie except when he's con-

fessing his own sins. I've heard this called transference and mirroring and projecting.

The devil wants people to believe that God is this monster who is just waiting to whack you with a stick when you step out of line. Nothing could be further from the truth! God is a loving Father who cares for each of us and wants all of us to have the deepest, most meaningful relationship with Him as we can!

When God gave us the ten commandments one of the main reasons was to protect us. First God gave us the rules to show us what sin was. Once we understood that, Jesus came to release us from the bondage to those sins and freedom instead of condemnation, God will lovingly help anyone who comes to Him.

The wages of sin is death. That means that if you do the opposite of what God says, you're going to die and probably way earlier than you're supposed to. The devil wants people to think that they are somehow missing out on a great life experience if they abstain from sin. This is such a huge lie.

Satan lies about sex

Let's start with sex since we are bombarded with it at every turn. God says that we should only have sex with our wives. "Doesn't God want you to have any fun?", Satan will say.

The devil says if it feels good, do it. The devil will try to convince you that the excitement of cheating on your wife or having pre-marital sex is so worth it. It comes back to pride again. The devil will lie to you that there's no real harm in it... lots of people do it... it's only this one time... many excuses and lies.

The cold truth is that one night stands are meaningless and empty. There's nothing colder than a whores heart. Every man who sleeps with another man's wife will receive punishment from God. The risk of diseases are always there. Sex with strangers is often awkward, unsatisfying and meaningless.

God gave us sex as the ultimate expression of love for the most important person in our lives on this earth; our wives. We are supposed to be close to

this one woman in every way possible. The sharing of bodies in a marriage not only consummates the marriage, but is designed to draw the couple closer together. Every time a man has sex with his wife, his love for her grows. It can't be helped or stopped; God designed it this way.

Sex is the one thing the woman can offer that the man can't do himself. I'm talking about the entire experience from how she smells and feels to how she moves and responds. God wants us to be so close to our partners that we would never even consider anyone else.

God wants us to be so emotionally connected to our wives that we "become one flesh". That's not just having sex. It's being so close and aware of each other at all times. I've been in a crowded store and "felt" my now ex-wife looking at me from across the room and I knew exactly what direction to look.

When you combine true friendship with emotional availability and support and enter into your lovemaking with your wife in a complete bond of trust with an attitude of service, the sex is out of this world!

Nothing can beat the closeness and familiarity of a husband and wife. Not flings, not super models, not perversions, nor snorting cocaine off a strip-pers butt. Nothing.

Satan lies about money.

The devil has power and control over this world right now and capitalism is the devils religion. He's grabbed most of the churches already.

The first doctrine of this capitalistic religion is that your value to the world is how much money you have. We see this everywhere in our modern society.

The second doctrine is it doesn't matter how you get your money. If there was justice in the system we wouldn't have thousands of stories of corporations or leaders abusing either people or the planet in the name of profit.

The third doctrine is to keep people poor and needy and fighting with each other. Conflict at the bottom averts attention from the top. Nobody ever needs a billion dollars and society is foolish for allowing anyone to amass

that much of a fortune and the expense of everyone else.

Rampant capitalism is destroying the planet. The lust for stuff just brings more misery and the devil is the one who loves the misery because then people complain to God about their lot in life in this corrupt system. Remember, this is the devils system that the world runs on today.

God has an entirely different way of doing life. God tells us that He owns everything and we're just borrowing His stuff.

Psalm 24 The earth is the Lord's, and all its fullness, The world and those who dwell therein.

He also tells us that we are to depend on Him for our needs.

Philippians 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus.

We are to live a quiet life in peace, working with our hands and minding our own business.

1 Thess. 4:11 that you also aspire to lead a quiet life, to mind your own business, and to work with your own hands, as we commanded you,

Our ambition is never supposed to be for monetary gain but for favor from God for doing His will.

John15:7 If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you.

When we obey God and spend time with Him, He blesses us in ways we can't imagine until we experience it.

God wants to give us good things but He wants ALL of our worship!

1 Timothy6:17 Command those who are rich in this present age not to be haughty, nor to trust in uncertain riches but in the living God, who gives us richly all things to enjoy.

When people put money in place of God, they can amass a fortune but they will never really enjoy it. My ex wife could not understand this at all. She was convinced that you (meaning me) HAD to have a day job. That was her hang up that God used to keep her out of my life. It is quite a fascinating story.

You see her dad is rich. He worked as a President of Pepsico in numerous places around the world. She was used to living this high life in fancy restaurants and spending money on the best of everything. She lived overseas and would fly all over the world.

Her dad hated me because I married his youngest daughter who was most like him. Eventually he started to warm up a bit and started to help our young family. He gave us a down payment for a house. He also saw the piece of crap van I was driving one day and said, "You can't drive the kids around in that!" The van was fine, it just looked really bad with mismatched doors. I think he was embarrassed that we would use this so he bought us a brand new Caravan with a video screen in it for the kids.

We sold our home a few years later and moved to Alberta. We bought a house there with the proceeds from our house in Ontario.

After the first winter, we were a bit cabin feverish in the spring due to the long winter and small house. My ex's dad then tells us that he sold a condo in Toronto and was splitting that money between my ex and her sister. She was going to get \$150K!

We decided that I would take half of that and build on to our house. I build about 3000 sq ft. It was a freaking mansion when I was done. 7 bedrooms, 4 bathrooms. A gym with a stage. A great room with 12' vaulted ceilings. A yard that looked like a park surrounded by 800' of 6' board fence.

A few years after this, her dad tells us that he's going to give us \$100K a year for 3 years! It turned into 5 years and yes, we pissed it all away in about 6 years. I tried to buy things that would hold their value or help the house. My ex bought "decorating crap".

We got to live the "high life" for 5 years. Anything we wanted we bought. My ex filled the house with junk trying to fill that hole in her heart that only God can fill. Nothing satisfied her though and there were always

60

arguments.

At least once a month, something would set her off and it was usually something small or dumb. That would be the undiagnosed bipolar.

We had issues at a lot of churches, there seemed to be strife around every corner. My ex was getting angrier and more reclusive. The kids would see me “move to the guest room for a while” on numerous occasions due to another fight. Our lives really did go downhill quickly because of all that money. It certainly didn’t help that her dad decided to give the money to her. That gave her power that she wasn’t supposed to have in the relationship and it went to her head.

I was not allowed to deny her anything. If she wanted it, she bought it and I had to assemble or retrieve it or both. There was no hope of “saving” any money or being a good steward. I believe that God gave us this money to prove His point and allow us to experience the futility of money and stuff. We were supposed to piss it away. We lived our own version of Brewsters Millions.

Each Christmas we would give the kids cash and they would go and buy gifts for their siblings. Sounds like a neat idea right? It was for a few years. It was cool to see the kids think about each other and to decide which gift they would get their siblings. The problem was that we had too much money. Within a couple of years, the kids had everything they ever wanted. It then became a nightmare trying to find something to buy each other at Christmas!

Between the Christmas farce and the “moving of the decorating stuff” that the kids had to do periodically, we all got really tired of things. Moving things and cleaning up things. It got really freaking old.

Eventually the marriage breaks down and God tells me to give up the house and move east. The first thing we did was to get rid of as much stuff as possible. I sold a ton of stuff to reclaim some of that wasted cash. Had some garage sales and gave away literal tons of stuff. God was using all this stuff to allow me to experience the joy of just giving it all away! This was the beginning of my true freedom in Christ!

The single greatest impediment to me having a proper relationship with God was my inability to stop trying to do everything myself. I would not

trust God for the outcome... God needed “my help to move things along” whatever the issue was. Nothing could be further from the truth. Giving all this stuff away and moving was the first step. I would have to depend on God for everything from now on.

It was only when I finally admitted to God that I had not ever really given Him control of my life did my life finally start to change.

I work for God now. Some days I have no clue what the day will bring. God has given me the big picture and the things that I need to work on, but I don't plan my days anymore.

**Proverbs 16:9 A man's heart plans his way,
But the LORD directs his steps.**

We are Christ's bondslaves and I have never been happier in my life! I depend on God for everything and I don't have a fit when I don't get my way because I know that God wants what's best for me.

Jeremiah 29:11 For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future. 12 Then you will call on me and come and pray to me, and I will listen to you. 13 You will seek me and find me when you seek me with all your heart.

God shows me what He wants me to do but I only have to live one day at a time. The peace in that cannot be understated. I don't have to worry about anything and from the worlds perspective, I should be having many sleepless nights according to “conventional wisdom”.

It's all God's stuff and He will give me what I need exactly when I need it. I can write volumes of the things He has done for me in just the last 3 years. When you have experienced God's provision through almost impossible odds, your faith grows to the point where you can trust God for everything!

God wants us to EXPERIENCE how much He loves us!

Theology - How believers are to treat Satan

God made the devil and He's perfectly capable of taking him out too. The devil exists to test the hearts of man; as soon as the Lord has no need for him, he gets sent to hell.

The devil knows that he has a short time.

Revelation 12 Therefore rejoice, O heavens, and you who dwell in them! Woe to the inhabitants of the earth and the sea! For the devil has come down to you, having great wrath, because he knows that he has a short time."

Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour.

We are not ignorant of his devices. God tells us what he's up to so we can defeat him.

2 Corinthians 11 lest Satan should take advantage of us; for we are not ignorant of his devices.

The only weapon the devil has against believers are fiery darts.

Ephesians 6:16 above all, taking the shield of faith with which you will be able to quench all the fiery darts of the wicked one.

We are to expose the unfruitful works of darkness.

Ephesians 5:11 And have no fellowship with the unfruitful works of darkness, but rather expose them.

Jesus said that He has given us all authority.

Luke 10:19 Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you.

Matthew 10:8 Heal the sick, cleanse the lepers, raise the dead, cast out demons. Freely you have received, freely give.

Satan is the ruler of this age but he can only do what God allows him to do. Satan has twisted the Word of God and has convinced a lot of people that this corrupt capitalist religious system can somehow bring people closer to God. The people trapped in this religious system are not happy. They can put on a “church face” but most are miserable in their “walk with God”.

The modern church treats the devil with kids gloves because the devil is the one who truly rules them. How else could these churches be such cowards and be so far from biblical standards?

All the devil has are fiery darts and with enough faith we can quench ALL of them! Jesus gave us the authority over ALL the power of the enemy!

These denominational churches are certainly not following Jesus and they’re not going to want to hear or believe this verse because this explains why they have no power.

Matthew 15:7 Hypocrites! Well did Isaiah prophesy about you, saying:

**8 ‘These people draw near to Me with their mouth,
And honor Me with their lips,
But their heart is far from Me.
9 And in vain they worship Me,
Teaching as doctrines the commandments of men.’ ”**

In vain. They’re wasting their time because they follow the rules of man and not what God calls us to do. This verse refers to all of the modern churches. God is saying clearly in His word that He won’t hear them!

What does being in vain mean?

1 : having or showing undue or excessive pride in one’s appearance or achievements : conceited.

2 : marked by futility or ineffectualness : unsuccessful, useless vain efforts to escape.

I Never Knew You

21 “Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father in heaven. 22 Many will say to Me in that day, ‘Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’ 23 And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness!’”

It doesn't matter what works people perform, they cannot work their way into the kingdom.

This verse is incredibly heartbreaking to me because these people truly believe that they are “saved”. They will be utterly dumbfounded when the truth will be revealed to them.

Their church has lied to them and told them that if they perform all these services “for God” they will be rewarded by God.

This is why these organizations must be destroyed. They have deceived the nations and lied about who God is for profit.

The devil long ago perverted the Church of Christ by twisting the meaning of the word “church” from the body of believers to the building.

Let us not be deceived, we need the proper faith to begin our walk with God.

Hebrews 11:6 But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him.

Theology - What is Faith?

faith /fāTH/ noun

1. complete trust or confidence in someone or something.
2. strong belief in God or in the doctrines of a religion, based on spiritual apprehension rather than proof.

That's a good definition for "head knowledge" of faith but it doesn't properly convey what faith in God is. I like to use a chair to describe the kind of faith that God wants us to have. Since the bible says that without faith it is impossible to please God, surely God will give us an easy way to identify and obtain this faith?

It's one thing to have faith in a crappy sports team... I'm looking at you Toronto. There's no real risk when your faith in a team is undeserved. When they lose games they should win, they only embarrass themselves unless we've been shooting our mouths off about how good "our team" is.

God wants real faith that will accept the cost of following Him.

Hebrews 11:6 But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him.

Back to the chair. It takes faith to sit in a chair. We must believe that the chair will hold our weight. Sometimes we have more weight than faith and then we will suffer pain when the chair collapses. Maybe we don't have faith at all in the chair and have to remain standing and have our energy slowly drained?

Our walk with God can be the same. Maybe we don't have the faith to believe God's promises and we continue in a dead church trying in vain to get closer to God? We can follow all of the church rules, but this won't bring us any closer to God.

Colossians 2:23 These things indeed have an appearance of wisdom in self-imposed religion, false humility, and neglect of the body, but are of no value against the indulgence of the flesh.

Honesty is critical when we try to understand God and faith. Look at the family structure. When our kids are born they are helpless. We do everything for them because we love them. We want them in our lives. They are part of us. They are going to be just like us when they grow up.

As they grow and we teach our children, they begin to understand just how much we do love them. They mature and see the sacrifices that we make for their benefit. That's the definition of love! Our kids trust us because we have shown them that we care for them throughout their lives. We willingly do these things for our kids because we love them regardless of their behavior! They get to experience this love first hand by our actions.

Standing up for our kids is the greatest indicator of our love for them. These actions do not go unnoticed. You you may have a distant teenager, but trust me, when you stand up for them and defend them their love and respect for you will only grow. They begin to trust that you have their backs.

They have or should have many fond memories of how their parents were there for them when they needed them. This is especially true for dads because we represent God to them and God wants us to understand that God loves all of us exactly the same way that we love our kids!

We want our kids to have faith in us. I want my kids to think that I'm superman! I want them to come to me with all of their problems so that I can help them to work through them. I want to use my vast experiences to maybe lessen some of the pain that they will need to go through in life.

Stupid is painful. I want my kids to be smart and wise. I want them to understand the truth about any issue so that they can make an informed, intelligent decision regarding their own lives and their walk with God. Let them make their own different mistakes to learn from :-)

God is exactly the same. He gave us His Word for knowledge and wisdom and instruction on how to live our lives.

Proverbs 9:10 “The fear of the Lord is the beginning of wisdom, And the knowledge of the Holy One is understanding.

This ‘fear of the Lord’ that the Bible talks about is not ducking because we did something wrong and are expecting punishment. God wants us to have a proper loving relationship with Himself. Our problem is that we are often not honest with God and sometimes even blasphemous. He’s not going to bless us if we constantly disobey Him.

God wants us to trust Him. The equation for trust is very simple:

TIME + TRUTH = TRUST

Once we spend enough time with God and when we know the truth about God, then we can begin to trust God. If we are not living the life that Christ called us to, there is a deficiency with either time or truth. There is no other explanation.

Satan uses false churches and denominations to confuse people about who God is. These “churches” then compete to attract more people to keep the scam going. It becomes an obvious race to the bottom to the point where people are leaving churches in droves now because the church no different from a social club in the world. Many old church habits turned out to not be so critical to our spiritual survival as we thought.

Time

We’re so busy in our modern lives that we might be able to squeeze God in for a couple of hours on a Sunday. We lie to ourselves and call it the beginning of the week but for us really, it’s the end of the weekend. The last scraps of our time. It’s like we’re saying, “Here God, come bless me quick before I have to go back to work on Monday.”

We’re giving God the least of our time, expecting God to do these great things in our lives. Well that’s what a lot if not all, modern churches preach. Jesus never promised a “good life” in the lap of luxury for following Him.

The easiest and most beneficial way that I have found to spend time with God is simply through dedicated morning worship.

Count the Cost

Take Up the Cross and Follow Him

Matthew 16:24

Then Jesus said to His disciples, “If anyone desires to come after Me, let him deny himself, and take up his cross, and follow Me. 25 For whoever desires to save his life will lose it, but whoever loses his life for My sake will find it. 26 For what profit is it to a man if he gains the whole world, and loses his own soul? Or what will a man give in exchange for his soul?”

Oh. That sounds a lot harder than go to church every week and pay my tithes. If the church has become a business and is dependent on these “tithes”, there is no way that they will be straight with you regarding the cost of following Christ.

Leaving All to Follow Christ

25 Now great multitudes went with Him. And He turned and said to them, 26 “If anyone comes to Me and does not hate his father and mother, wife and children, brothers and sisters, yes, and his own life also, he cannot be My disciple. 27 And whoever does not bear his cross and come after Me cannot be My disciple. 28 For which of you, intending to build a tower, does not sit down first and count the cost, whether he has enough to finish it— 29 lest, after he has laid the foundation, and is not able to finish, all who see it begin to mock him, 30 saying, ‘This man began to build and was not able to finish’? 31 Or what king, going to make war against another king, does not sit down first and consider whether he is able with ten thousand to meet him who comes against him with twenty thousand? 32 Or else, while the other is still a great way off, he sends a delegation and asks conditions of peace. 33 So likewise, whoever of you does not forsake all that he has cannot be My disciple.

The first reason is so that they don’t scare the people away and the second is because they don’t really know who Jesus is.

John 6:66 From that time many of His disciples went back and walked with Him no more.

John 15 “I am the true vine, and My Father is the vinedresser. 2 Every branch in Me that does not bear fruit He takes away; and every branch that bears fruit He prunes, that it may bear more fruit. 3 You are already clean because of the word which I have spoken to you. 4 Abide in Me, and I in you. As the branch cannot bear fruit of itself, unless it abides in the vine, neither can you, unless you abide in Me.

5 “I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing. 6 If anyone does not abide in Me, he is cast out as a branch and is withered; and they gather them and throw them into the fire, and they are burned. 7 If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you. 8 By this My Father is glorified, that you bear much fruit; so you will be My disciples.

Truth

This is where all modern churches fail. Yes, I said ALL. They spread lies to keep their cozy little gigs going.

The “Prosperity Gospel” is scorned by most of the modern churches publicly. The problem is that they all seem to practice one form or another of this very despised theology. The love of stuff and things is called serving the god of mammon.

All the “successful” and “holy” people in the church seem to have these wonderful homes and two cars and kids in university. It is implied that once you get “close enough to God” you’ll get these “blessings” too. That sounds an awful lot like the “American Dream” doesn’t it? That’s the religion of mammon.

You Cannot Serve God and Riches

Matthew 6:24 “No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon.

Matthew 19:21 Jesus said to him, “If you want to be perfect, go, sell what you have and give to the poor, and you will have treasure in heaven; and come, follow Me.”

Luke 3:11 He answered and said to them, “He who has two tunics, let him give to him who has none; and he who has food, let him do likewise.”

John 21:17 He said to him the third time, “Simon, son of Jonah, do you love Me?” Peter was grieved because He said to him the third time, “Do you love Me?”

And he said to Him, “Lord, You know all things; You know that I love You.”

Jesus said to him, “Feed My sheep.

Micha 6:8

He has shown you, O man, what is good;
And what does the Lord require of you
But to do justly,
To love mercy,
And to walk humbly with your God?

Treasures in Heaven

19 “Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. **20** But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. **21** For where your treasure is, there your heart will be also.

Matthew 28:19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, **20** and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

This is what God really wants from us.

When we give God our best time and lots of it, we encourage the fellowship with His Holy Spirit. The Holy Spirit leads us into all truth. Sometimes the truth and the lessons can be painful. We may avoid the pain of the lesson, but in doing so will also avoid the blessings that God wants to give us from the pain.

This is when we stop growing. Pain and suffering are part of the experience of faith. God wants us to experience our relationship with Him on a daily and hourly basis. God will use painful experiences to draw us closer and to show us how much He loves us. The lie from Satan is that the pain is forever. It's not. The bible says joy comes in the morning!

Psalm 30

**4 Sing praise to the Lord, you saints of His,
And give thanks at the remembrance of His holy name.**

**5 For His anger is but for a moment,
His favor is for life;**

**Weeping may endure for a night,
But joy comes in the morning.**

In my own life I have submitted to the pain and asked God to teach me the lesson. One example was my one bedroom apartment. That was seven weeks of pain that taught me a great many things. The most important was humility and to trust God and His promises no matter what we see.

It can be pretty hard to trust God when you have no job, decreasing funds and are crammed into a one bedroom apartment with 3 boys. Oh, and the apartment has cockroaches. That was painful. It was easier to accept though because I knew that God had my back and there was a reason for these circumstances

An old Pastor gave me a quick mini-sermon one day. Pastor Green said that the Lord says His Word is a lamp unto my feet and light unto my path. A lamp's light only travels far enough for the next step. God only shows us our path on a daily basis. He may give us visions of the future, but the plans and our comprehension is very limited. One day at a time. Sufficient for the day is the evil therein.

Proverbs 16:9 A man's heart plans his way, But the Lord directs his steps.

So I trusted God and did whatever He told me to do as I waited. God was showing me that He had a plan and I was to just mellow out and watch it unfold.

Seven weeks later, I get my very rare, 3 bedroom apartment. We had

settled into the new apartment just in time for the first wave of Covid. I had to go through some pain. I learned what the Lord wanted to teach me and then the pain ended when He provided me with the best place for me and my family to be to ride out the pandemic.

That's how much God wants us to trust Him. With everything all the time. God is more than able to do anything He wants and anything we may need. When we come to God with a thankful, humble heart and ask Him for something we need, it gives the Father great joy to give us the kingdom! God wants that closeness of relationship where we respect God for who He is and obey Him as He teaches us how to live and love.

Most of us already know what it's like to live life without God or to live an unsatisfying, dead faith but do you know of the blessings that God will pour out on those who follow Him?

I'm gonna bet no.

We've all seen that person or people who you just "know" are close to God. I'm certain that there's at least one in every church. Someone who really walks with God and knows Him. You will feel the love flow from their hearts.

Since God owns everything and everything is made for God's own purpose and pleasure, we worship God in humility because we understand that without Him we can do nothing.

When we worship the Father in spirit and in truth, He pours His love into our hearts which enables us to do anything He asks of us. As we obey Him and walk in faith, the Lord draws closer to us and He will overwhelm us with His presence on a daily basis!

As we get closer to the Lord day by day, He teaches us His Word and gives us examples of how much He has loved us through our lives. He will show us where He has intervened and saved us and where He has let us experience something painful. Maybe the pain was to gain empathy for people who are suffering? God will often do this so that we can have a ministry helping other believers using our own previous experience.

This time with God each day is where the Spirit of God can do the work

that God wants to accomplish in us. When we worship the Lord for who He is and dedicate our lives to Him and His cause God pours His love into our hearts in such volume that the love has no choice but to escape through our hearts out of which flow living waters!

There are times when I ponder God's goodness to me and I am overcome by the Spirit and feelings of joy so strongly that I can't speak! This is where God wants us to live. In His Spirit without a care in the world, depending on Him daily and praising Him continually!

God is love. Love comes from God and one of God's main rewards to us is His overflowing love for us and the evidence of that love! How can you get any love then if you don't spend any time with God? You're certainly not going to have this closeness to God from an hour a week in a cult.

Conversely, if you FIRST daily spend an hour a day with the Lord in humility, prayer and worship the Lord Jesus Christ will change you! I've read a lot of the promises in the bible and often wondered when exactly these things happen? Take the one about living waters as an example.

John 7:38 He who believes in Me, as the Scripture has said, out of his heart will flow rivers of living water."

How else do we expect this to happen if we don't spend any time with God? We certainly can't expect any church to show us the way to God because they don't know themselves. Martin Luthor talked about this hundreds of years ago and the churches still don't get it. Most people think that they still need to work their way into heaven, they don't.

Ephesians 2:8 For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, 9 not of works, lest anyone should boast.

Numbers 6:

24 "The Lord bless you and keep you;
25 The Lord make His face shine upon you,
And be gracious to you;
26 The Lord lift up His countenance upon you,
And give you peace." '

Theology - Money and the church

I think that before we can deal with tithing we must deal with truth; specifically the truth about the Bible. Do we really believe that the Bible is true? I'm sure quite a few people will say yes to this without having any idea what the book really says. Certainly in my experience, most people who claim to be Christians don't follow the Bible and they don't even realize it. They think that they're doing fine because their church tells them that every other Sunday.

2 Timothy 3:16 All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, 17 that the man of God may be complete, thoroughly equipped for every good work.

This scripture is where almost all churches break down. It says all. All means all. The beginning of the lies of Satan are, "oh that's not what it really means" or "that was only for the Old Testament".

When man questions God, he is saying that man knows better than God and that God must have made a mistake somewhere along the line. These people are serving a weak, imaginary god based on their own pride. God says that He resists the proud but gives grace to the humble.

I lived this proud life in the modern church for over 20 years. I didn't get very close to God at all during those years. I could "do it myself." I would commit to church and God and the life He called me to: or so I told myself. Church after church we would try to fit in and be a part of a congregation. Every time something would happen that would blow up the church and we were usually in the middle of it. People would be blatantly disobeying the Word of God and no one could see it or understand it. I would point out the transgressions and become the bad guy and asked to leave. The sin of hurting their feelings was worse apparently than disobeying God.

I understand the root cause now years later; these "Christians" simply did not believe the Word of God because their church had become a social club more intent on keeping membership numbers up. The stark reality is that every church I've ever been to has ignored the Word of God and the evidence proves out the scripture.

Hebrews 11:6 But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him.

How can you believe that God is who He says He is if you don't believe the Bible?

God says there are not to be denominations yet here we are. The "leaders" of these churches disobey God on key points of scripture and make up rules on their own and force the congregation to follow them. This translates to: were just gonna tell people the Bible means what WE tell them it means. Those "other churches" aren't as "spiritual" as us so they don't know anyway.

Sectarianism Is Carnal

3 And I, brethren, could not speak to you as to spiritual people but as to carnal, as to babes in Christ. 2 I fed you with milk and not with solid food; for until now you were not able to receive it, and even now you are still not able; 3 for you are still carnal. For where there are envy, strife, and divisions among you, are you not carnal and behaving like mere men? 4 For when one says, "I am of Paul," and another, "I am of Apollos," are you not carnal?

So how do these churches expect to obtain the blessings of God when they directly disobey Him? If these people ignore scripture and make up their own rules, God doesn't listen to them.

Matthew 15:9 And in vain they worship Me, Teaching as doctrines the commandments of men.' "

So now you have these denominational churches who do not believe the Bible and directly disobey God to the point where God says, "I don't hear you!"

Well, that's certainly a problem. How to pay for the salaries of the staff and the costs of these buildings if God isn't listening to them?

I guess these churches are going to have to make the Bible sound the way that they want it to sound. Enter the greatest lie in "the church"; tithing.

Tithing is religions way of twisting scripture to guilt people into paying for a lifestyle that God never ordained. If you want to cut off the head of a beast, go for the money. The battle has always been between God and mammon. Do you trust God or do you trust in your money?

Worship of Satan is performed with and for money or mammon.

The devil has convinced “the church” to adopt a system that is completely opposite of what Christ taught. Turning churches into corporations has made these groups carnal in their desires. I used to laugh at people who wondered if the devil went to church? Of course he goes to church, the people there are worshipping him instead of God half the time. That’s exactly what got Satan kicked out of heaven in the first place!

Remember, the devil is a liar. Of course any religion that he is a part of is going to lie. All the time.

I’ve previously covered that any church who teaches that man made rules are actually commandments of God are worshipping God in vain. God is not listening to them. If God is not listening and “miracles” happen, somebody or something must be performing these signs and wonders. The Bible says that the devil comes as an angel of light performing signs and wonders.

2 Corinthians 11:7 Did I commit sin in humbling myself that you might be exalted, because I preached the gospel of God to you free of charge? 8 I robbed other churches, taking wages from them to minister to you. 9 And when I was present with you, and in need, I was a burden to no one, for what I lacked the brethren who came from Macedonia supplied. And in everything I kept myself from being burdensome to you, and so I will keep myself. 10 As the truth of Christ is in me, no one shall stop me from this boasting in the regions of Achaia. 11 Why? Because I do not love you? God knows!

12 But what I do, I will also continue to do, that I may cut off the opportunity from those who desire an opportunity to be regarded just as we are in the things of which they boast. 13 For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. 14 And no wonder! For Satan himself transforms himself into an angel of light. 15 Therefore it is no great thing if his ministers also

transform themselves into ministers of righteousness, whose end will be according to their works.

Since the devil is the ruler of this age, and he controls all the money or the people handling the money, it would be trivial for him to “imitate god” and “punish” people for not tithing. This is how the devil convinces people that tithing is “biblical”. Anytime something breaks or added expenses occur it is blamed on “not tithing”.

Satan twists scriptures and then intervenes in their lives enough to convince them that they **MUST OBEY THE CHURCH LEADERS** in everything!! This is very similar to cult indoctrinations. God says to test all things.

1 Thessalonians 5:16 Rejoice always, 17 pray without ceasing, 18 in everything give thanks; for this is the will of God in Christ Jesus for you.

19 Do not quench the Spirit. 20 Do not despise prophecies. 21 Test all things; hold fast what is good. 22 Abstain from every form of evil.

These church leaders all reinforce this bad theology in order to keep these cushy jobs and to obtain the adulation of the congregation. It’s in their own self-interest; all based in pride. They may be the “nicest guys” but how is this: deny yourself, take up your cross and follow me?

More like \$80k a year and I’ll see you Monday on the golf course. Oh, unless we need to do a “mission trip” to the Caribbean in the winter... and take all of our wives so we can stream and brag on Sunday while you all freeze back home. “We’re doing such good work with your money here.” said the contemptible glory hounds.

God is supposed to be first in every aspect of our lives. We are supposed to depend on God for everything.

There are not supposed to be different denominations. It’s not “different teams” God was very clear in the New Testament regarding division. Anyone who picked teams like that was called carnal. Here’s how these carnal organizations actually work.

Religion uses tithing as the primary way to pay for these false teachers and their corporations disguised as churches.

There is no biblical requirement for tithing.

Thomas Schreiner masterfully explains 7 reasons why Christians are not required to tithe. Here are the main points:

1. Believers are no longer under the Mosaic covenant
2. The examples of Abraham and Jacob are not normative patterns.
3. Tithes were given to the Levites and priests, but there are no Levites and priests in the new covenant.
4. The tithe is tied to the land Israel received under the old covenant.
5. If tithing is required today, how much should we give?
6. When Jesus affirmed the tithe, it was before the dawn of the new covenant
7. Nowhere is tithing mentioned when commands to give generously are found in the New Testament.

There is no biblical requirement for seminary either. Seminary is an extension of the education system which itself is another scam. Seminary is all pride based.

“Look how smart I am!! Look how many degrees I have. Look how holy I am. You should obey and respect me.” say the false preachers.

Hmm. I’ve heard that somewhere before:

Woe to the Scribes and Pharisees

23 Then Jesus spoke to the multitudes and to His disciples, 2 saying: “The scribes and the Pharisees sit in Moses’ seat. 3 Therefore whatever they tell you to observe, that observe and do, but do not do according to their works; for they say, and do not do. 4 For they bind heavy burdens, hard to bear, and lay them on men’s shoulders; but they themselves will not move them with one of their fingers. 5 But all their works they do to be seen by men. They make their phylacteries broad and enlarge the borders of their garments. 6 They love the best places at feasts, the best seats in the synagogues, 7 greetings in the marketplaces, and to be called by men, ‘Rabbi, Rabbi.’ 8 But you, do

not be called ‘Rabbi’; for One is your Teacher, the Christ, and you are all brethren.

Oh, lots of burn here.

God says that He calls people to ministry. After He calls them He equips them. The bar that the Lord has for His people is very high. God does not want us being poor witnesses. In fact there are some pretty stiff penalties for people who lead God’s people astray.

Jesus Warns of Offenses

Matthew 18:6 “But whoever causes one of these little ones who believe in Me to sin, it would be better for him if a millstone were hung around his neck, and he were drowned in the depth of the sea.

There is a reason why God does things His way and not through seminary. The main one being that God requires His servants to depend on Him alone for everything. This cannot be taught to a rich person sitting comfortably in their living room.

The trust that God wants us to have in Him must be experienced. When we experience great pain or suffering or need and call upon the Lord, God in His great mercy answers our prayers to show us how much He loves us. God doesn’t want your money, He wants your heart just as any loving father wants his kids to love him and spend time with him.

Rich people trust their money more than they trust God because they have no idea who God really is or they’re worshipping Satan instead. Of course these people are deceived into worshipping Satan, that’s how the devil works. He is the father of lies.

There is also no model for this lazy modern preacher in the bible. Nice gig if you can get it. The apostle Paul went to great lengths in Corinthians to show that people that he had as much right as any of the priest of old to the “offerings of the altar”.

Pastors LOVE that scripture. That’s their proof that you must pay tithes to keep them in their comfort. It’s a shame that they didn’t read the last part:

1 Corinthians 9:15 But I have used none of these things, nor have I

written these things that it should be done so to me; for it would be better for me to die than that anyone should make my boasting void. 16 For if I preach the gospel, I have nothing to boast of, for necessity is laid upon me; yes, woe is me if I do not preach the gospel! 17 For if I do this willingly, I have a reward; but if against my will, I have been entrusted with a stewardship. 18 What is my reward then? That when I preach the gospel, I may present the gospel of Christ without charge, that I may not abuse my authority in the gospel.

Oh. Without charge. Hmm. They certainly don't preach that part in church on the yearly "beat the tithe drum sermon".

Jesus said that they would know you by your love... not your "likes". Is the following the love that you think of when you meet a "Christian"?

The Greatest Gift

13 Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

The "church" is the body of Christ... not a building. The building is a meeting place and since it is set up exactly the same as a corporation, why shouldn't it be taxed the same as any other social club? Modern churches are little more than social clubs with a side of "outreach".

I can't find any reference to our modern churches in the New Testament. They met in homes in small groups for a multitude of reasons.

The prosperity gospel is the ultimate blasphemy. Worshipping money as god. A pyramid scheme dressed up as spirituality. Again, this takes hold

for exactly the same reason people believe in tithes. Satan will imitate God and mess with peoples finances if they don't keep supporting these misguided "churches". Conversely Satan can pour wealth on those who serve him.

Jesus lived what He preached. He knew that the Father would provide all of His needs and proved it by not carrying around a bank card or wallet full of cash. That takes huge faith!

When we submit completely to the Lord and His Will, He indeed does supply all of our needs in some of the most crazy ways imaginable! I mean if Jesus gave Peter money from the mouth of a fish anything is possible. The more incredible the story, the more the power of God is displayed!

Theology - Show me don't tell me

There are really only two choices. You either believe that stuff just happens and man is in control of his own destiny or you believe in a God that created heaven and earth and is in control of everything.

My favorite rock band has a decidedly worldly view on this issue in their song Roll the bones:

Rush - Roll the bones

Why are we here?

Because we're here, roll the bones

Roll the bones

Why does it happen?

Because it happens, roll the bones

Roll the bones

I don't know about you but that's pretty depressing. This song basically says that shit happens and there's nothing you can do about it. Hope for luck. What a philosophy. Yikes.

Our North American culture has told us for years about how great we are. How we deserve so much. How we need to fight for our rights. How we earned this, whatever "this" is. The focus has been on self for so long that we've turned the world into a bunch of narcissists. You're not a person. You're a consumer. You need to consume stuff to be happy or that's what all the advertising always tells you. The economy depends on you buying stuff too. We have to keep everyone working so they can buy more stuff.

We're told that if we work hard enough we can buy that "one big thing" that's going to change our life and make us happy.

You know in your heart that these are all lies and that any life based on worldly stuff is shallow and meaningless. I don't have to prove anything, we've all been there at least once. Sitting with our thoughts wondering if this is really what life is all about? The accumulation of crap?

It's not.

Einstein said, "God does not play dice with the universe."

God says that the earth is the Lord's and the fullness thereof.

So what is it?

There really is only two choices or two paths we can take.

“No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon.

It takes faith to believe any explanation. I think it takes more faith to believe that a fish crawled out of the ocean and grew legs than to believe in Jesus, but to each their own.

Evolution teaches that man is god and can only depend on man to solve his problems.

Satan would have you believe that if you work hard enough you can be rich too just like the famous happy people you see on TV all the time. Never mind that the game is rigged and there's little chance for you to actually succeed. The big boys have all the money and they don't share.

The greatest lie of the world is that if I just get that “next great thing I'll be happy.”

Be truly honest with yourself now. Do you know any rich people who are content and at peace?

I don't. Their money does not bring peace or comfort, quite the opposite actually. Like I said in an earlier story, God blessed my family with enough money to test this theory that money brings happiness. It didn't for us.

We had every conceivable toy and game that we wanted. We were blowing about \$1200 a month on restaurants. Excessive purchases in hopes of getting some joy from this stuff. We would find out later that my ex was buying all this crap trying to compensate for the oncoming negative bipolar symptoms that would eventually end the marriage in 2017.

None of this crap brought lasting joy. The kids would be moving stuff

around the house repeatedly as the ex tried to “organize” all this junk. They were sick of it all a long time ago.

The money gave me a false sense of security. Depending on money and stuff was no way to live. There was no peace. There was at least one huge argument every month. Being “rich” actually sucked pretty hard. There was no joy or peace, just money.

My own personal experience mirrored my in-laws from hell. My father-in-law was a big shot at Pepsi for years. Way too much money. His ex, my ex-wife’s mother, was the stingiest tightwad banker I’ve ever seen. She’d use one sheet of toilet paper to clean her glasses, blow her nose and wipe her butt! These people had way more money than me and they were miserable people in every aspect. They both used money as their only means to control people.

This worship of money has given us this for a society:

2 Timothy 3

But know this, that in the last days perilous times will come: 2 For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, 3 unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, 4 traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, 5 having a form of godliness but denying its power. And from such people turn away!

The most disturbing part of that scripture to me is the part “having a form of godliness but denying its power”. These people think that they’re Christians! That’s really not a surprise considering the prosperity gospel preached in America. The god of America is really money, not Jesus.

Jesus teaches us that God is our Father in Heaven who wants us to depend on Him for everything.

It’s become quite apparent to me that God intends to make me live out all of these lessons. God is using circumstances in my life to teach me and to give me credibility. Yes, I have lived the life of a rich man for over 5 years and it sucked. I was dependent on my own efforts and abilities instead of God. I wasn’t happy and I was crying out to God for a couple of years for

God to either heal my wife or remove her. I was tired of this life of hell.

I was “playing Christian” just like most people in the church these days. No commitment. The North American churches really are the Church of Laodicea in Revelation:

The Lukewarm Church

14 “And to the angel of the church of the Laodiceans write, ‘These things says the Amen, the Faithful and True Witness, the Beginning of the creation of God: 15 “I know your works, that you are neither cold nor hot. I could wish you were cold or hot. 16 So then, because you are lukewarm, and neither cold nor hot, I will vomit you out of My mouth. 17 Because you say, ‘I am rich, have become wealthy, and have need of nothing’—and do not know that you are wretched, miserable, poor, blind, and naked— 18 I counsel you to buy from Me gold refined in the fire, that you may be rich; and white garments, that you may be clothed, that the shame of your nakedness may not be revealed; and anoint your eyes with eye salve, that you may see. 19 As many as I love, I rebuke and chasten. Therefore be zealous and repent. 20 Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me. 21 To him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne. 22 “He who has an ear, let him hear what the Spirit says to the churches.” ’ ’ ”

The God of Heaven and Earth is our Heavenly Father who cares for us and loves us beyond our understanding. We have a hard time wrapping our heads around the fact the God loves us when we can be such horrible people. God loved us first. Before we even have any concept of God, He loved us. Jesus died for us while we were far from God.

We often judge our actions harshly and hold others accountable as well.

This is exactly how Satan wants us to view God; a harsh judge ready to punish us for our transgressions the second we step out of line. Again, all lies meant to deceive you into joining the devil in hell. Remember, Satan is a liar and this is one of his most favorite lies.

To fully comprehend the meaning of life and why we are here, we need to recognize and accept the true nature of God.

God is big on credibility. That's one of the reasons why He sent Jesus in the first place. The last thing God wants to hear in heaven in some Karen or Chad screaming, "But you don't know what it's like to live here!" Ahh, yes He does. God sent His only son for exactly this reason. Jesus suffered all of the same temptations that we face, and overcame them showing His power. God showed us His credibility first.

Jesus showed the world who God was through stories and His experience of living with the Father daily. God the Father gave us the family structure to provide us with a living example of His love for us. Here's that credibility again, we know how much God loves us because we know how much we love our kids. The relationships are exactly the same!

The basis for understanding our purpose in life is the acceptance of the fact that God does indeed love all of us regardless of our behavior. That does not excuse or remove any impending judgment or consequences by the way. Coming to faith in Christ will not remove the consequences of our actions but it will give us the ability to depend on the Grace of God to get through whatever nightmare we bring upon ourselves.

God does not want us to suffer forever. That's another of the devil's lies. Hell was created for Satan and his demons. It's God's will that none should perish. Sometimes the only way to learn the lesson that God needs us to learn is through suffering. It's hard to be proud while face down in the dirt, unable to save yourself.

Suffering brings humility because we realize that we can't do everything ourselves. Self directed lives are very unfulfilled because they often revolve around narcissism. God wants us to depend on Him for everything in contrast. Jesus was our example and He depended on the Father for everything so much that didn't even carry cash!

God desires to give us every blessing. Peace, joy and love come from God because God is love.

It's the Father's good pleasure to give you the kingdom.

When God says no, He's often protecting us. We tell our kids not to touch a hot stove because they will get hurt. The reason that God is against sin so much is because He knows the damage that it does to our hearts and bodies. God is not "stopping you from having fun" He's trying to save your heart and soul.

All things are legal but not all things are profitable. This means that God is not going to stop you from having alcohol. (or coffee if you're Mormon)

Jesus sat with the sinners in a bar. A lot. Do you think He just sat there and did nothing? Of course He drank wine, He admitted that. He was drinking and telling stories in the bar to the people that needed to hear the truth about God from someone who was walking with God! God loves everyone. Even drunks in a bar. Everybody needs a chance to hear the gospel.

Matthew 11:18 For John came neither eating nor drinking, and they say, 'He has a demon.' 19 The Son of Man came eating and drinking, and they say, 'Look, a glutton and a winebibber, a friend of tax collectors and sinners!' But wisdom is justified by her children."

Can you picture a guy like Rev. Lovejoy from the Simpsons trying to talk to somebody in a bar? LOL fat chance there!

I'm a heavy medical cannabis user. People also use cannabis recreationally. I really don't like alcohol. God has put me in a bar and has given me a chance to show people who Jesus really is with the legalization of cannabis. People will smoke joints with me. :-)) How freaking cool is that? God gave me proof that cannabis can break down barriers and I can be just like Jesus!

The body is the temple. We need to be good stewards and look after our bodies and cannabis is so much better for my body than the pharmaceuticals (read: witchcraft) I was taking.

There is a reason why sexual sin is the worst sin and also the one that Satan encourages the most.

1 Corinthians 6:7 Now therefore, it is already an utter failure for you that you go to law against one another. Why do you not rather accept wrong? Why do you not rather let yourselves be cheated? 8 No,
88

you yourselves do wrong and cheat, and you do these things to your brethren! 9 Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites, 10 nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God. 11 And such were some of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God.

Notice that the sexual sins are all mentioned first? None of these people are getting into heaven. There are people who used to be like this but they repented and became part of God's family. They do not practice these things anymore.

10 When Jesus had raised Himself up and saw no one but the woman, He said to her, "Woman, where are those accusers of yours? Has no one condemned you?"

11 She said, "No one, Lord."

And Jesus said to her, "Neither do I condemn you; go and sin no more."

People still seem to not understand Grace. Paul tries to clarify here.

Glorify God in Body and Spirit

12 All things are lawful for me, but all things are not helpful. All things are lawful for me, but I will not be brought under the power of any. 13 Foods for the stomach and the stomach for foods, but God will destroy both it and them. Now the body is not for sexual immorality but for the Lord, and the Lord for the body. 14 And God both raised up the Lord and will also raise us up by His power.

15 Do you not know that your bodies are members of Christ? Shall I then take the members of Christ and make them members of a harlot? Certainly not! 16 Or do you not know that he who is joined to a harlot is one body with her? For "the two," He says, "shall become one flesh." 17 But he who is joined to the Lord is one spirit with Him. 18 Flee sexual immorality. Every sin that a man does is outside the body, but he who commits sexual immorality sins against his own body. 19 Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your

own? 20 For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's.

This is the cold hard reality that most "Christians" avoid like the plague.

For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's.

So God owns your body and spirit because it was paid for by the blood of Christ. They don't really teach this stuff with passion in church do they?

Next bombshell?

Followers of Christ don't have free will anymore either. God says the we have desires of our hearts, but that's not the same as freewill. We are supposed to pray for God's Will to be done. Choose this day whom you will serve.

God has given us all talents and abilities. Contrary to the world's view, we are to use these gifts for the glory of the God who gave them to us.

So the world will give you two choices:

Follow Satan and go to hell while you experience every sin imaginable...

or

go to a dead "church" and be a "Christian" in a worldly church that doesn't know God.

Neither of these choices will bring about the true peace and joy that we all crave.

How about option 3?

There is no magic salvation prayer in the bible. Following Christ does not mean simply saying some magic words and showing up for an hour a week and dropping \$20 in the basket.

It's a lie to tell people that "they're saved" by simply saying a prayer. God

rightfully demands so much more from us. We are to work our our salvation with fear and trembling.

I lived in the church for over 20 years. The most “spiritual” thing that would happen to me would be that I would start crying during worship when the service or song was really powerful and I sensed the Spirit of God. That was my introduction into the evidence of the Spirit. Just enough of a hint to say that, “There’s more!”

Jesus says to take up our cross daily, deny ourselves and follow Him. I never did that in the church. Nobody I knew even had the slightest clue even how to do this? My heart was not changed in the churches in over 20 years no matter how many sermons I heard or how much money I gave to the church. After all that time and effort I really wasn’t any different that I was before the church “conversion”.

Jesus also says to depend on God for everything. That’s really hard to do.

Jesus also says to obey Him. Umm, the parts I agree with? LOL, NO! In everything!

Jesus also says to put God first before everything else. This stuff all sounds so hard that it’s almost impossible. I’m hoping you’re asking, “How did you do this and what’s the payback?”

Theology - Daily time with Our Father

Matthew 6:6 But you, when you pray, go into your room, and when you have shut your door, pray to your Father who is in the secret place; and your Father who sees in secret will reward you openly.

When my ex-wife was taken out of our home in 2017, I finally came to God and gave up trying to fix everything myself. I had failed miserably and was finally ready to allow God full control of my life. This was very scary to me at the time. I had no clue what was coming.

I began to obey the Lord in everything. God started asking me to do things and I found that when I obeyed, God would bless me in some fashion. As this relationship started to progress, God asked me to spend more time with Him. I complied by making a song list for a morning worship and prayer time. I had promised God that I was going to spend an hour a day in worship every day for a year to see what would happen. I became my own scientific experiment!

The songs and order are very important. Each song deals with an item of faith and as we listen to the songs, scripture is being spoken to our hearts.

Romans 10:17 So then faith comes by hearing, and hearing by the word of God.

My morning worship songs and their doctrine.

1. I Shall Not Want - Audrey Assad

This song reminds us that God supplies everything we need and sometimes He makes us lay down and rest for our own good. God loves us! We only need to be concerned for today.

2. Only From You - Jason Upton

Every good and perfect gift comes from God. Everything we have comes from the Lord because He loves us.

3. My Heart is Yours - Kristian Stanfil

This song has become my morning prayer as I commit my heart to the Lord each day. I ask the Lord to use me for His kingdom however He sees fit. I submit my will to that of the Father each day during this song.

4. Hallelujah - Heather Williams

Lord Jesus, please come into my life today and lead me to be who You want me to be regardless of how much of a screw-up I think I am.

5. Come Holy Spirit - Vertical Worship

Holy Spirit fill me with your presence today. Guide me to do the will of my Father in Heaven today. Lead me into all Truth and take control of my life today as I joyfully serve my Lord!

6. Scars - I Am They

Father, thank you for the painful experiences that I have lived through. You have used these to show me how personally involved You are in my life and how much You love me! I am thankful that these rough times are gone for now and very thankful for the lessons that I could only learn through the pain of experience.

7. Maker - Woodlands Worship

No matter how hopeless things may seem, God will always make a way for us. Often in the most amazing ways to demonstrate His power to us!

8. The Way - Jeremy Camp

Jesus is the Way, the Truth and the Life! This song is four minutes of basking in the Love of our Saviour as the Holy Spirit flows through my body giving me the sensation of unspeakable joy and peace beyond understanding!

God created us to worship Him and He will do incredible works in your life if you submit to His will.

Each day I start by smoking a joint and having a coffee. I then read ODB.org Daily Bread message and scripture. When I' finished, I go to lie down and play this list listening with headphones.

I would go into the worship "high" and completely relaxed, but by the time the songs were over I would be filled with the presence of God's Spirit. This was very cool! I would begin to sense a peace that I never felt before. Search my username (mrbc) on Spotify to find the worship list.

I have continued this practice to this day; over 3 years now and the results are life changing and astounding! I cannot overstate the value of listening

to worship music! This is the single most important way to increase our faith! Recently, once my morning session of 8 songs is complete, I have begun to listen to the rest of the set list throughout the day.

God is the author and the perfecter of our faith. By spending so much time with God and obeying what He tells me, I have been able to get closer to the Lord than I ever imagined possible! The Lord Himself has been teaching me by the Spirit of God who leads us into all truth!

Each day I offer my life to Jesus in worship through these songs. I ask Jesus and the Holy Spirit to fill me each day and guide me to do the will of the Father, just as Jesus did. I pray for the Lord's will to be done in my life and for me to only depend on my Father in Heaven. Every good and perfect gift comes from the Father above who shows no shadow of turning. The Lord gives insight and wisdom to those who diligently seek Him. Words cannot convey the amount of love that God will pour into our hearts when we completely surrender everything in our lives to Him.

I cannot be more thankful to the Lord for not only His great blessings of wealth for a time, but the great blessings of need where I had no choice but to depend on my father in heaven for everything.

I thank God that I lost \$250k on my house and then the ownership of my house. I am free from the chores and responsibilities so that I can serve the Lord fully!

I thank God that I could give up everything for Him when I had very little faith.

I thank God for the fire that destroyed the crap I was paying rent to store. I now have the freedom to travel.

I thank God that I get to depend on Him each day. It's all His stuff so it's all His problem! Do you have any idea how liberating that is?

Most of all though, I thank God that through all of the hardships He has PROVEN to me beyond a shadow of a doubt that He loves me and wants the best for me and will supply all of my needs forever! When I die I know that I go to be with Him forever! Dying to self and stuff is the most liberating experience on earth! God will do all of this for you too! God does

not show partiality; we are all equal in God's eyes!

It is such a culture shock and impossible to do on our own. We need Jesus and to spend quality time with Him. We need to prove to Him that He really is #1 in our lives all the time. God is a very jealous God. He calls it harlotry when we love the world.

Finally, after 2000 years of lies, God has revealed to us the true meaning of life and how to get there! Worship is the path to proper fellowship with God! If we abide in Jesus, God will give us the desires of our hearts and we will do great things for God which proves that we are Jesus' disciples!

I "got saved" in 1979. I spent the next 40 years in and out of churches. None of them knew what they were talking about. God chose me for this task in 2017 and then God went about making me capable.

Twenty years of church attendance and tithing did not bring me closer to God. I played on worship teams and participated in extra activities in the churches but I was not getting anywhere near God and I couldn't understand why. I knew in my heart that God was real so why did all these churches suck so badly? Well you know that now from Chapter 3.

The only thing that I supply here is a willing heart in obedience the Lord. I really have done nothing on my own to advance my faith, God started calling me when I was a little kid and He has patiently waited for me.

God had the grace and patience to wait 40 years for me to smarten up and come to Him. God saved me in so many ways even though I was still an idiot who wouldn't listen to Him properly at this point.

It was the Lord that removed my ex-wife from the home and gave custody of our 5 children to me.

After my divorce, God brought a woman into my life that had experience with a machine that used sound and light to "rewire" peoples brains. I used this device and it repaired the damage from the abuse I suffered from an undiagnosed bipolar wife for 20 years. My son used this device as well and it certainly helped him also.

This device played some sounds and flashed a light pattern into goggles

worn by the user. Users are encouraged to listen to music while this half hour session progressed. This was my first introduction into meditation. These sessions removed stress from my body and helped me to fully relax.

Once that woman was out of my life, God led me to begin these morning worship sessions.

It was really hard to get started. I had made a commitment to the Lord that I would continue this routine for a year and examine any possible benefits. I started by listening in my office on the stereo while I laid on the couch. It wasn't long and distractions forced me into my bedroom instead.

I was forcing myself to listen for the first week but the Lord rewarded my faithfulness on the 7th day! That session was very powerful and was encouraging me to continue. I could sense the Spirit of God as I listened to the songs.

After the first month, the same thing happened. I started calling this phenomenon "levelling up" like in a video game. I soon discovered that the longer I kept this up the closer I was getting to God. I became more and more thankful to God and as I did, He would show me more ways that He had always looked after me.

This is how we develop a personal relationship with our Lord! God inhabits the praises of His people so if you want to be close to God, just worship Him!

I never, in 20 years of going to church, developed a proper and close relationship with the Lord because I had no idea how to start. I don't think people understand how much God does love us and how much He will do for us.

Let me show how personal our God can be and how far reaching this fact can be and how little control we really have of anything.

When I was about 13 we lived on a farm. My uncle brought a drum set to our rec room and a friend of his taught me some basic drum rudiments and how to keep a beat. I wore out a crappy rock mix 8 track that summer learning how to play. We moved from the farm and drumming was abandoned.

About 4 years later we are living in town and my cousin Janet invites me to her 16th birthday party. It was on a beautiful summer day. At this party she had a friend that had come from Toronto named Sandy. I really liked Sandy but thought she was out of my league and she lived too far away anyway. At the end of the weekend we all piled into the back of a pickup truck with a cap and took her back to Toronto. I just remember wanting to be close to her for the trip. I thought this would be the last time I saw her.

I had my own October surprise that year. Sandy had packed her guitar case with her clothes and left as if she was going to her weekly guitar practice. She jumped on a bus and basically ran away from home to live at my cousins house instead. I no time she made me her boyfriend.

Sandy brought with her some records. There was Aerosmith and Kansas and this band called Rush with an album called Farewell to Kings. My aunt had one of those old one piece record players in a front room where we all hung out on weekends. I needed to hear this stuff.

I smoked a joint, grabbed the album cover and laid down with my head between the speakers to hear this Rush album. To say that my mind was blown would be a great understatement. The music was complex and futuristic, the lyrics were incredible and the musicians were unmatched in their abilities. This was early 1978. I was hooked! I wanted to be a drummer right now!

Somehow God had provided me with tickets to a Rush concert in Guelph. This was going to be my second concert ever and they were touring on the Hemispheres album. I had listened to this album for a few months now and was very familiar with their music by now. I didn't have a car but another cousin was going to come and her boyfriend was to drive us.

They bailed at the last minute but thankfully still took me to the concert and back.

There was less than 2000 people at that Rush gig but the boys blew our minds. They played 2112 in it's entirety for an encore. I still thank God for letting me go to that show! God used that show as inspiration to motivate me to start playing drums and this would change my life forever!

Years later, my brother had been a guitar player for a long time but had seemed to have hit a brick wall in his development. I knew guys how were older and very skilled players so I told my brother that I could just rent a set of drums and we could get my buddies to come jam and help him out. He had a space in his basement and away we went. That lasted for about a year before I moved to Alberta.

In southern Alberta I got to see Rush again in Calgary when they performed the subdivisions tour. Again, someone else had the credit card to buy the tickets and a vehicle to drive us there.

In 1997 I lost my welding business to a crooked partner and was forced to move to Calgary. A long time friend had moved there and he encouraged me to move there as well. He was a songwriter and guitar player.

Supertramp was playing in Calgary. My mom and I had listened to 3 of their albums for years as we would talk for hours in our basement when my dad was on the road trucking. Mom had never seen a concert in her life and this was the perfect one to take her too. I am so thankful that the Lord allowed me this experience with my mom. Yet again, something I had very little to do with. After the concert, I stayed in Calgary with my friend.

My friend Guy worked at a pizza shop in Calgary at the time. He introduced me to a girl he met there delivering pizzas. She was a singer and had given Guy a tape. She was probably the best singer we would jam with. She was young, only 18 and guy and I were in our 30's.

I eventually married her and we had 5 kids together. I had always wanted kids but I had given up a couple years earlier. God can always make a way. I was 17 years older than her but her dad couldn't really say much because his second wife was 18 years younger than him.

God blessed our marriage with these five kids. We played the church family thing for years and we both played on many worship teams.

In 2015 we were going to church with a guy who was a Rush fan. He dragged me along to what would end up being the final Rush Tour. I finally bought the tickets for a show and my buddy would drive.

Everything I am and everything I have has come from God. I had so little

say in most of these circumstances it's very humbling to finally understand how much God has done for me when I didn't deserve any of it.

All of these events were prior to my current relationship with my Father in heaven. I wasn't obeying the Lord properly but He knew my heart. God did all of these things to bring me closer to Him and He wants to do the exact same thing with and for you!

This is why God put us here! To show the love of God and to bring everyone else into the kingdom!

The True Vine

John 15 "I am the true vine, and My Father is the vinedresser. 2 Every branch in Me that does not bear fruit He takes away; and every branch that bears fruit He prunes, that it may bear more fruit. 3 You are already clean because of the word which I have spoken to you. 4 Abide in Me, and I in you. As the branch cannot bear fruit of itself, unless it abides in the vine, neither can you, unless you abide in Me.

5 "I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing. 6 If anyone does not abide in Me, he is cast out as a branch and is withered; and they gather them and throw them into the fire, and they are burned. 7 If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you. 8 By this My Father is glorified, that you bear much fruit; so you will be My disciples.

God made us to bear fruit. He's talking about the fruit of the Spirit here. To abide in Christ is to spend time daily with Him in Worship and prayer and obey His Spirit as the Spirit leads putting Jesus first in everything in our lives.

Philippians 2:12 Therefore, my beloved, as you have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling; 13 for it is God who works in you both to will and to do for His good pleasure. 14 Do all things without complaining and disputing, 15 that you may become blameless and harmless, children of God without fault in the midst of a crooked and perverse generation, among whom you shine

as lights in the world, 16 holding fast the word of life, so that I may rejoice in the day of Christ that I have not run in vain or labored in vain.

I now live each day, one day at a time. I have goals and plans for the future but they all are subject to the will of God each day. Delays or problems don't bother me anymore because it's all God's stuff for His purposes anyway. It's really no skin off my back if things don't happen as I think they should :-) Not my circus, not my monkeys!

If God wants me to have something, I will have it. I've finally stopped fighting the Lord's will!

I have peace beyond understanding and joy unspeakable because I don't have to worry about anything anymore. I know in my Spirit that I am a Son of God! I'm not staying here and I'm going to live forever with Jesus!

Now that we know who God and Jesus really are, we are finally equipped to examine scriptures to find out *when we are* in our time-line.

Scripture has warned believers for thousands of years to "come out of the Harlot" but we haven't been able to understand what that scripture really meant... until now.

Our modern spoiled life as we know it is about to end. We need to prepare.

The Bible has dire warnings specifically for our time to save God's people.

God hasn't done anything on earth of this magnitude since Jesus was resurrected and we're right in the middle of it.

We are near the end of the age and on the cusp of the Millennial Reign of Christ!

Buckle up!

IT'S THE END OF THE WORLD AS WE KNOW IT

New King James Translation

(How dare you claim copyright on the Word of God, Thomas Nelson?)

Revelation 17

The Scarlet Woman and the Scarlet Beast

Then one of the seven angels who had the seven bowls came and talked with me, saying to me, “Come, I will show you the judgment of the great harlot who sits on many waters,

“Sitting on many waters” means that this harlot has influence and presence over the entire world.

2 with whom the kings of the earth committed fornication, and the inhabitants of the earth were made drunk with the wine of her fornication.”

The kings of the earth committed fornication by ignoring the Bible and the instructions from God on how man should live. Jesus went to great lengths to describe a communist type system that our current church has railed against since He commanded us to love our brothers as ourselves. The original Christians lived in communities sharing everything until the Catholics figured out that they couldn't make any money from that system.

Instead of living in a free and loving society where we all look out for each other and share everything, we live under this capitalist indentured servitude to the god of mammon. That's the harlotry that no one wants to admit to; we're doing everything for money. Jesus didn't carry money. The “drunk with the wine” part refers to the exhilarating “high” people get from buying stuff. The materialism of the age is the fornication. Their hearts are toward their stuff instead of towards God.

3 So he carried me away in the Spirit into the wilderness. And I saw a woman sitting on a scarlet beast which was full of names of blasphemy, having seven heads and ten horns.

The woman is America. She has always been referred to as “Lady Liberty” because of the statue and the desire of the people who come from around the world to enjoy this “liberty” that America offers. The scarlet beast is Satan. The woman is sitting on the beast to show how comfortable she is with this lifestyle and her choices. The beast is full of the names of blasphemy from the “evangelical churches” which blaspheme the name of God continually. The seven heads are the seven kings and the ten horns are the enemies of the harlot.

4 The woman was arrayed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filthiness of her fornication.

The woman is exceedingly wealthy. She holds the evidence of her abominations and perversion for the world to see. This perversion fills our media screens.

**5 And on her forehead a name was written:
MYSTERY, (Her actual first name)
BABYLON THE GREAT,
THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS
OF THE EARTH**

These are some examples of abominations to the Lord.

Proverbs 6:16

*These six things the Lord hates,
Yes, seven are an abomination to Him:*

*17 A proud look,
A lying tongue,
Hands that shed innocent blood,
18 A heart that devises wicked plans,
Feet that are swift in running to evil,
19 A false witness who speaks lies,
And one who sows discord among brethren.*

Leviticus 18:22 You shall not lie with a male as with a woman. It is an abomination.

*Proverbs 16:5 Everyone proud in heart is an abomination to the Lord;
Though they join forces, none will go unpunished.*

*Proverbs 20:10 Diverse weights and diverse measures,
They are both alike, an abomination to the Lord*

*Proverbs 28:9 One who turns away his ear from hearing the law,
Even his prayer is an abomination.*

*Proverbs 15:26 The thoughts of the wicked are an abomination to the
Lord,
But the words of the pure are pleasant.*

America is the mother of these abominations.

6 I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus. And when I saw her, I marveled with great amazement.

She is drunk from the materialism that kills Gods saints and martyrs who have been sacrificed to the harlot to keep this capitalism going. Murder intoxicates the Harlot. She loves the carnage and destruction and to destroy all who oppose her religion of capitalism and “free markets”. Who wouldn’t be marveled at the commanding power she has on the earth backed up with the military might of America?

The Meaning of the Woman and the Beast

7 But the angel said to me, “Why did you marvel? I will tell you the mystery of the woman and of the beast that carries her, which has the seven heads and the ten horns.

The woman is America. The beast is Satan. The seven heads are the presidents of America and the ten horns are the enemies of America. Revelation 17:9-11 tells us when all of these scriptures will take place. (Hint: it’s happening)

8 The beast that you saw was, and is not, and will ascend out of the bottomless pit and go to perdition. And those who dwell on the earth

will marvel, whose names are not written in the Book of Life from the foundation of the world, when they see the beast that was, and is not, and yet is.

The beast is the devil. This passage refers to the ages regarding the devil. “Was” means that he is here now in this age. The “is not” part is when Jesus locks him away for the 1000 year reign of Christ which is the next age soon to come. The devil will be allowed to ascend out of the bottomless pit after the 1000 years in order to deceive foolish people yet again and will be defeated by Jesus for the final time. Then the devil will finally be sent to perdition for eternity.

The people on the earth that do not know God will marvel at the devil and his resurrection. The person who will become the anti-Christ dies first and then is resurrected when the spirit of anti-Christ takes control of him. This “miracle” will be used to fool anyone who doesn’t follow Jesus. It’s not often that people are raised from the dead and recorded events will fool many.

9 ‘Here is the mind which has wisdom:

This means that the person who correctly interprets this scripture has wisdom that comes from God since the fear of the Lord is the beginning of wisdom. It’s only one guy. (“the mind” not “a mind”) This line doesn’t need to be here for any other purpose. It’s only here to give credibility to God’s prophet for this faithless and perverse generation. Notice that this is in the present tense and the tense is emphasized meaning that this scripture is relevant now. How’s that for an example of the living Word of God?

The phrase “the mind which has wisdom” also means that this is the ONLY mind that has this wisdom.

1 Corinthians 3:19 For the wisdom of this world is foolishness with God.

The seven heads are seven mountains on which the woman sits.

The mountains are the continents. America is the woman, the harlot, and has military bases on each continent.

10 There are also seven kings.

These are Presidents because we are talking about America being the Harlot and kings are always leaders of nations.

Five have fallen,

Carter, Bush, Clinton, Obama and Trump are the five fallen leaders. They can't be dead because then there would be over 40 of them. These are former Presidents who are still alive.

one is,

Pence was the one is. Only a President can hand over power. Pence acted as President when he fulfilled the duties of the President after Trump abandoned his job as a spoiled child because he lost the election.¹⁶

(While many of the new details in these video snippets merely expanded on information already known, there were a series of crucial revelations about Vice President Mike Pence: Basically, it was confirmed that Pence was acting as president on Jan. 6, 2021, even as he was being hunted by a mob that Donald Trump had virtually sent after him.)

Mike Pence was running the country while Trump was AWOL up to and including the handing over of power during Biden's inauguration.

Pence couldn't be a "fallen king" because then there would be too many fallen kings and one man can't be both a fallen king and the "one, is". This also means that this scripture was fulfilled on January 20, 2021. Pence was only a "king" in this moment to fulfill this scripture.

This also proves that this judgment is already underway!

and the other has not yet come. And when he comes, he must continue a short time.

Biden is the one who has now come into power. He will not complete his term in office. When he dies or is replaced, his replacement would be Harris who will be a "Queen".

¹⁶ <https://slate.com/news-and-politics/2022/06/jan-six-hearing-trump-wanted-hang-mike-pence.html>

There are no more kings because the country will be destroyed before the next Presidential election since Biden is the last “king”.

11 The beast that was, and is not, is himself also the eighth,

This is Satan

and is of the seven,

This sadly means that all of these men are as evil as Satan and they even act the same. They follow him so well that the devil is “of them” or that these men and the country act just like him. Does this verse not describe America?

Ezekiel 28:16

**“By the abundance of your trading
You became filled with violence within,
And you sinned;
Therefore I cast you as a profane thing
Out of the mountain of God;
And I destroyed you, O covering cherub,
From the midst of the fiery stones.**

**17 “Your heart was lifted up because of your beauty;
You corrupted your wisdom for the sake of your splendor;
I cast you to the ground,
I laid you before kings,
That they might gaze at you.**

**18 “You defiled your sanctuaries
By the multitude of your iniquities,
By the iniquity of your trading;
Therefore I brought fire from your midst;
It devoured you,
And I turned you to ashes upon the earth
In the sight of all who saw you.**

**19 All who knew you among the peoples are astonished at you;
You have become a horror,**

And shall be no more forever.” ’ ’ ”

This sure sounds very similar to the destruction of the Harlot.

12 “The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast.

Ten countries will follow Satan for this authority and the spoils. The first two are China and Russia. China needs Taiwan and Russia needs the Ukraine. These countries have already held joint military exercises.

13 These are of one mind, and they will give their power and authority to the beast.

These countries will do whatever the devil wants them to do.

14 These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those who are with Him are called, chosen, and faithful.”

These ten countries will be enemies of Jesus.

15 Then he said to me, “The waters which you saw, where the harlot sits, are peoples, multitudes, nations, and tongues.

The Harlot sits upon the entire world. The nations part is the key here. What other country can tell countries what to do? These nations are forced to comply in order to receive aid and protection from America.

16 And the ten horns which you saw on the beast, these will hate the harlot, make her desolate and naked, eat her flesh and burn her with fire.

These ten countries will destroy America. Since no country would attempt to attack America by themselves, they will need to wait for their opportunity and gang up on her. America has a long list of enemies and a civil war in America would give these enemies the perfect opportunity.

17 For God has put it into their hearts to fulfill His purpose, to be of one mind, and to give their kingdom to the beast, until the words of

God are fulfilled.

This is the Will of God to destroy America. There is no doubt. God has joined this force of evil countries specifically to destroy America and the Harlot's system of capitalism that she has given to the world.

18 And the woman whom you saw is that great city which reigns over the kings of the earth."

Which "city" reigns over the kings of the earth? Only America, the last remaining superpower. New York is the financial capital of the world.

The Fall of Babylon the Great

18 After these things I saw another angel coming down from heaven, having great authority, and the earth was illuminated with his glory.

The earth will be illuminated by the nuclear weapons that destroy the Harlot. What is the very next thing said?

2 And he cried mightily with a loud voice, saying, "Babylon the great is fallen, is fallen, and has become a dwelling place of demons, a prison for every foul spirit, and a cage for every unclean and hated bird!

Babylon is fallen because it has become home to demons, every foul spirit and unclean and hated birds. She is the source of misery around the world.

3 For all the nations have drunk of the wine of the wrath of her fornication, the kings of the earth have committed fornication with her, and the merchants of the earth have become rich through the abundance of her luxury."

The entire world takes part in the American Capitalist System which is the god of mammon. The leaders of the world all trade with her and have become rich at the expense of the people. All the rich nations of the world ignore or take advantage of the poor for profit. The entire world worships mammon instead of Jesus. This is the harlotry God speaks of.

4 And I heard another voice from heaven saying, "Come out of her, my people, lest you share in her sins, and lest you receive of her plagues.

This means not only the physical country of America but the Harlot's system of capitalism. This is especially true of the modern church. The modern church is built upon this capitalist system and will be destroyed along with the Harlot.

God has called me to show you the truth and to lead you out of the Harlot and into safety for the Lord's purposes and the benefit of the body. Any "church" that has a denominational name on it is heretical and will be destroyed along with the Harlot!

5 For her sins have reached to heaven, and God has remembered her iniquities.

God has finally had enough of America's sin. I wonder if the final straw was Trump holding a Bible and claiming to be a "Christian"?

6 Render to her just as she rendered to you, and repay her double according to her works; in the cup which she has mixed, mix double for her.

America invented the atomic bomb and the military industrial complex; this refers to "in the cup which she has mixed". America then dropped two nuclear bombs on Japan. Those people are some of the saints and martyrs that God is talking about. I expect nuclear warheads to be used in the destruction of America according to this scripture. Russia has over 5000 nukes and has recently and often stated that they will use them.

7 In the measure that she glorified herself and lived luxuriously, in the same measure give her torment and sorrow; for she says in her heart, 'I sit as queen, and am no widow, and will not see sorrow.'

Imagine the richest, most powerful country the world has ever seen get totally destroyed in a day. "Who is like America? Who can challenge her armies? Who could possibly destroy her?", Americans loudly proclaim to anyone who will listen.

8 Therefore her plagues will come in one day-death and mourning and famine.

And she will be utterly burned with fire, for strong is the Lord God who judges her.

In one day all of these nukes will fall and the country already suffering from death and mourning and famine will be utterly burned with fire. There will be no one to put out the fires and the entire country will be hot with radiation. China & Russia have deliver systems that the American's can't stop.

America is defenseless against these weapons and almost at the point of civil war. What better time to launch an attack than when your enemy is destroying itself from within?

The bigger problem here is that America will most certainly detect the incoming hypersonic missiles that they cannot stop. America will do what America does best and attempt to retaliate. I expect America to launch as many of their nukes as possible once they figure out that they are going to be destroyed. If the petulant child America cannot be ruler of the world they will try and ruin it for everyone.

America's enemies are well aware of the situation and have been preparing for the destruction of America for years. Russia has successfully tested a satellite destruction system that can and will be used to take out GPS satellites once the war begins.¹⁷

The FBI claims that Huawei could disrupt the US nuclear arsenal.
18

This is why I also believe that the fourth seal has been broken. The earth could easily lose 1/4 of its population in the next 4 years or so due to nuclear war, starvation, global warming and plagues.

The World Mourns Babylon's Fall

9 “The kings of the earth who committed fornication and lived luxuriously with her will weep and lament for her, when they see the smoke of her burning, 10 standing at a distance for fear of her torment, saying, ‘Alas, alas, that great city Babylon, that mighty city! For in one hour your judgment has come.’

17 <http://www.parabolicarc.com/2021/12/01/russia-threatens-to-destroy-u-s-gps-satellite-constellation/>

18 <https://www.9news.com.au/world/fbi-huawei-equipment-could-disrupt-us-nuclear-arsenal-communications/987379f3-4b61-4f5e-adee-949926a70f66>

So the world leaders will be sad because their way of life is gone. They will not come to America, but lament from the relative safety of home. The one hour means a very short time and signals the finality of it all.

11 “And the merchants of the earth will weep and mourn over her, for no one buys their merchandise anymore: 12 merchandise of gold and silver, precious stones and pearls, fine linen and purple, silk and scarlet, every kind of citron wood, every kind of object of ivory, every kind of object of most precious wood, bronze, iron, and marble; 13 and cinnamon and incense, fragrant oil and frankincense, wine and oil, fine flour and wheat, cattle and sheep, horses and chariots, and bodies and souls of men.

These merchants mourn because they realize the devastation that is about to follow. No one buys their stuff anymore because America and the global economy is destroyed. The diversity of products mentioned here covers the planet. All nations are affected. Globalization is over.

The Harlot steals the souls of men through America and their lies of the “America Dream”. The bodies of men are sacrificed to create these products to sell.

These foreign countries depend on the trade from America to survive. When the supply chain disintegrates every country will have the same issues; no money... no economy... panicked population... chaos.

14 The fruit that your soul longed for has gone from you, and all the things which are rich and splendid have gone from you, and you shall find them no more at all.

God is talking to the merchants that profited from their relationship with the Harlot here. All the people who are in the world’s capitalist system who love their stuff will mourn because now their lives will get very difficult.

Canada who depends on the US for about 80% of our trade and who has helped the Harlot to deceive the world is about to feel the repercussions of their actions.

Pay attention here! All of our modern luxuries will cease to be! The facto-

ries and supply lines that made these things will be gone forever!

God is telling you to use your talents (including all the resources that God has given you to steward) for His Kingdom now or lose them and die with the Harlot in the judgment that is already occurring.

God is so angry that His people choose mammon over Him that He will require total obedience if you are to be saved from the coming horrors.

You cannot serve two masters. Pick one. Either obey the Lord and share your wealth with the body of Christ or lose it in selfishness in the world.

The entire world system run by capitalism will collapse. No one will go to work because money will be worthless, they will be forced to scrounge for food like the third world now does.

It really is the end of the world as we know it but God will save you if you repent and obey Him.

15 The merchants of these things, who became rich by her, will stand at a distance for fear of her torment, weeping and wailing, 16 and saying, 'Alas, alas, that great city that was clothed in fine linen, purple, and scarlet, and adorned with gold and precious stones and pearls! 17 For in one hour such great riches came to nothing.' Every shipmaster, all who travel by ship, sailors, and as many as trade on the sea, stood at a distance 18 and cried out when they saw the smoke of her burning, saying, 'What is like this great city?'

The owners of the ships are lamenting from home. The workers though are on the ships and stood at a distance when they saw the smoke of her burning. Have you seen how many ships are anchored off shore at every American port? This tells me that these events will occur fairly soon.

19 "They threw dust on their heads and cried out, weeping and wailing, and saying, 'Alas, alas, that great city, in which all who had ships on the sea became rich by her wealth! For in one hour she is made desolate.'

This can very well be one literal hour since we're talking about nukes. Again, the world's shipping companies are very wealthy. So much that

Amazon has gotten into the game.

20 “Rejoice over her, O heaven, and you holy apostles and prophets, for God has avenged you on her!”

Finality of Babylon’s Fall

21 Then a mighty angel took up a stone like a great millstone and threw it into the sea, saying, “Thus with violence the great city Babylon shall be thrown down, and shall not be found anymore.

Full body slam. Finished. Never to rise again. Is there anything more violent than nuclear bombs? This greedy, self serving capitalist system of government has done more damage to the planet and the inhabitants than anything man has ever done before. It needs to be utterly destroyed if we are to survive.

22 The sound of harpists, musicians, flutists, and trumpeters shall not be heard in you anymore. No craftsman of any craft shall be found in you anymore, and the sound of a millstone shall not be heard in you anymore.

Radiation will keep everyone out. Think Chernobyl on a country scale.

23 The light of a lamp shall not shine in you anymore,

No power generation.

and the voice of bridegroom and bride shall not be heard in you anymore.

No more weddings or parties.

For your merchants were the great men of the earth,

These so called great rich men (Bezos, Musk, Gates) should be using their wealth to improve all lives; not taking rocket rides to space or manipulating the population for profit.

for by your sorcery all the nations were deceived.

The sorcery is the lie of capitalism. This system and everything it stands for is in direct disobedience to the Word of God. Jesus is not about money.

24 And in her was found the blood of prophets and saints, and of all who were slain on the earth.”

Millions of God’s innocent children killed worldwide by the American Army, supported by religious leaders and the citizens in their embrace of capitalism in the name of profit and the sacred shareholders.

There has never been a more ruthless and evil nation than the United States of America. This is why she is to be destroyed.

America will be used as a warning to all for 1000 years about the dangers of serving mammon instead of God.

Now What? - the fallout

Luke 10:16 He who hears you hears Me, he who rejects you rejects Me, and he who rejects Me rejects Him who sent Me.”

God has a plan to save us but this plan depends on us actually following the teachings of Jesus; to the letter for a change! That’s what the rest of this book is about. God’s not about to call His people out of the harlot and just leave us hanging.

Hebrews 13:5 Let your conduct be without covetousness; be content with such things as you have. For He Himself has said, “I will never leave you nor forsake you.”

God is so disgusted with the behavior of man that He must destroy America in order to save His people.

It’s like God saying:

“I gave you everything on the planet and told you to share but you didn’t share. You took part instead in a system that is completely destroying the planet and the people because of greed and selfishness.”

1 Timothy 17 Command those who are rich in this present age not to be haughty, nor to trust in uncertain riches but in the living God, who gives us richly all things to enjoy.

God is taking the worlds toys away by destroying America and the systems she taught. Now the stubborn kids are going to learn to get along or they will die alone with their money.

Once the Harlot America is destroyed, the souls of men will be set free for a time. There will be no New York anymore therefore any debts to America will be cancelled. Every entity in America will be gone.

The entire global economy will come to a screeching halt. Nations will need to source everything locally to survive. The time to prepare is now while countries still have access to global resources and supply chains.

Nations must entirely change their way of living to prepare for the coming

disruptions and the imminent end of this modern way of life. If our supply line issues are any indication Canada is going to be in for a very rough ride when America is destroyed.

The first problem will be nuclear fallout and maybe even warheads on Canadian soil. Let's assume that Putin and his buddies don't nuke Canadian cities directly, but they just destroy everything in America. The proximity of Canadian cities to the American border and the direction of the wind that day could very well wipe out half of Canada's population overnight just along the 401 corridor. Ottawa is in that range too. That would be the end of Canada with no capital or government.

There will be nothing working in America at all. Everything will be gone. All the leaders. All the culture. All the sin. All the credit card companies, banks and debt too. There will be nothing remaining.

Revelation 18:19 “They threw dust on their heads and cried out, weeping and wailing, and saying, ‘Alas, alas, that great city, in which all who had ships on the sea became rich by her wealth! For in one hour she is made desolate.’

20 “Rejoice over her, O heaven, and you holy apostles and prophets, for God has avenged you on her!”

Canada as a nation will be lucky to survive and to have any power generation at all. The Trans-Canada Highway passes through some areas in the prairies that will have the worst fallout because of the military targets in North Dakota and Montana. They highway would be impassible due to radiation cutting the nation in two or more pieces. We have Chernobyl as an example of the destruction coming.

This capitalist society around the world based on money, greed and narcissism will crumble in days after the attacks.

The worlds money system exists in computers. Canada just had one network outage with Rogers that took down the entire Interac system across the country. There were zero transactions on the Interac system for almost an entire day. The main issue was a configuration problem regarding the BGP routers. These routers control all internet traffic and the mistake took Rogers off the Internet. No one realized how fragile these modern net-

works really are but I think they're paying attention now. It was negligent on Interacts part by not having a backup internet provider. This is standard practice for any enterprise system. Trans-Alta had an automatic failover network connection to control their wind turbines. You would think that the smart people at the top would have realized this at some point?

So what do you think is going to happen when all five BGP routers which are in America get destroyed? You might be able to go to your local bank and withdraw some cash but once those machines run out it's over. The ability to send e-transfers will end with the destruction of the internet. Russia has already said that the first thing they will do is to take out American and GPS satellites rendering American weapons useless.¹⁹

How ironic that the American idea of "Star Wars" that destroyed the Soviet Union would actually be deployed by the Russians in revenge to destroy America? It's no wonder Putin is so brazen regarding nuclear weapons.

Look at the pictures of Ukraine and the war zone now. Russia is employing the historical slash and burn policies that they used in the second world war. Russia knows that if they completely destroy Ukraine they will never be threatened by them again. Putin will use the exact same tactics with America. This is God foreshadowing our future if we ignore God's warnings. The world is about to get a lot bigger and very harsh very quickly.

Canada and the rest of the first world has never seen the pain that's coming. Our infrastructure will crumble without constant maintenance. Roads can become overgrown or impassible very quickly.

The automobile and the capitalism associated with it is the cause of all of these environmental problems but they will be rendered moot when there's no gas at the stations and the roads are impassable.

We will probably be stuck wherever we are when the SHTF and money will be worthless if we can even access our banks. I don't have any faith in the power grid at all. When the choice becomes food or pieces of paper, I think the demand for food will win out.

The only technology we will have is what we have in our possession now.

19 <https://www.dailymail.co.uk/news/article-10233287/Russia-warns-destroy-NATO-satellites-White-House-says-concerns.html>

All the factories will be useless without supply chains or power. Scarcity will become an issue. We will need to generate our own power to even use devices that we still have.

We will need to rebuild our society to reflect our new reality but that's not the biggest issue in Canada. What if Putin decides to drop a dozen nukes on Canada?

Quoting a Putin ally, MP Andrey Gurulyov: "It's crystal clear that the threat to the world comes from Anglo-Saxons"²⁰

This quote is the strongest evidence to date that Canada can and probably will be destroyed along with America when Russia starts WW3.

Now we come back to the conditions of enjoying God's protection and provision; we need to obey Him in everything.

Liberal Democracies and sexual sins

While researching for this book I discovered something that I never thought of before. There is a direct connection between capitalist countries and their support of LGBT issues. Conversely, China, Russia and the Arab countries are so opposed to LGBT issues that the people face execution if caught. These countries are so extreme that they will ban a movie if it shows a same sex kiss on screen.

Most democracies around the world support LGBT rights in some form or another. Many churches also support their cause while some are viciously opposed. The Westboro Baptists in America have garnered attention for their "God hates Gays" campaign. These people have never read a Bible it seems.

1 Corinthians 6:8 No, you yourselves do wrong and cheat, and you do these things to your brethren! 9 Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites, 10 nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God. 11 And such were some

20 <https://www.independent.co.uk/tv/news/russia-ukraine-war-putin-london-b2109225.html>

of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God.

God doesn't hate anyone, in fact the opposite is true. This verse above shows that even some of the worst behaved people repented of their behavior and became followers of Christ. God has always separated the actions from the heart of the person. We all sin and God looks at all sin the same.

John 3:16 For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.

God doesn't want anyone to perish. He wants all to come home.

2 Peter 3:9 The Lord is not slack concerning His promise, as some count slackness, but is longsuffering toward us, not willing that any should perish but that all should come to repentance.

While all sin is the same to God, some sins hurt us more than others. The apostle Paul explains this in great detail in 1 Corinthians. This is why followers of Christ are not allowed to live in any sexual sin.

Glorify God in Body and Spirit

12 All things are lawful for me, but all things are not helpful. All things are lawful for me, but I will not be brought under the power of any. 13 Foods for the stomach and the stomach for foods, but God will destroy both it and them. Now the body is not for sexual immorality but for the Lord, and the Lord for the body. 14 And God both raised up the Lord and will also raise us up by His power.

15 Do you not know that your bodies are members of Christ? Shall I then take the members of Christ and make them members of a harlot? Certainly not! 16 Or do you not know that he who is joined to a harlot is one body with her? For "the two," He says, "shall become one flesh." 17 But he who is joined to the Lord is one spirit with Him.

18 Flee sexual immorality. Every sin that a man does is outside the body, but he who commits sexual immorality sins against his own

body. 19 Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own? 20 For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's.

Jesus wants evidence of our commitment to Him and that's why He constantly taught His disciples about obedience.

John 14:15 "If you love Me, keep My commandments.

It really is that simple. Just do what He says. The world has strayed so far from the Word of God that God has no choice but to destroy this entire civilization and start over. This is not a new thing but it won't be the whole world yet though.

Matthew 24:6 And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. 7 For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. 8 All these are the beginning of sorrows.

Once the Harlot that created this capitalist system is gone the believers of the world will have the freedom to finally live as Christ taught but it will be during difficult times.

If we continue trust in ourselves and our earthly riches we will be as foolish as the rich man and his barns.

The Parable of the Rich Fool

Luke 12:13 Then one from the crowd said to Him, "Teacher, tell my brother to divide the inheritance with me."

14 But He said to him, "Man, who made Me a judge or an arbitrator over you?" 15 And He said to them, "Take heed and beware of covetousness, for one's life does not consist in the abundance of the things he possesses."

16 Then He spoke a parable to them, saying: "The ground of a certain rich man yielded plentifully. 17 And he thought within himself, saying, 'What shall I do, since I have no room to store my crops?' 18 So

he said, ‘I will do this: I will pull down my barns and build greater, and there I will store all my crops and my goods. 19 And I will say to my soul, “Soul, you have many goods laid up for many years; take your ease; eat, drink, and be merry.” ’ 20 But God said to him, ‘Fool! This night your soul will be required of you; then whose will those things be which you have provided?’

21 “So is he who lays up treasure for himself, and is not rich toward God.”

God has given us instructions on how to build a society that we would call paradise right in the Bible; we just need to obey Him finally.

Instructions to the Rich

1 Timothy 6:17 Command those who are rich in this present age not to be haughty, nor to trust in uncertain riches but in the living God, who gives us richly all things to enjoy. **18** Let them do good, that they be rich in good works, ready to give, willing to share, **19** storing up for themselves a good foundation for the time to come, that they may lay hold on eternal life.

To quote my dearly departed friend Pastor Bill, “What if we acted as if the Word of God was true?”

Have you ever wondered what a society like that could look like?

Life without money

John 14:15 “If you love Me, keep My commandments.

Mark 12:30 And you shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength.’ This is the first commandment. **31** And the second, like it, is this: ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.”

Mark 3:35 For whoever does the will of God is My brother and My sister and mother.”

Matthew 10:7 And as you go, preach, saying, ‘The kingdom of heaven is at hand.’ **8** Heal the sick, cleanse the lepers, raise the dead, cast out demons. Freely you have received, freely give.

The book of Acts in the Bible describes what this obedience looks like. We’ve discussed this previously but it bears repeating again:

A Vital Church Grows

Acts 2:40 And with many other words he testified and exhorted them, saying, “Be saved from this perverse generation.” **41** Then those who gladly received his word were baptized; and that day about three thousand souls were added to them. **42** And they continued steadfastly in the apostles’ doctrine and fellowship, in the breaking of bread, and in prayers. **43** Then fear came upon every soul, and many wonders and signs were done through the apostles.

44 Now all who believed were together, and had all things in common, **45** and sold their possessions and goods, and divided them among all, as anyone had need.

46 So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, **47** praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.

This is the last way of living that we haven't tried for almost 2000 years. The destruction of our civilization will require people to work together to survive. I think most people's attitudes and perspectives will change considerably when they see and hear of the total destruction of America.

Putin is giving the world plenty of warning. As we've seen, Putin has reason for his confidence and is practically begging America to get into a nuclear war with them. Putin also made known that Russia would nuke London first in order to draw America in to the Third World War.²¹

God is giving us enough time to prepare but we must act quickly. Let's look at what our society could be like if we finally listen to Jesus.

I think we've all had this collective vision of what paradise could be like. Maybe it was from the science fiction of the 60's or Disney's EPCOT vision. Our capitalist society was promising to bring us flying cars like the Jetson's but instead we've destroyed the planet. It turns out that cars are the problem. We need to start over from scratch and change everything. No more cars. Period.

We've only had automobiles for about 100 years and it's time for this century of pollution to end. The world will get a lot larger when we can't move around at 60 miles an hour.

Communities will need to be smaller again and almost everything will need to be locally sourced and grown. Bio-diesel may be the only source of energy once the supply chains run out. We will need to keep diesel running equipment and generators to farm the food we will require.

There are groups of people in western Canada who live in this type of arrangement. We call them Hutterites. These people live in groups from 60 - 120 people. Many of these people I call friends and I have spent considerable time with them on the colony.

These communities have a central community center that house the main kitchen and eating area. Hutterite homes do not have full kitchens. They are set up mostly for snacks between meals. They have small appliances and a refrigerator but no stoves or dryers in the homes.

21 <https://www.walesonline.co.uk/news/uk-news/bomb-london-first-vladimir-putin-24323215>

Residents of the colonies don't have "day jobs" and they don't have bills either. They share the resources of the colony and everyone pitches in when required. There is also a church service each day.

Meals are prepared in the kitchen by the ladies on a rotation basis. The ladies work one week out of four and when they are cooking they get to decide the menus. The ladies also look after their own homes and are sometimes required to help with bigger jobs.

I witnessed one of those big jobs when the colony was cleaning turkeys for Christmas. It was quite a treat to buy a fresh turkey from the colony but the greater joy was hearing the ladies singing as they worked.

Their voices were powerful as they demonstrated that this group of people was united and God was blessing them for their obedience. They were all happy and it showed.

These people don't have to worry about any bills. Their food and housing is supplied. They do have to help in the colony with the work that's required but it's very different than a "day job". They have true freedom and it shows in how happy they are.

The men have various jobs around the colony. Some tend the garden, some farm the fields. There are mechanics and woodworkers. People to look after the chicken coops and other animals.

Some colonies have welding shops and manufacturing, some raise pigs for third parties. I know of another colony who owns a gravel pit. Each colony seems to have something that they "trade" with to increase the income of the colony. We need to use Hutterite colonies as a template but we will need to address the negative issues and problems that they currently have.

The main problem with Hutterite Colonies is leadership. In any capitalist system the temptation for abuse is rampant. There should not be a "boss" controlling the money and telling people what to do. I've seen these "bosses" as spiritually illiterate as most preachers. There is a hierarchy in the bible but it's not like the worlds way of doing things.

1 Corinthians 12:27 Now you are the body of Christ, and members individually. 28 And God has appointed these in the church: first apos-

bles, second prophets, third teachers, after that miracles, then gifts of healings, helps, administrations, varieties of tongues.

God has separated the positions and gifts for a reason and nobody is the “boss”. The highest ranking are the apostles and they looked after the possessions and money at the time. The authority from God given to apostles, prophets and teachers is to be used for the benefit of the brethren and this authority was never intended to be “lorded over” anyone.

Sharing in All Things

32 Now the multitude of those who believed were of one heart and one soul; neither did anyone say that any of the things he possessed was his own, but they had all things in common. 33 And with great power the apostles gave witness to the resurrection of the Lord Jesus. And great grace was upon them all. 34 Nor was there anyone among them who lacked; for all who were possessors of lands or houses sold them, and brought the proceeds of the things that were sold, 35 and laid them at the apostles’ feet; and they distributed to each as anyone had need.

Since we don’t have apostles walking among us right now, we need to use elders instead. Rather than one “boss”, the colony will have 12 elders to mirror the apostles. These elders will be responsible for distributing as anyone has need. All decisions of the elders should be unanimous. There is to be no division in the church anymore.

If these elders are biblically qualified to hold their positions they will live a life that dies to self and they will dedicate their lives to the service of others in Jesus name. A prophets job is to counsel the elders, encourage them in the faith and to settle any spiritual issues using God’s Word in love.

No one gets paid, no one has any bills and everyone is equal. Everyone has the same quality of life regardless of their position or job in the colony. No favorites or partiality shall be shown.

Since everyone in the community knows everyone and all the people are followers of the Way, we’re not going to need a lot of things that we require in this modern world.

Since we don't "own" anything, we don't have to make any payments on anything; especially because we won't have money.

We certainly won't need to insure anything.

Since we're in a community of believers, there will be no need for people to steal. Everything will be provided by God according to His word.

No cops, no lawyers, no insurance salesmen, no bankers, no false preachers, no scams. We will have a jailer and a judge for each colony. If two people have a disagreement that cannot be settled, they go to the judge. If one or both becomes violent, the jailer can take them to jail to cool off before seeing the judge.

No bills, no debt, no worry for food or shelter or clothing.

No man made rules regarding consumption. You want a beer? Have a beer. Have a glass of wine. Smoke that reefer eat those magic mushrooms.

How can you be free if you must obey man made rules regarding consumption that are contrary to the Bible?

All residents should be given every opportunity to use their God given talents for the benefit of the community and to live their lives according to God's word. This is true freedom in Christ!

The Plan

A day with the Lord is as a thousand years. God says that the earth is about 6000 years old. 4000 years before Jesus and 2000 since.

The seventh day was to be a day of rest and the last 1000 years of this age will also be a time of a type of rest since will be Satan removed for most of it. This time swiftly approaching is the coming millennial reign of Christ.

When Jesus was resurrected and returned to the Father, nothing about society really changed other than the disciples tried to live as Jesus commanded them. The Roman empire would continue on for hundreds of years still.

That first society of believers lasted long enough to get recorded into the Book of Acts but unfortunately didn't seem to last longer than about 300 years. Once the last of those who knew the Way died, it would be very difficult for that Oikos to continue. They didn't have the luxury of the Word of God in a single book to connect them to the past like we do.

God has throughout history used a single man to initiate great change. Moses, Daniel, Joseph, Noah, David and Solomon are some examples. This point in time is no different. Things must change and most people are sleepwalking to their destruction.

America the Harlot will single-handedly destroy the planet if she is not stopped very soon. America loves her sex sin and God has had enough of that and the sorcery of capitalism and greed that she has enslaved the world with.

The world's liberal democracies have allowed all manner of sin and just as in the days of Sodom and Gomorrah they will all be destroyed by fire just like those two cities for the exact same reasons. Hiding under a rainbow flag won't help. God said He would destroy the planet with fire the next time. It really doesn't matter if it's with nuclear weapons from Russia instead of fire and brimstone.

In Revelation the Bible talks about people who would rather lose their heads than to take this coming mark of the beast. Would any "Christian"

that you know willingly die like this for Christ right now? I wouldn't think many if any at all. There is nothing about this modern "Christian" life that's worth dying for.

Imagine instead a group of believers who live together in community as Jesus told us 2000 years ago. Where everyone shared everything and all lived in peace thanking God continually for His blessing on His people!

Hollywood movies all seem to like this fairy tale ending where at the end of the movie, everyone lives in some sort of utopian society. Chicken Run is my favorite example.

Utopia in this show is a tropical paradise and critters are living outside together and in peace. The kids are playing and life is full of joy and contentment. This is the image of paradise that we've all been programmed to want but we've been trapped in this world of indentured servitude instead.

Would you rather live in this selfish dying world where you have to work for everything you have or would you rather live in a tropical paradise with a heart overflowing with thankfulness and joy for the Lord who made it all possible?

Wouldn't you like to live in peace in a community of believers that you can trust?

Do you like working for minimum wage and being barely able to scrape by?

Do you like seeing your quality of life continue to decline while greedy people sit on mountains of money?

Do you enjoy being lied to by corrupt politicians, clergy and media in order to keep this bogus pyramid scheme called capitalism running?

God has given us a way out of this nightmare. Insanity is doing the same thing over and over expecting the results to be different. How about we change everything? Let's start with how we house everyone.

Allow me to share the extensive experience God has given me in this area.

My Employment Background

I started my working career at age 16 in 1978. I was the lead welder in a company that made commercial mobile units like Atco. I became the highest paid guy in the shop within a year because I out-produced all other workers. I had two helpers working under me.

I then spent four years in Brooks Alberta as a metal fabricator in the largest steel yard within 100 miles. I lived in crappy mobile homes and helped to build drilling rigs and farming equipment.

The 80's took me to Toronto as Prototype Technician where I worked with engineers to bring their ideas to life and install them in cars. That experience later landed me a similar position with Clare Brothers in Cambridge. At Clare brothers we developed the first hi efficiency furnaces. The best one was 97% efficient. We developed a direct vent fireplace from a drawing on a napkin to production in 6 months.

I held many other welding jobs over the years which added to this experience. I built limousines from Lincoln Town Cars. I welded frames on 55 ton mining dump trucks. I've made many stainless steel items for the pharmaceutical industry and was certified to weld nuclear sensors for a while.

In the 90's I started a welding shop in Alberta. During this time, in 1995, a farmer kid I knew taught me the basics about computers and gave some boxes of parts. Within 8 weeks I had successfully built computers from scratch and learned how to network them.

In 1999 we moved back to Ontario and got married. I started a Computer Repair business. In 2005 we moved to a small town in Alberta and eventually built a 3000 sq ft addition to that house.

I became the local Internet sales guy and from that experience I was elected to Village Council. The exposure from council attracted the attention of the next village and they hired me to be their Chief Administrative Officer.

While CAO, I had access and responsibility for everything in the village. I was the only employee beside my water operator. I learned Municipal Accounting, Administrative Law, GIS systems for infrastructure and I was responsible to council for the construction of a \$6 million water treatment

plant. I negotiated contracts and right of ways for the project. I was water operator, backhoe and snow removal operator, park maintenance and public speaker.

I left that job after a new administration was elected and became a Wind Control Center Operator in Pincher Creek at Trans Alta. I was responsible for the oversight of 700 wind turbines across the country and multiple sub-stations in Alberta. I learned the cost of producing electricity and the negative impacts on the environment while working there.

My next attempt at my own business was my computer business again. This time I put the whole computer lab in the back of a truck, made it solar powered and drove it to the three towns that were near my home. The idea was by tripling my market area, I could increase sales to the point where this would be profitable. It worked for about 3 years until my family breakdown and I moved to Nova Scotia in 2019.

Current Housing Issues

God has exposed to me the horrors of housing in our society through my recent rental experiences. These experiences are used to illustrate the current issues facing tenants in our current system based on greed and profit above all.

In October of 2019 I moved to Amherst Nova Scotia with three of my boys. The only immediate place available was a cockroach infested one bedroom apartment.

At the end of November 2019 we finally moved into a 3 bedroom apartment from our 1 bedroom emergency accommodations. It took me about a month to settle and unwind from the claustrophobia of that one bedroom.

We had a nicer apartment now even though we were still battling roaches in this apartment, the kids were getting settled and I had high hopes of launching my new cannabis greenhouse business.

Soon after we had moved, I met the people at Cabinet Central. These guys helped me to redesign and build a new prototype greenhouse that I had invented. The new product was amazing. It was higher quality and much cheaper to produce than what I made in Alberta.

I soon discovered the local business development organization CBDC. I was encouraged to apply for a loan to kick start my business. I applied, submitted my information and was declined. I'm very thankful that my submission was declined now. This greenhouse was the reason I thought I came here in the first place. It wasn't that.

My original landlord was a slum lord who looked exactly like Julian from Trailer Park Boys. All that mattered to Shane Richard was the money.

When he knowingly put a criminal with current gun charges, legal restrictions and a history of mental health issues in the apartment above me it was only a matter of time before something happened. That time was three weeks later when this tenant was charged with attempted murder of a guest in the building.

I wrote Mr. Richard a strongly worded letter about the incident and the next thing we know the buildings were sold and we now had "K2 Property management" looking after the buildings. These people were just managers and not owners but are just as bad as Mr. Richard in many areas and worse in some.

Our introduction to the company began with Megan the new manager illegally trying to force people into signing new leases that would significantly increase their rent and also force them to pay for their own heat and lights on top of it. This woman was an incompetent liar who couldn't operate a yard sale properly. She bragged about how their company "did everything by the book". What book is that Megan? The Ferengi Rules of Acquisition?²² Oh, it gets better.

February 18, 2022 my apartment flooded and I was forced to move. This was an act of God. Therefore, God would surely have a purpose for it. I was moved by K2 into an apartment that they "just acquired". My rent would increase to \$1200 and I would have to pay my own heat and lights. I was not happy, but this is the place God gave me. There must be a reason.

This apartment exposes the incompetence of K2 Property Management and the horrors facing people who would like to move to this province. At this point I asked myself, "why would anyone recommend moving here?"

After almost begging Megan to allow us to move into this unit on Friday before the snowstorm, she finally relented and allowed us to move Friday morning but I would have to clean the unit myself. Fine I thought, we're going to make a mess moving in snow anyway.

I had been living in my flooded basement apartment for a week without a fridge. The mold was starting to develop and I could now smell it. It is ludicrous that I had to implore this woman to allow us into this new unit. This woman was a control freak who abused her place of authority.

We move in and the house was cold. Very cold. I assume that it's because no one was living here all winter and that the heaters didn't have time to heat up the house. Boy was I wrong. One of my boys slept in his winter coat and yes he told my estranged wife that so that she could worry all night.

The next morning the kitchen was 10 degrees. The heaters were all on full blast all night. The thermometer on the table said 19 but it sure didn't feel it. I went out and spent \$200 on two heaters immediately. David the manager also said that when he brought over the new lease that the house felt cold. I still needed to buy one more heater and they ran 24/7 for a week and a half before they would reach temperature and shut off.

These heaters that are installed are so underpowered that the home cannot maintain 20C when the ambient temperature falls to zero. When the wind picks up temperature is irrelevant, you cannot warm the house no matter how many heaters you throw at it. What makes all of this worse is the brand new gas powered boiler in the basement that has been disconnected. The greed and stupidity here is breathtaking and we tenants get to pay for this.

The bathroom door also wouldn't close because the shower was broken and water had been pouring out and flooding the apartment when the last people lived here. The door had soaked up so much water that it scraped on the floor and I needed to chisel about 1/4" from the edge so that it would finally close. You'd think that they would notice that and fix it before people move in. That took weeks to fix.

My apartment was supposed to include a washer and dryer. I had 2 dryers and neither were hooked up. My washer had been "on order" for a month

now. My kitchen sink was plugged too but drain cleaner fixed that after a week or so.

How is it legal for the landlord to ignore the terms of the lease yet if I ignore the terms, I get evicted?

It was two weeks at least before the shower would be fixed but before that got repaired, the hot water heater began to malfunction. It was over a week without hot water while 5 or 6 guys “looked at it”. Finally an electrician told K2 that the elements needed to be replaced.

While hooking up all these extra heaters, I obviously had no prior understanding of the wiring in this house so I tripped a breaker by overloading it. I went to the basement to find the tripped breaker and imagine my surprise when I found out that my main living room breaker was in someone else’s panel.

I witnessed this one electrician removing a breaker from another panel and installing it in my panel. This breaker is for the basement lights. Why am I paying to light the basement and why is unit 3 forced to pay for the heater in the basement? I’m pretty sure the tenants will all be as upset as I am. This is fraud and management and/or the owner should be criminally charged because it was done with the permission or request of the owner according to the electrician who did the work.

This is not the only electrical error or oversight. There is a basement heater going into another apartments electrical panel. There are also basement circuits going into my panel which I didn’t agree to in my lease. There is no heat in the basement and there is no insulation in the floors.

It’s like I’m living in the third world at first world prices.

My apartment is not the only one with issues.

How is any of this legal and where is the oversight into the practices of these slumlords? How can owners screw with the power panels and rent a place with obviously no insulation with absolutely no regard for the plight of the people having to pay the heat bills? Talk about a bunch of greedy, selfish people.

One lady tells me of the horrors of just getting into an apartment. The ref-

erences and hoops she had to jump through appear ludicrous when you see the condition of the units.

Another lady, a retired nurse of thirty years, is freezing in her apartment because she knew the power bills would be high. Mine was supposed to be \$175 per month on the budget due to previous records. My first bill was \$1500. The retired nurse has \$1000 power bill. Not a single electrical panel was wired properly; there's no way to know how much anyone should really be paying. These people make me very angry.

It is shameful that a country as rich as Canada has forced people into living in such horrible accommodations.

I'm "retired" and am raising 3 of 5 kids. My two youngest boys are still in school. We live on my \$394. pension, \$1109 CCB, and \$1029 from Income Assistance. I can't afford a car anymore. I have the \$10 internet and no TV service. I pay \$1200 rent plus approx \$175. for power. I'm on a budget but I'm certain this won't be accurate. The rest is pretty much spent on food.

So basically, "the Government" is paying me \$2532 per month, plus my 4 gst cheques of about \$300 each for another \$100 a month. $\$2632 \times 12 = \$31,584$ per year to keep me and my kids alive.

Where does all that money go? \$1200 for rent plus the \$175 for power and lights equals \$1375 per month or \$16,500. So half for rent and half for food and everything else.

Are our governments happy giving \$16k per year to slumlords who then often take the money to Chinese investors overseas?

The building on 15 Dickey was going to be rented out for \$850 per two bedroom apartment in 2019. Once the pandemic hit and the building was sold to Chinese investors, the rent was increased to \$1200 plus power for a two bedroom apartment. They did this during a pandemic and in the midst of a great housing shortage.

The building sits over half empty because people cannot afford that price for those crappy, small apartments.

This way of doing things based on greed is incredibly short sighted, but

until now we really haven't had many other options. Everyone knows that the current system is broken. I think it's absolutely insane to even have a low rental housing market designed for "profit". This is what caused the problem in the first place!

Housing in Canada is a necessity or we die and the imminent destruction of America only underscores our current problems. Things need to change and quickly in light of current world events.

In the computer industry the technological advances come in stages. This results in updates for a few years. After a time though, the software becomes the limiting factor to the performance of the computer. They call this "legacy code" and this was what also caused the Y2K panic. When the legacy code becomes bloated and buggy, there is no choice but to throw everything away and start from scratch.

We need to do this with housing now. We are forced to live in 100 year old houses that should have been torn down 20 years ago. They are the most wasteful way to house people possible but it's the way our capitalist system wanted. This is not sustainable.

Have you ever driven across this country? It is gargantuan! It takes a week to get from one side to the other. It takes an incredible amount of resources to keep this country functioning. Highway construction requires a lot of oil. The recent price increases will double the cost of road construction and repair.

The cost of transporting goods across this incredible land mass will soon become cost prohibitive.

Western Canada has very little mass production compared to Southern Ontario. Everything moves by truck.

This increase in diesel costs alone could destroy our economy by exponentially adding costs to everything we buy. Our capitalist society can fail fairly quickly.

There is now no way that Canada will be able to sustain the same standard of living for our residents when the American Civil War 2 starts. We just won't have the infrastructure or materials to keep this sparsely populated

country going anymore.

As soon as I saw that Russian quote about “Anglo-Saxons” I realized and accepted the fact that Canada is going to be destroyed for the same reasons as Sodom and Gomorrah. I have zero faith that Canada as a nation will repent of their sins.

I personally do not believe that the Government of Canada will reverse their current course regarding the legislative conflict between the Bible and the LGBT community.

Canada proclaims the Sovereignty of God in our Charter of Rights and Freedoms and then our governments go on to make laws which directly contradict the God they claim to serve or obey. If disciples of Christ fully followed the teachings of the Bible in Canada, they would be jailed.

This leaves followers of the Way with only one option, we must leave or we will suffer the same plagues as the Harlot of Revelation.

Revelation 18:4 And I heard another voice from heaven saying, “Come out of her, my people, lest you share in her sins, and lest you receive of her plagues.

If the nation of Canada refuses to repent, followers of the Way have only one option remaining... we need to leave if we want to live.

We need to prepare for the exodus now.

Where are we going?

God says that we should be content with food and clothes but we can't really do that in Canada because we'd freeze to death.

1 Timothy 6:6 Now godliness with contentment is great gain. 7 For we brought nothing into this world, and it is certain we can carry nothing out. 8 And having food and clothing, with these we shall be content.

God has given us all things richly to enjoy and we're supposed to share everything we have.

1 Timothy 6:17 Command those who are rich in this present age not to be haughty, nor to trust in uncertain riches but in the living God, who gives us richly all things to enjoy. 18 Let them do good, that they be rich in good works, ready to give, willing to share, 19 storing up for themselves a good foundation for the time to come, that they may lay hold on eternal life.

The disciples of Christ who follow the Way that Paul taught, will require a place to live. It should be tropical so that we never need to worry about heating homes anymore. I'm so tired of cold and snow.

It should be a Godly country. A country who is not afraid of speaking about God in public or in the newspapers. The people of this country will fear the Lord and the evidence will be in the eyes and spirits of the people.

This country may be poor in material wealth but will be rich in spiritual blessings because the people follow the Lord. The people will be against the modern system that is stacked against them. They will eschew debt so fervently that they will wait generations to complete a home rather than face debt. I really like coffee and cannabis. I would like to have continued access to both as the modern supply chains dissolve.

In December 2018 I took a vacation that would change my life. I had just married a woman that God told me not to... on the wedding day! I am so conflicted over this entire ordeal because my disobedience to God caused me great head ache and financial ruin but without this event, I doubt that I would have made this trip.

I had never been anywhere outside of the US and Canada before. Through an incredible string of events, I obtained a passport and tickets for myself and my new wife to honeymoon in Jamaica. Cannabis had just been legalized in Canada and I wanted to be able to smoke without issue on vacation. Jamaica was the natural and obvious choice.

After 6 hours on a plane, the sun was beginning to set as we started our descent. There was a group of young ladies beside us and they were jumping out of their skin in excitement. They came on the plane dressed for the beach. I was very amused at how happy they were. I didn't get it at all at the time.

During the flight the attendants came by and offered island excursions at a discounted price. I had learned many years ago to take advantage of any opportunity like this because I never knew if I'd ever be back this way again. I booked 3 adventures for my wife and I to get us out of the resort and into the country side. I wanted to see the real people of Jamaica.

Once through customs, my wife and I and one other couple got on the bus to our respective resorts. We were chatting and my wife asked the driver if he knew where to get us some cannabis. Once we got to the resort, I gave him some cash and he said he'd be back later.

I grabbed our luggage and went to the front desk to check in. The first thing the lady at the counter says is "Welcome Home!" I thanked her and told her this was our honeymoon. She gave us a great room on the fourth floor because of that. At the time I thought that "welcome home" thing was a neat gimmick.

Our porter showed us our rooms and we went for supper in one of the cute little restaurants. The people working were incredibly happy and it was genuine. I was frankly shocked at the love and kindness I saw in the eyes of some of these people.

My buddy comes back and has my weed. I brought papers so I went and bought a grinder from the souvenir shop, smoked a couple joints and explored the resort for a couple hours with my wife before bedtime.

The next morning I got up around 6 am as usual. My wife was still sleeping so it was time for me to grab a coffee and check out the resort in daylight. I rolled a couple of joints for the trip and went down the elevator.

I walked out into the promenade and saw the Caribbean sea for the first time and I was hooked! I immediately fell in love with the place and didn't want to leave! Now I experienced why people called the tropics paradise!

I went to the little coffee shop because I was here before the main restaurant opened for the day. The server told me that this was Blue Mountain Coffee grown near Kingston. Incredible coffee, good cannabis and the beach! "How can I live here and how soon?", I asked God.

This trip was originally intended to be a break for me before I started my cannabis greenhouse business. Oh how naive I was regarding the plans God had for me.

Our first excursion was on our second day. It was a river tour on a boat made of bamboo.

We got on a bus that took us for our first ride through the countryside. I loved it. I got to see the country and the people up close and away from the touristy areas.

We arrived at the starting place and saw the boats on the river.

They were kind of like those boats in Venice with a guide and a stick to navigate but made entirely from bamboo. The river was only about a foot deep.

Our guide told us that each guide made their own boats at the beginning of the year and customized them according to their own taste. Some were basic and some had large pillows for a padded seat.

Our guide told us that there was a hierarchy or apprenticeship before they could pilot their own boats with tourists aboard. We later saw these apprentices taking the boats back to the starting point on the opposite side of the river.

At one point in our trip our guide parked our boat on a bank for a while and he vanished into the jungle. When he came back he brought a coconut and a flower that he made for my wife. He cut open the coconut and let us taste it. It was way sweeter and had a totally different taste than I had imagined!

There was another spot on the river where he stopped the boat and gave us both limestone massages on our legs from the knee down. It was like a day at the spa on the river. I have Restless Leg Syndrome so I was eager to see what effect if any this limestone treatment would have on my legs. (I didn't have any RLS issues during the rest of my stay.)

I asked our guide as we continued to go near some vines that were hanging into the river. I just *had* to find out how strong they were. I grabbed a couple and gave em a tug and they would certainly carry my weight. Our guide told me that you'd be safe with 3 of them to swing from.

At the end of the trip, we washed off the limestone and got on our bus to go back to the resort. This trip was a perfect introduction to Jamaica!

A few days later our next trip was a day long affair. We went to the Rum factory, Y's Falls and Black River to see some crocodiles.

The last trip a few days after that was a party boat where we went snorkeling.

Other times we spent time outside on our own in the tourist area. We went to a public beach. We got swindled by a couple guys as we waited for our ride back to the resort. I bought some hash from a guy parked outside our resort. I had to go through security and sign out before I could leave the resort. I was going 30 feet away and back.

I got to see a lot of the country and how people lived and I had an awesome tour guide in my bus driver who also got me my weed. He explained to me that Jamaican's hate debt and that's why the homes all looked partially finished; the owners were waiting to make more money to continue.

I saw small shops carved out of the side of the road with a dim light selling something. Most of the people I encountered were happy and ambitious although there was also evidence of violence everywhere. There were good reasons that the resort was fenced and guarded.

I was a totally naive entitled rich white dude when I landed in Jamaica and I never knew it at the time. I began to learn about the people and their problems wondering how I could help. That week in Jamaica was the best week of my life so far! I love the country I love the people and I want to

return home as soon as possible!

Two years after my trip, and during the height of the covid pandemic, God called me to be a prophet.

The Lord used the still time during the pandemic to draw me closer to Him and teach me the truth and true meaning of the scriptures regarding the destruction of America. I have diligently searched the scriptures for verification of everything the Lord tells me.

I am the Lord's servant above all and He has called me and equipped me for His purposes. During my daily worship time the Lord gave me a heart for Jamaica.

I followed the news in Jamaica for about a year after I returned home. My heart broke as I heard some of the horrifying stories. Jesus wept was all I could think of.

The young Jamaican men have been deceived into thinking that a life of crime will somehow benefit them. They are fatherless and travelling in packs like dogs on the reserves in Alberta. They only exist to create pain and misery because they have nothing else to do.

These gangs were created by the negative effects of the capitalist system from America and the violence will finally decline when the Harlot is destroyed and the steady flow of guns to the island ends.

We need to create jobs and give these young men something to do and a place to call home where they actually have something that they don't want to lose. Surely we should be able to set up a society based on scripture and start to heal the nation and the lost young men who are sick of their empty lives?

The rich in Canada will need to bring their wealth to share with the people of Jamaica who will share their land with us and work beside us as brothers to build the church of Christ as God intended so many years ago.

I believe Jamaica is the tropical paradise that God wants His people to gather to weather the coming storm and to rebuild a society based on scripture. We will start by building green homes and new communities for

our people in Jamaica. Real zero emissions. Total recycling.

I love the freedom to live my life as I please. I don't bother anyone and they shouldn't bother me either. That's exactly what we're supposed to do.

1 Thess. 4: 9 But concerning brotherly love you have no need that I should write to you, for you yourselves are taught by God to love one another; 10 and indeed you do so toward all the brethren who are in all Macedonia.

But we urge you, brethren, that you increase more and more; 11 that you also aspire to lead a quiet life, to mind your own business, and to work with your own hands, as we commanded you, 12 that you may walk properly toward those who are outside, and that you may lack nothing.

Jamaican's hate debt. This is admirable. I hate debt too. If we live together and look after each other, we don't need money or debt. There is no need for money if we are sharing everything. You cannot be free and in debt at the same time.

Romans 13:8 Owe no one anything except to love one another, for he who loves another has fulfilled the law.

**Proverbs 22:7 The rich rules over the poor,
And the borrower is servant to the lender.**

Jamaica is not LGBT friendly. This is of monumental importance because part of the reason for the destruction of the Harlot is the sodomy she promotes. God is going to end the Harlot and her supporters in the same manner as Sodom and Gomorrah were destroyed, by fire.

1 Corinthians 6:9 Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites, 10 nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God.

11 And such were some of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God.

Your past doesn't matter if you repent and come to Christ. God will redeem you and save you regardless of past sins. God loves you as a loving father loves his own children. God wants us to enjoy life without fear or worry and that's the reason why He designed us to be dependent on each other. God wants us to get along with each other and share everything!

Jamaica is a poor country who follow God to the best of their ability in the most difficult of times. The nation is in debt, the currency almost worthless and there is a proliferation of guns and crime due to American influence over the years. Jamaica needs help now and things will be worse economically when America is destroyed. If you thought the pandemic was bad for tourism, wait until you see nukes in America going off.

Jamaica could and should be a world leader in cannabis and coffee. Jamaica would finally be free to explore the myriad of possibilities with cannabis without the resistance from America. We need to remove the man made rules for consumption that disobey God's Word.

Cannabis can be used for many things from healing and recreation to concrete and rope, Jamaica could and should become a world leader in everything cannabis related. Did you know that a 5 gallon pail of hash oil is worth over \$1mil?

Canada is equally dependent on America for trade as Jamaica is for tourism. Russia will probably bomb Canada when they go after America. We've already seen that Russia wants to rid the world of Anglo-Saxons. Why would Canada be spared by that madman Putin?

OBVIOUSLY God wants us to work together to save our own hides and He's giving us enough time and the wisdom and resources to accomplish this.

Revelation 18:4 And I heard another voice from heaven saying, "Come out of her, my people, lest you share in her sins, and lest you receive of her plagues.

If you need to be reminded of her coming plagues, they're found in verse 8. We don't want to be a part of this. Yes, you can still be a follower of Jesus and die by being in the wrong place at the wrong time.

8 Therefore her plagues will come in one day—death and mourning and famine. And she will be utterly burned with fire, for strong is the Lord God who judges her.

We in Canada need to round up the true disciples of Christ and their material wealth and take the whole mess down to Jamaica and help to rebuild the country the way God wants it.

Neither country will survive on their own. Jamaica has the land and climate and Canada has the material wealth and resources. God does tell us to share everything. Seems like a perfect fit to me!

Remember, when America is destroyed all the debts to her will be cancelled as the financial system collapses. Money and debt will simply vanish when there are no computers or internet anymore to keep track of it.

Crypto currency exists only on computers.

Our financial system is a lie based fiat currency anyway. The money is worthless unless we say it has value. The only reason our economy still functions at all is because we've been conned into believing a piece of paper has value and we all readily accept that. When America and her sorcery of capitalism is gone, the countries of the world will once again have the ability to regain control of their own destinies.

Countries are supposed to just print money as they need it as a function of government to distribute the wealth of the nation to the residents who create that wealth. Countries don't ever need to borrow money or pay interest. Inflation is irrelevant in a society that doesn't use money.

Everything we do must be built upon the Word of God or it will fail. No compromise and no acceptance of sin.

**Psalm 127:1 Unless the Lord builds the house,
They labor in vain who build it;
Unless the Lord guards the city,
The watchman stays awake in vain.**

The old ways brought us this current nightmare society and must be discarded. This legacy system must be totally forsaken and the old way

of life must be replaced with something else due to our failing infrastructure and supply chains. Here's an example of the butterfly effect on our supply chains and the fragility of the current system.

As of this writing there were 95,000 unfinished brand new cars that require computer chips to be completed²³. One of these chip manufacturers couldn't run their plant because they didn't have the proper coolant to produce the chips.²⁴ A lack of coolant halfway around the world is halting the production of cars. How can this possibly end well?

Cars are the reason for the pollution of the planet. We cannot afford to build anymore cities dependent on these machines. The era of the car is over and we need to learn the lessons and move on asap.

Electric cars won't cut it either.²⁵ We don't have a power grid big enough for everyone to own an electric car.

We will need to rebuild our communities to reflect the new reality that we won't be building miles of freeways anymore. Everything is going to have to be within walking distances now and we will need to use electric trains for transport and longer distances.

Believers must abandon the cities and rebuild from scratch. We need to build new, walled cities and start over. Just as in Biblical times we will need walls for our protection and safety for the community. Jamaicans are already familiar with this concept.

Matthew 25:29 'For to everyone who has, more will be given, and he will have abundance; but from him who does not have, even what he has will be taken away. 30 And cast the unprofitable servant into the outer darkness. There will be weeping and gnashing of teeth.'

ents to serve the body of believers. Our rewards come from God.

2 Thess. 3:10 For even when we were with you, we commanded you this: If anyone will not work, neither shall he eat.

Instead of being rewarded with a piece of paper or credits on a screen, we receive the joy and peace that comes from God as we learn to love and give to our brothers, knowing that all of our needs are provided for.

John 15:7 If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you. 8 By this My Father is glorified, that you bear much fruit; so you will be My disciples.

God also gives us richly all things to enjoy.

Suppose you like to build with wood. Instead of having to build your own shop and buy the equipment for it, you could just gather a few friends go to the shop and build a gazebo or picnic table.

No money. Just go and build it for free. Build another one for someone else and give it to them. Would they not be incredibly thankful? Especially if the gift is something that they cannot do themselves?

I possess a set of acoustic drums. I would gladly put the drums in a room, give lessons and watch people enjoy playing this massive drum set that they didn't have to buy! They could form bands and then they could play for the community at various places and events.

One of these places could be a club. There's no reason why we can't have a place where the residents can hang and talk or listen to a band and have a drink or some cannabis. Jesus hung out in bars!

One of my sons wants to operate a coffee shop. In this community he could just go and serve people in the community coffee house. Wouldn't it be cool to just go into a coffee shop and talk with your neighbors and have zero concern for money?

Although we would have our normal community kitchen, we could also have small restaurants. Couples will still want to go on dates. I had the chance to experience one of these "restaurants" in that resort in Jamaica.

There were a few different restaurants with different cuisine options and they only operated a couple at a time. They were a fantastic experience.

We could have something like these in our communities. I have a few recipes that I'd love to share and cook in a setting like this. My kids would be all over this too! Since the food is free, and everyone is volunteering to serve I would hope that the guests would be grateful.

This is the love that Jesus talks about; serving others with our talents. These opportunities will give people a chance to share their gifts and experience the joy that comes from self less service! Would this not encourage the guests to share their talents too?

Many of these experiences are very enjoyable when you have an attitude of giving instead of being forced to work for a pay cheque. When there is no money involved, everyone is equal and has the same opportunity to enjoy their efforts.

Our people with construction experience could build all kinds of things for us all to enjoy. All we need to have is materials since we don't need money. I'd want a mini golf course.

I have 3D printers. I get the greatest joy from building projects for other people. I don't charge them for the stuff. God gave me everything I have here; I didn't "work" for anything. I would gladly show people how to use these machines and they could then build whatever they wanted.

We would have venues for musicians and artists to share their gifts. The residents would be free to live their lives as God intended. We should have no man made rules that contradict the Word of God.

The community shares their resources and time and talents to build homes for everyone. Everyone works with their hands. No paper shufflers anymore.

Philippians 2

Therefore if there is any consolation in Christ, if any comfort of love, if any fellowship of the Spirit, if any affection and mercy, 2 fulfill my joy by being like-minded, having the same love, being of one accord, of one mind. 3 Let nothing be done through selfish ambition or con-

ceit, but in lowliness of mind let each esteem others better than himself. 4 Let each of you look out not only for his own interests, but also for the interests of others.

Instead of cars we would use bikes and possibly some electric vehicles in the cities. The cities should be connected by electric trains powered by wind and solar. This would solve both our people transport and goods movement issues.

Everyone has their own home and food and clothing without cost and they use their God given talents in the community for the benefit of everyone.

This is how we can make that science fiction utopian society that Star Trek liked to portray. No cars, no money and no debts or bills!

The complete destruction of America and globalization will force the world to change the way that we do everything. Everything that we enjoy about this modern life will be gone very soon so the prudent should be preparing for the worst now.

Do you want to live in paradise or a nasty version of Mad Max?

We've been doing the same things over and over again for hundreds of years expecting the results to be different. How can anything change when the people at the top with all the money depend on this system as it is to maintain their financial wealth? The world needed intervention from God and that intervention began with the pandemic and will end with the destruction of America.

When all of man's basic needs are met, he can begin to ponder the more complex issues of life. During this pandemic the people at the bottom finally got a chance to stop and think about their lives. Usually they were kept too poor and busy to think about their lousy lot in life. Now during this pandemic they knew that their lives sucked and the system sucks too!

The entire world woke up to the fact that the "American Dream" is a complete lie. The single greatest transfer of wealth came during the pandemic. Yes, it was from all the poor people to all the rich people. The monopoly game is over.

New Ideas, New House

Imagine a home that's a cross between Lego and IKEA.

Start with a steel frame, formed and welded together. This frame has incredible strength. Wood joists are then screwed to the frame for the floor and ceiling. These modules are 10' x 10' and 10' x 20'.

Wiring is all contained within the steel frame. Electrical connectors join the modules and transfer the power required for the new module. This method of construction give us incredible flexibility with the modules. All of the electrical outlets are contained in the corners and posts of the frame.

The only requirements for rooms other than the bathroom and kitchen is 110v power.

This new electrical design allows us to take advantage of every manufacturing benefit by making everything in mass production. We can easily change out interior or exterior walls without the need for electricians or craftsmen.

This design is truly modular, flexible and expandable. The first generation modules have two points of expansion. We can start with a Power Module, Food Module and an expansion module to make a studio apartment.

These were going to be sold about \$70k. Add \$20k per expansion module and a four bedroom for about \$110k. Retail price was around \$100 per square foot.

You can always add or remove modules or even move the whole house to another location! At 10' wide, these are roomier than a sea can house but more portable.

We can put 5 of these modules side by side and create commercial or work spaces. The power module can contain the only washroom required.

Power Module

This module is 10 x 10 and contains all the utilities of the unit. It is installed first.

Food Module

This unit contains the kitchen and bathroom.

The bathroom is a 5' x 8' standard size but the kitchen is more of a breakfast nook. We will not put stoves or 220v power to these units because we all eat our meals together in the community center.

This module must be connected to a power module. The connections to the power module are hard connections. The main water lines and drains are connected under the unit in the crawl space and the water lines are soldered in the power module. Access to the connections is behind the bathroom mirror. The kitchen and bathroom were designed to use the least amount of piping and resources keeping costs as low as possible.

All expansion modules plug into this one, the food module.

Expansion Modules

These expansion modules are 10 x 20 units. All of the wiring for the unit is contained in the steel frame of the unit including the plugs required to connect the power to the main module.

These expansion modules will contain power lines, power outlets, network connections, audio and intercom speakers and usb charging ports.

The roof and floors will be finished. The next part is adding the required panels.

Exterior Walls

These panels are made from pre-painted steel. They are insulated and dry-walled and can be installed in any opening. They will come in solid, window and door versions.

Interior Wall

The interior walls are made from traditional wood and drywall on both sides. This method makes a 6" thick wall which is perfect for joining the two modules together. The other reason for a wall this thick is so we can hide sliding pocket doors in all of them and eliminate door swing. (except for the front and rear doors)

Green Power Generation

Each home will generate its own power and hot water. This will not be an option if we want to continue to use our modern equipment. We need to generate our own power and by reducing our consumption in the home, we will be able to make each home green energy self sufficient.

My computer truck in Alberta used 1 - 300 watt solar panel and three dry batteries. I had a 3000 watt inverter installed and I could easily run 3 computers at a time. These panels have become very cheap and we have 900 sq ft of roof space to work with. If we use 12v panels we don't need to use power conditioners and converters. Cars use 12v too. We should be able to convert or adapt a car alternator to be a low amperage generator.

Here's a perfect "legacy" issue to illustrate what I mean. North America runs on 220v and 110v. Our computers use 12v. So does our TV's. We can easily power LED lights with 12v because we blind each other with LED headlights now!

We currently bring 220 volts into the power panel and split it into 110 lines. Then we run 14 gauge wire all over our houses for these circuits. Then we put power supplies in our computers to bring the voltages back down to 5 and 12v to run the computers.

We collect solar or wind power at 12v then we have to use an inverter to bring it back up to 110v so we can plug in our computers and bring it back down to 12v. Is this not a really dumb way to do this?

Power running through an inverter loses 40% in the conversion. We could drastically reduce our electrical consumption if all of the homes had 12v power and we adapted our devices accordingly. We would need only one small inverter for the 110v kitchen appliances in these homes.

Water heating is the highest use of energy in a modern home. Solar water heaters are the simplest of technologies. We put a bunch of black plastic pipe in a box with a glass cover. We adjust the flow rate to increase the temperature. They use these things for car washes in Alberta and they work in -20 c. The Caribbean sun would only require a very small solar panel to provide enough hot water for each home.

These homes should be arranged in subdivisions or communities of about 24 acres. This much space gives us enough room for about 1000 people in 250 or so houses. Solar and wind power generation is on each home.

Instead of building like our current cities, each community is its own walled city with limited entrances. Guards will be stationed at the entrance to screen potential visitors.

The roads will be large enough to drive an electric moving truck or maintenance truck but will be used primarily for pedestrian and bicycle traffic.

Each community will require water and sewer services. Each location will need either ground water or rainfall collection because there will be no hauling water on truck anymore.

The sewer system can be a very simple lagoon system for 1000 people. They are basically three sediment ponds that allow the solid waste to settle to the bottom of these ponds. All of the houses are connected to the main sewage collection lagoon via underground pipes.

Each year, once the water is clear, the main lagoon water is released back into the ecosystem. Once the lagoon is emptied, the lagoon is cleaned of the sediments and these sediments are spread on farmers fields as fertilizer reducing the need for manufactured fertilizers.

Since we will have central kitchens we will be able to take advantage of the economies of scale. There will be no need for plastic packaging.

How Much Time do we have left?

When the dust finally settles, nations will trade again as in days of old but every country is going to need time to rebuild after WW3.

Matthew 24:6 And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet.

7 For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. 8 All these are the beginning of sorrows.

As brilliant as Einstein was, he was wrong about one quote.

“I know not with what weapons World War III will be fought, but World War IV will be fought with sticks and stones.”²⁶

World War three will be between America and her allies and Russia, China and 8 other nations. The Bible states in Revelation 17 & 18 as we have seen that America will be completely destroyed by fire. This will be from the nuclear weapons. We also see the result of this war. At this time the bible says that one quarter of the inhabitants of the earth will die.

Third Seal: Scarcity on Earth

Revelation 6:5

When He opened the third seal, I heard the third living creature say, “Come and see.” So I looked, and behold, a black horse, and he who sat on it had a pair of scales in his hand.

6 And I heard a voice in the midst of the four living creatures saying, “A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine.”

Things will be so bad that a loaf of bread will cost a days wages. God also says not to harm the oil and the wine. The oil represents the Jews who are God’s chosen people and the wine represents the believers of Christ. God

will protect us and this is how He is providing for His children in Canada and Jamaica.

Fourth Seal: Widespread Death on Earth

Revelation 6:7 When He opened the fourth seal, I heard the voice of the fourth living creature saying, “Come and see.” **8** So I looked, and behold, a pale horse. And the name of him who sat on it was Death, and Hades followed with him. And power was given to them over a fourth of the earth, to kill with sword, with hunger, with death, and by the beasts of the earth.

There will be a grace period after America is destroyed. As bad as this sounds, only a quarter of the earth dies so obviously this is not the end of the world. Einstein made a mistake in assuming that the third world war would be the last. The third world war will be the destruction of the Harlot and the catalyst for the final war.

Nations of the world will observe the results of the damage and destruction to America and her allies and conclude that “meh, it’s not that bad”.

This underestimation of the destruction will encourage another arms race that will actually end the age in about 20 years. This war becomes the fourth world war and Jesus says in Matthew 24 that this war will be so bad that God will have to intervene or no people would be saved.

The Great Tribulation

Matthew 24:15 “Therefore when you see the ‘abomination of desolation,’ spoken of by Daniel the prophet, standing in the holy place” (whoever reads, let him understand), **16** “then let those who are in Judea flee to the mountains. **17** Let him who is on the housetop not go down to take anything out of his house. **18** And let him who is in the field not go back to get his clothes. **19** But woe to those who are pregnant and to those who are nursing babies in those days! **20** And pray that your flight may not be in winter or on the Sabbath. **21** For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. **22** And unless those days were shortened, no flesh would be saved; but for the elect’s sake those days will be shortened.

The Bible talks about the end times when the Anti-Christ rises to power.

Revelation 13:16 He causes all, both small and great, rich and poor, free and slave, to receive a mark in their right hand or in their foreheads, 17 and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.

So people will be required to have this mark to trade. Hmm. How would you be able to buy food then without it? How will people survive? The chances aren't good if we're living these self-centered, isolated lives. This is another reason to live together and look after each other.

What are the penalties/benefits for not getting the mark?

The Saints Reign with Christ 1,000 Years

Revelation 20:4 And I saw thrones, and they sat on them, and judgment was committed to them. Then I saw the souls of those who had been beheaded for their witness to Jesus and for the word of God, who had not worshiped the beast or his image, and had not received his mark on their foreheads or on their hands. And they lived and reigned with Christ for a thousand years.

5 But the rest of the dead did not live again until the thousand years were finished. This is the first resurrection. 6 Blessed and holy is he who has part in the first resurrection. Over such the second death has no power, but they shall be priests of God and of Christ, and shall reign with Him a thousand years.

The elect get to come back and live on the earth without Satan around for 1000 years. We can't very well live here if they blow the whole thing up.

During this time there will still be people on the earth that survived the last two wars. If these people had been believers at this point, they would have been taken with Jesus in the rapture. Therefore these people will be used by God to repopulate the earth once more, just like after the flood.

We still need normal people for this 1000 year period and since God says that "but for the elect's sake those days will be shortened" tells us that these people will come to faith in Jesus.

During the 1000 year reign of Christ people will be living on the earth as God intended. We will be sharing everything and living our lives without money. The martyrs are physically back on earth; resurrected as Jesus was. When Jesus was resurrected and spent time with His disciples He was as recognizable to them as He was when He walked with them before His death.

Seeing and Believing

John 20:24 Now Thomas, called the Twin, one of the twelve, was not with them when Jesus came. **25** The other disciples therefore said to him, “We have seen the Lord.”

So he said to them, “Unless I see in His hands the print of the nails, and put my finger into the print of the nails, and put my hand into His side, I will not believe.”

26 And after eight days His disciples were again inside, and Thomas with them. Jesus came, the doors being shut, and stood in the midst, and said, “Peace to you!” **27** Then He said to Thomas, “Reach your finger here, and look at My hands; and reach your hand here, and put it into My side. Do not be unbelieving, but believing.”

28 And Thomas answered and said to Him, “My Lord and my God!”

29 Jesus said to him, “Thomas, because you have seen Me, you have believed. Blessed are those who have not seen and yet have believed.”

The people resurrected will be in the same manner. They will be recognized and will retain their memories of their lives. These saints will rule and reign with Christ for this time. They are here to teach the people and remind them of the horrors of the previous age.

The people who were not resurrected will live as we have lived since the beginning. They will grow and marry and have their own children. There will be no devil so there will be no temptations of man for this 1000 year period. There will be unprecedented peace and joy on the earth as believers live in unity of the Spirit.

Revelation 20:1 Then I saw an angel coming down from heaven, having the key to the bottomless pit and a great chain in his hand. **2**

He laid hold of the dragon, that serpent of old, who is the Devil and Satan, and bound him for a thousand years; 3 and he cast him into the bottomless pit, and shut him up, and set a seal on him, so that he should deceive the nations no more till the thousand years were finished. But after these things he must be released for a little while.

Jesus won't be physically here on the earth yet, that comes after the 1000 years and after the devil and false prophet are thrown into the lake of fire forever. God has a very specific reason for doing things like this.

God is giving mankind a chance to live for 1000 years in peace under the rule and reign of Christ. God will prove beyond any shadow of a doubt that no matter which way man tries to live on earth, all will fail unless we follow God to the letter.

Jesus does not live on the earth yet. If Jesus was physically on earth at this time, what would He need us for?

Who would need faith to believe in Jesus anymore if you could just go up and talk to Him?

Jesus also said that if He didn't leave earth, we couldn't receive the Spirit of God.

The Work of the Holy Spirit

John 16:5 “But now I go away to Him who sent Me, and none of you asks Me, ‘Where are You going?’ 6 But because I have said these things to you, sorrow has filled your heart. 7 Nevertheless I tell you the truth. It is to your advantage that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send Him to you. 8 And when He has come, He will convict the world of sin, and of righteousness, and of judgment: 9 of sin, because they do not believe in Me; 10 of righteousness, because I go to My Father and you see Me no more; 11 of judgment, because the ruler of this world is judged.

12 “I still have many things to say to you, but you cannot bear them now. 13 However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to

come. 14 He will glorify Me, for He will take of what is Mine and declare it to you. 15 All things that the Father has are Mine. Therefore I said that He will take of Mine and declare it to you.

So after the 1000 years the devil is let out and he goes on to deceive the world again!

Revelation 20:7 Now when the thousand years have expired, Satan will be released from his prison 8 and will go out to deceive the nations which are in the four corners of the earth, Gog and Magog, to gather them together to battle, whose number is as the sand of the sea. 9 They went up on the breadth of the earth and surrounded the camp of the saints and the beloved city. And fire came down from God out of heaven and devoured them. 10 The devil, who deceived them, was cast into the lake of fire and brimstone where the beast and the false prophet are. And they will be tormented day and night forever and ever.

Even after living in 1000 years of paradise, Satan will suck people into the cult of capitalism again. People will forsake God and lust after money one final time. This is where God has had enough and finishes this for the last time.

All Things Made New

21 Now I saw a new heaven and a new earth, for the first heaven and the first earth had passed away. Also there was no more sea. 2 Then I, John, saw the holy city, New Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. 3 And I heard a loud voice from heaven saying, "Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God. 4 And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away."

5 Then He who sat on the throne said, "Behold, I make all things new." And He said to me, "Write, for these words are true and faithful."

6 And He said to me, "It is done! I am the Alpha and the Omega, the

Beginning and the End. I will give of the fountain of the water of life freely to him who thirsts. 7 He who overcomes shall inherit all things, and I will be his God and he shall be My son. 8 But the cowardly, unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death.”

Well, there it is. The time line to the end of the world from the Word of God. We have about 2 years until America is destroyed and it's about 20 years until the millennial reign of Christ.

Here's your call to action and the point of this book.

1. First and foremost, get right with the Lord! You could start by praying something like this:

Father forgive me for my sins and cleanse me from all unrighteousness. Give me faith to believe all of Your Word and to commit my life to you daily, Lord Jesus.

Father give me the perseverance to spend at least an hour a day worshipping and praying to You. Lord fill me with your Holy Spirit and Spirit I pray that You lead me into all truth. Show me how to put You first in all areas of my life and fill me with Your joy unspeakable and peace beyond understanding as I draw closer to You to learn who You really are.

Reveal Your intimate plans for my life Lord and guide me by your Spirit to follow Your will for my life. Allow me the great joy in using my God given talents for your kingdom Lord and allow me to feel an increased awareness of Your presence in my life daily. Show me how much You love me!

Thank you Father for Your provision and gifts and talents, may I use them all for Your Glory and our benefit, in Jesus name. Amen.

The strength of any relationship depends on the amount of time spent together. God wants all of our hearts so it's pretty obvious that 30 minutes a week won't cut it. Please share this information with anyone who wants it!

God Bless,
